

BAYSHORE BANNER

In our 65th year of serving the community

FYI – FROM THE BOARD

A Trustee has asked that residents to please not use social media to make a case against Board members with whom they disagree. His reasoning makes sense – negative information about a Trustee could make him or her a target for a dangerous physical reaction. This becomes even more serious when Trustees have families or family members living near by.

Social media is a great way to keep in touch with family & friends who live far away, or even find out what's going on in your neighborhood. But it shouldn't be the only source of information. There's been some discussion on Nextdoor about the pool. Not all of the information is correct. Yes, the work is going to cost a lot of money. No, a contract has not been signed: the contract provided by the contractor has been reviewed

and upgraded by our attorney. Trustees had been given copies to review to discuss at the March Board meeting. The Trustee who asked that residents not identify Board members was named in a recent social media posting which resulted in his resignation from the Board.

As a Bayshore Gardens resident you are invited to join one of the many clubs and committees. You may attend any published meeting to get direct information about the Board and its activities.

The Board meets monthly – check the calendar in the printed version of the Banner or go online to bayshoregardens.org to find out if you would be able to attend the next meeting. Or contact a Trustee – emails are noted in every issue of the Banner. Come talk to us, face to face, and leave more room on social media for pictures of babies and Dad jokes.

Bayshore Gardens Park & Recreation District Board of Trustees Meeting Wednesday, February 23, 2022 @ 7:00 PM

Preliminaries - Roll call was taken, and a quorum was established. The Pledge of Allegiance was conducted. Meeting was called to order at 7:01 PM by Chairman Morris Raymer

Trustees Attending - Jeanne Murphy, Barbara Greenberg, Barbara Susdorf, Terry Zimmerly, Melanie Woodruff, Morris Raymer, Dan Rawlinson, Belle Baxter, & Kyle Weatherly.

Also Attending - Gia Cruz, District Office Manager.

Approval of Minutes - D. Rawlinson made a **motion to approve the minutes from the January 26th Board Meeting. K. Weatherly Seconded. Motion Passed 8 to 1. J. Murphy voted no.** D. Rawlinson made a **motion to approve the minutes from the February 9th Work Session. M. Woodruff Seconded. Motion Passed, Unanimously.**

The Chairman changed the order of the agenda and called for a motion to accept the RFP. After much discussion K. Weatherly made a **motion to accept the current pool RFP with the addition of the removal of debris. B. Baxter Seconded. Motion Passed, Unanimously.**

Treasurer's Report - The report was attached to the agenda; however, the treasurer advised the information was not correct. T. Zimmerly advised there will be enough money to repair the pool, with not much left over to cover an emergency.

There was discussion about the repair of the pool being an emergency. After several attempts M. Woodruff made a **motion to make repair of the pool an emergency because the pool is degrading, has been leaking, and we have no idea what's going on underneath the pool.**

Possible erosion would destroy the pool. D. Rawlinson Seconded. Motion Passed 8 to 1. B. Greenberg voted no.

The pump to distribute chemicals to the pool has to be replaced as well. The scope of work was not included in the bid by Xecutive Pools. This could add another 5,000 to the bid from Xecutive Pools (\$315,000).

K. Weatherly made a **motion to approve \$330,000 for repair of the pool. B. Baxter Seconded. Motion Passed 8 to 1. B. Greenberg voted no.**

M. Raymer welcomed guest Simone Peterson from Manatee County to the meeting.

District Office Manager's Report - The current porta potty company will meet the challenger's cost for the coming year. Gia asked for a consensus about the location of handicap parking spaces at the recreation center. The options are leaving them as they are, removing a regular parking spot and making an additional handicap space, or two handicap spaces at each end with two regular spaces in the middle. Concern was expressed for the ability of emergency vehicles to access the pool area.

Jose Jr. has resigned as Dockmaster. T. Zimmerly made a **motion to appoint Jose Sr. as Dockmaster. K. Weatherly Seconded. Motion Passed, Unanimously.**

Both the maintenance and office assistants resigned. T. Zimmerly made a **motion to hire Tanya part time in maintenance and helping in the office at \$14.00 per hour. J. Murphy Seconded. Motion Passed, Unanimously.**

Committee Reports

Marina - The two people from Duncan with the ability to fix the leak in the south wall of the marina have resigned. Randy managed to fix it himself.

The architectural drawing will be provided by the County - all the District has to do is purchase the modular building and the ADA compliant fixtures and hire the plumber to make the connections.

K. Weatherly requested attendees refrain from using social media to express dissent with Board members. As volunteers, Trustees and their families should not become targets of possible acts of aggression caused by comments made on social media.

GARDEN CLUB

BG Garden Club Minutes for March 7, 2022

This gathering was a field trip to Burnett's Nursery (4808 18 St East, Bradenton). This adventure was arranged by Terry Zimmerly. Thank you, Terry. Ten were in attendance. We gathered at the Recreation Hall parking area at 1:00 and left in three cars for the nursery.

No monthly reports were given at this time.

Joyce Fisher offered the official Roster to those who wanted one. Winnie Denny-Smith offered drinks and snacks. Thank you both.

At the nursery hundreds of plants were discovered in shaded and sunny areas. There were some purchases by the Club Members. We were all back to the Hall parking lot by 2:30.

Marie Young gave five pots of philodendrons to new homes.

Monday, April 4, 2022, we will meet at the Hall at 1:00 and 'carpool' to the Tropiflora Nursery (3530 Tallevast Rd) who specialize in bromeliads and succulents. This adventure is arranged by Joyce Fisher.

Of course, if there is inclement weather we may make a change.

Bayshore Gardens is the county's "Sweeps Neighborhood" for April

Code Enforcement Officers will identify areas of the county for clean-up that have extensive areas of outdoor storage, trash, debris, and inoperable vehicles. Residents will see multiple message boards and signs advising of the clean-up activities. Once any areas of concern are addressed, Sweeps Teams will be deployed to address any issue – before they become problems to the citizens who live in the neighborhood. The goal is to correct code violations and help our neighborhoods to stay strong.

MANATEE MATTERS WITH COMMISSIONER MISTY SERVIA

SHINING A LIGHT ON SHADY BUSINESS IN 2022

After hearing from many residents about nuisance businesses, one of my priorities when elected in 2018 was to find a way to reduce the number that plagued our southern US-41 entranceway. It is normally a smooth transition when traveling between different jurisdictions, but heading from Sarasota to Manatee County, it was clear that once you crossed University Parkway, you were in a different place.

What stood out? The massage parlors! Despite the name, you would be hard-pressed to find a licensed masseuse at any of these facilities. Law enforcement tells me they are normally linked to organized crime rings outside of Florida. Often things like money laundering and human trafficking are taking place in our friendly city behind the doors of these shady establishments.

So, shortly after being elected, I worked with our County Attorney's Office and the Sheriff, to develop an ordinance that gave law enforcement the teeth they needed to act. The new ordinance allowed them to inspect massage parlors, and view the professional license issued by the State of Florida Board of Massage Therapy (spoiler alert - these businesses don't have one). The ordinance also prohibits beds, mattresses, futons, opaque storefront windows and locks on the massage room doors; and it requires employees to remain completely clothed in opaque clothing. These requirements give you a peak at the type of "business" we were preparing to deal with.

And then - what seemed like overnight - everyone's focus turned to navigating through a worldwide pandemic. Covid-19 put the brakes on implementing this ordinance and others in favor of the basics - protecting life, testing, vaccines, and - well - you remember. Thankfully, due to many factors, we seem to be returning to a more normal existence.

Just a few weeks ago, during rush-hour traffic when most people were heading home from work, the Manatee Sheriff's Office, Code Enforcement, and the Cedar Hammock Fire Department teamed up and performed the first search warrant under the 2019 ordinance at the VIP Sauna, located at 7325 N. Tamiami Trail. Reports said two naked gentlemen grabbed their clothes and ran, while our county Code Enforcement officers issued 9 notices of violations and a 'notice to appear' to the unlicensed masseuse at the building. The fire inspector found multiple violations too, as it appeared that employees were living at the business. There was a lot of evidence collected that afternoon that will support the issuance of an injunction to declare the establishment a "public nuisance".

At last count, we had 15 of these types of establishments in southern Manatee County, and they should know that we are coming for them. But the public should also know that these criminals are stealthy and are known for simply changing the business name, thereby forcing a new investigation to be opened, leaving officials wondering if the spirit-crushing exercise in futility is worth it.

Do you know where nuisance businesses find it easiest to exist? In a community that does not require a business license. Business licenses are required in many places to demonstrate that the business and the premises comply with all building regulations, public safety and health requirements. And that is why you won't normally find massage parlors and other sketchy businesses in communities that require a business license - too much paperwork and accountability.

I recall an effort years ago to establish a business registry so that the county could understand who

Continued on Page 8

MANATEE MATTERS ... *Continued from Page 7*

is doing business in our community. Well, even a registry idea was quickly squashed long before I was in office, Many felt it was a senseless tax. I understand. Look, I don't support extra layers of bureaucracy either and have to be convinced through scientific data why a new law is needed before I will budge to support it.

But the lack of a business license requirement will not stop us from taking charge to protect our community. Our ordinance is a huge step towards improving the gateway to our community and I'm so proud of the excellent work of our public safety and law enforcement officials. It is their work that helps to protect and enhance our quality of life in Manatee County.
