Agenda Items Discussed

1. **Walking Trail** - Discussed having our maintenance guys rent a sod cutter to make the trail and then get quotes for any mat used to walk on for the trail.

2. **Parking Lot**
 - Discussed getting a reserve parking sign for the manger that says "Reserved for Office Manager".
 - Talked about eliminating the first parking spot near the walkway to the pool/office and making that a no parking area so that emergency vehicles are able to get through in case of an emergency.
 - Talked about eliminating the first parking spot near the walkway to the hall ramp. If a vehicle is parked there, it would make it hard for a person in a wheelchair to navigate around it.

3. **Future Projects and RFP's** - Kyle stated he would like to get a list of future projects together so that the committee can start working on RFP's for them.

4. **Additional Items**
 - Swimming Pool - Discussion ensued and Kyle advised that this project has already approved by the Board and would need to be brought up at a Board meeting.

Meeting adjourned at 8:19 PM
