INVITATION TO JOIN A NEW INSURANCE COMMITTEE

A new Insurance Committee is being established to review and collate data from various Committees to use for development of a comprehensive inventory of all District assets and each piece of tangible property, approximate useful life expectancy, current and projected replacement costs, and anticipated and needed repair costs to meet standards or address damages. As the Chairperson of this new Committee, I invite you to submit your name and credentials to me for consideration. The Committee will also review our existing Insurance policies, meet with representatives from P&C carriers, and make recommendations for future coverage that will best meet the needs of the District.

The data we will be gathering will also be used by the Planning Committee to formulate short and long range plans for the repair or replacement of existing assets and the acquisition of new assets. Likewise, the data will be used to assist the Budget and Finance Committee to identify what assets need to be replaced, retired, or updated in the upcoming budget year and how much money needs to be set aside for repairs/replacement and how much needs to be put into reserves for future needs.

Ideally, I am looking for volunteers who are familiar with P&C insurance for commercial properties and who may have worked in the insurance industry. I am also seeking individuals with current or past experience in writing business plans, conducting capital needs analyses, or other financial planning.

Please email me at seat09@bayshoregardens.org by Wednesday, February 15th
 Thanking you in advance for your willingness to participate in this important opportunity.

Barbara Greenberg, Trustee

WOODCHOPPERS CLUB

We had eight members attend our January 14th meeting.

There was a lot to discuss and decide.

- The vacuum system is about 75% complete with the important help from Steve Watkins.
- Steve Watkins has supplied several hoses to attach to the equipment.
- We are hoping the Trustees consider replacing the stolen tool (burglary last year).
- The Membership dues are now \$30 starting this year. (A By Law change).
- A new clause on how long a project can remain in the shop is in the By Laws now.
- Blades have been sharpened and unnecessary, wrong sized, rusty blades discarded. Thank you Steve for coordinating.
- In March we will address the language in the By Laws concerning the '\$75 purchase limit without a vote'.
- All large tools will be bolted or strapped down to avoid losing them from a burglary. Only two of three were not bolted down, thus the burglar had taken one that was not.

- Harold will ask the trustees to finish repairs to the back door, and if we can attach a solar light to the building.
- Two more 'no smoking' signs will be posted in the shop.
- We have plans to repaint the 'Woodchoppers' sign over the door.
- Old air hoses were inspected, and possible repairs are planned.
- Steve assembled the sanding table which will be stored under the work table.
- We are looking for new pencil sharpeners.
- Lynn will purchase hacksaw blades. Coping saw needs replaced.
- Discussion on the need to patch and paint the floor was discussed.
- Nominations - 2023 Slate of Officers were made and closed. The vote passed
- Officers:
 - President -- Harold Donaldson
 - Vice President -- Lynn Wellborn
 - Treasurer -- John Woodruff
 - Secretary -- Gwen Norris

Memberships will be accepted at the Recreation Office and after the March Meeting. Membership fee is \$30.
