## Minute with the Manager

### The Perks of Membership

As a special taxing district, we are insured through Florida Municipal Insurance Trust which offers benefits above and beyond what a typical property insurer generally offers its clients. With another close call this hurricane season, our insurer is available to assist the District in a time of need. FMIT's Turnkey Recovery Program is the leading municipal property recovery program and is exclusive to FMIT Members in the state of Florida. No other municipal insurance provider puts the amount of effort and resources into ensuring their Members are protected from disasters.

FMIT understands that most Members cannot retain or employ Disaster Recovery Managers. That is why they created the **FMIT Turnkey Recovery program**. Designed to assist Members after everyday losses to covered property, as well as before, during and after catastrophic events (hurricanes, tropical storms, flooding, etc.), FMIT's Turnkey Recovery program provides its Members with a disaster recovery management team combined with a direct repair program that pays vendors directly, conserving Member operating resources, reducing claim costs due to delayed mitigation and stabilization, and speeds overall recovery. The FMIT Turnkey Recovery program also ensures that FEMA Public Assistance grant

compliance is maintained in order to assist with reimbursement of non-insured losses.

A seminar was held this year by FMIT that advised how Members can receive the many benefits that the program has to offer. Led by FMIT and SynergyNDS personnel who actively manage recovery efforts, the seminar allows FMIT Members to understand exactly where the FMIT Turnkey Recovery program benefits them and how to integrate it into their own emergency response and recovery procedures. The information offered in the seminar was critical to future catastrophic events and can save countless hours and up to millions of dollars of exposure to FMIT Members. Under the leadership of the FMIT, Members can depend on SynergyNDS to provide the complex and diversified services necessary to respond to the needs of Parks & Recreation Districts. SynergyNDS provides 24/7 emergency response and recovery services through a combination of self-performance capabilities, our statewide certified Managed Vendor Program (MVP) and Member's pre-qualified contractors.

The benefit of membership should be reassuring to District residents that the facilities of the District are well protected and in the event of a catastrophic event, professional help will be here timely to assist and protect our assets.

## Scuttlebutt from the Bridge

September was a busy month for our members with racing, raft-ups and a party at our park's pool. We're pleased that the marina renovation is beginning, relieved that Hurricane Dorian did not march across the state but devastated at the destruction in the Bahamas. We also appreciate our dock master's hard work in helping boat owners find temporary slips for their boats during the renovation period.

### September 7th Race Results:

We raced Markers 16 and 17 twice around. First 2 legs had good wind and the sailing was fine. The last leg to our channel marker was downwind and with light wind...we baked! Nonetheless we had great competitors:

1st: Adam Hange and Jenny Smetters on Whispering Wind II

2nd: Rick Jackerson, Bill Fisher, Marie Horn and friend on Free Spirit

3rd: Holly Clouse, Leigh Doubrava and Jenny Garrett-Johnson on Wayward Son

4th: Tom Pizzi on Sabre the Moment

We had two other boats sign up but were unable to finish. We appreciate their efforts as much as those that finished!

After race was at Anna Maria Oyster Bar Landside and everyone had a great time. Our summer series is a scorcher and its so great to see folks participate. Thanks!

Below is a listing of upcoming events for October, November and December. Since the Banner will be going digital next month, we are including as much info as possible in this last print edition.

# Neighborhood Watch Minutes

Date: 9/10/2019 Time: 7:00 pm

Place: Bayshore Gardens Recreation Center

Attendance: Dan Rawlinson, Larry Rawlinson, Susan Donaldson, Allan Riga, Barbara Greenberg, Deb Korrell and Frank Young.

Call to Order: at 7:00 pm by Dan Rawlinson

Pledge of Allegiance

Dinner: We had fried chicken and chicken wings, plus salad, fruits and cookies. Dinner was delicious. Thanks to those who brought in the delicious foods.

Secretary: Susan reports that the minutes were in the August Banner. Motion to approve by Deb, second by Larry. No discussion. Approved by all.

Treasurer: Dan reported for Terry, in her absence, the updated accounting of expenses. Motion by Susan to approve the report, seconded by Allan. No discussion. Approved by all.

New program, new direction: See Something, Say Something.

## Old Business:

Loss of funding: gate closing funds will be lost in near future related to different options under discussion for securing the gate.

There are still several Crime Watch shirts available. Since the shirts say Bayshore Gardens on them, several were available to those in attendance at our meeting. There are different colors

and sizes available.

Barbara has prepared an informative invitation for the Harvard Avenue neighbors about the Block Party which is planned for November 16, 2-5 pm. Further discussion on Party ensued. Dan will attempt to contact someone at the Fire Department to see if they can bring a truck to the event. Apparently, the Fire Dept can do infant car seat safety inspections, so Dan will also see if anyone is available for that day to offer car seat inspections. There was discussion about road closures for the event but we are uncertain if the road can be closed. There was also discussion about the MCSO bicycle ID system and bicycle safety training offerings for that day also. Dan will ask one of the deputies about this information.

## New Business:

Dan would like to get Deputy Ralston to come to the Recreation Hall to discuss Home and Personal Safety information with the community. Since the Hall is currently under renovation, it would have to be after November 1. Our monthly meeting would be on November 12 at 7 pm. Dan will see if Deputy Ralston is available on that day.

Suggestion was offered to prepare a Neighborhood Guide for those in the Community that do Yard Sales at their homes.

Cost would be \$5 or \$10 to advertise one's sale in the Neighborhood Guide. Further details on this idea were tabled.

Barbara would like to prepare copies of the Manuals listed under the Neighborhood Watch national website, but the information is 31 pages. Discussion ensued to tweak it to usable data. There was also discussion to update the information provided to us by MCSO to ensure any brochures that we hand out are updated to the most recent versions available. We hope to make these items available for the 11/16/2019 Block Party.

We will all be supporting Deb and Harvard Avenue on a successful party and hope that ALL residents of Harvard Avenue put a reminder on their calendar for 11/16, 2-5pm.

Adjournment: 8:00 pm

Next meeting will be on October 8, 2019 at 7 pm. Due to the Rec Center Hall renovations, we are not certain where the next meeting will be held, but will send out an email to those on the email listing.

If you would like to receive emails about BSG NW, please write to [susannurse58@msn.com](mailto:susannurse58@msn.com).

*Respectfully submitted,  
Susan Donaldson  
Neighborhood Watch Secretary*

## Bayshore Gardens Neighborhood Watch Harvard Avenue – Meet and Get to Know Your Neighbors

**Date: November 16, 2019 Time: 2:00 pm to 5:00 pm**  
**Where: 1203 Harvard Avenue Your Hostess: Debbie Korell**

At the May 14, 2019 meeting of Bayshore Gardens Crime Watch, members voted to dissolve the organization and replace it with a Neighborhood Watch Program.

Neighborhood Watch is one of the oldest and most successful national crime prevention programs in the country and is supported and endorsed by the Manatee County Sheriff's Department.

Neighborhood Watch is described as "Neighbors helping Neighbors"... members meet their neighbors, learn how to make their homes more secure, watch out for each other and their neighborhood and report suspicious activity to the Sheriff's office.

Bayshore Gardens Neighborhood Watch recently

became part of the National Neighborhood Watch Program of the Bureau of Justice Assistance, U.S. Department of Justice, and will be implementing and following many of the suggestions and activities described in its Neighborhood Watch Manual. Our goal is to bring together people living within Bayshore Gardens Park and Recreation District who want to make our neighborhood safer by working together and in conjunction with the Manatee Sheriff's Office to reduce crime and improve our quality of life.

Please plan on attending the November 16th Event to meet your neighbors, members of the Bayshore Gardens Neighborhood Watch Program and Manatee County Sheriff's Crime Prevention staff.

There will be yard games and activities that are

safe for both children and adults, chips and dip, non-alcoholic drinks and water, cake, and other delicious munchies. Bring all your family members and a few chairs and something to share if you wish.

A member of the Manatee County Crime Prevention Unit will be in attendance to answer questions and make suggestions on how to keep your family and home safe. We also hope to have a fire truck and the street blocked off to traffic on part of Harvard Ave to set up a course for some fun, human-powered wheel events: rollerblading, skate boarding, scootering, bicycling, roller-skating, etc.

Contact person for the event is Dan Rawlinson at 941-755-9388

*Jane and Bob King celebrate their 50th wedding anniversary. They were married August 30th, 1969 at Holy Cross Catholic Church in Palmetto.*

*They thank their family and many friends for the cards, calls and good thoughts.*

# Manatee Matters with Commissioner Misty Servia

## LOCAL GOVERNMENT IS NOT A SPECTATOR SPORT

I believe our citizens should play a meaningful role in the decisions our Board of County Commissioners makes for the community. When the county effectively engages with residents, the result is usually a healthy partnership that tackles issues from different perspectives, yielding the best results for everyone.

Our Board recently approved a 1.5 billion dollar budget, and there were only a handful of citizens who spoke at the numerous public meetings that started in February of this year. Approving a budget to spend our tax dollars may be the most important thing your local government does, but you wouldn't know it if measured by the public's interest. Take note that a workshop is planned next February to discuss reducing the millage rate. And yes, we all love a tax break, but it may also result in reduced services, which is concerning to me. How do you feel about that?

Our County has considered implementing a stormwater fee for more than 30-years and is now in a place where it just may happen. We have all experienced some degree of flooding recently, and indicators show our future storms will be even more frequent and intense. A better stormwater

system can improve the red tide and algae problems too, which are becoming as common in the summer as traffic is during rush hour. But look, there are different levels of service being considered, and they all come with a price tag. Are you willing to pay for the Cadillac version, or, do you prefer the Buick?

Manatee County is considering a boat ramp parking fee, too. If you have taken your boat lately, you have likely experienced a line to launch, not to mention limited trailer parking and ramps in disrepair. There is no question that we need more boat ramps and have to catch up on needed maintenance. Our facilities are enjoyed not only by our residents, but visitors and charter captains who make a living on the water. Who should pay to maintain our ramps? Only those who use them? Should our residents be allowed to park for free and require the out-of-town visitors to pay? Maybe we should pay for them out of the general fund, which means everyone pays, whether you are a boater or not, but that option may not sit well with our residents who don't even own a boat.

I created the "District 4 Citizens Coalition on Growth" to give our citizens a larger voice in their local government. The group meets the third Wednesday of each month at 6:30 pm at the Bayshore Recreation Center and discusses timely

local issues. We have open seats on the Coalition and members of the public are always welcome. I am proud to carry feedback gathered at this meeting to our Board and share it with other county commissioners.

Let's face it, neighborhoods gain greater control over their everyday quality of life when we all come together in discussion, and even when we disagree, we find that we have many things in common too.

Misty Servia is a Manatee County Commissioner who represents District 4. She can be reached at [misty.servia@mymanatee.org](mailto:misty.servia@mymanatee.org)

**AVOIDING DANGER .....** Many crime victims are the result of being in the wrong place at the wrong time. But there are ways you can avoid being in a dangerous situation. Know the way out should the need arise. Thinking ahead could save your life. Also, avoid isolated areas. If no one is around, no one can help. Finally, your intuition and senses are your best line of defense. If something doesn't feel right avoid it. **BE AWARE, AND BE SAFE.**

# Out and About in Bayshore Gardens

Bayshore Gardens is pleased to offer our local Fire Department, Cedar Hammock, use of our pool for training. This has become an annual training event that benefits the community and surrounding areas. The training consists of a 100-yard swim, treading water, removing a victim from a vehicle, throwing a rope to a victim, locating victims in water, placing an injured vic-

tim on a backboard and practicing in the firefighter full gear while in the water. This training is extremely effective and important to our firefighters in case of an emergency. We are honored to assist our local ER personnel in enhancing their skills to better serve the community.
