Bayshore Gardens Park & Recreation District Board of Trustees Meeting Wednesday October 27, 2021 @ 7:00 PM

Preliminaries - Roll call was taken, and a quorum was established. The Pledge of Allegiance was conducted. Meeting was called to order at 7:02 p.m. by Chairman Morris Raymer.

Trustees Attending - Morris Raymer, Steve Watkins, Barbara Greenberg, Melanie Woodruff, Terry Zimmerly, Barbara Susdorf, Belle Baxter, and Dan Rawlinson

Also Attending - Gia Cruz, District Office Manager.

Approval of Minutes - M. Raymer called for the approval of the minutes for the Board of Trustees Meeting from September 29, 2021. S. Watkins asked about the soil testing mentioned in the minutes. M. Raymer responded that it was by the County for the lift station. S. Watkins made a **motion to accept the Minutes for 9/29/2021 Board of Trustees Meeting. M. Woodruff Seconded.** A typo was noted in citing B. Susdorf as S. Susdorf. Gia will correct. S. Watkins **Amended the motion to accept the Minutes for 9/29/2021 Board of Trustees Meeting with corrections. M. Woodruff Seconded.** B. Greenberg questioned her voting when she had not attended the meeting. It was established that a Trustee must vote unless a conflict of interest had been filed. She then voted to approve. **Motion Passed, Unanimously.** M. Raymer asked for approval of the minutes from the Board of Trustees Work Session from October 13, 2021. M. Woodruff made a **motion to accept the minutes for the October 13, 2021, Work Session. B. Baxter Seconded. Motion Passed, Unanimously.**

Treasurer's Report - T. Zimmerly presented the monthly reports. End of the year Profit and Loss - County administration fee went up causing our income from taxes to be lower than expected.

Rentals were about what was anticipated. The marina rentals came in for next fiscal year before the end of this fiscal year. This makes it appear that we received more than anticipated. Wages - Administration was lower than planned because we had a position open, Maintenance was about right, as was Dockmaster. Wages for the Pool were low due to maintenance issues closing the pool for two weeks and reduced lifeguard hours. The pool repair was the biggest unplanned expense. Insurances, Utilities, and the Banner costs went up. Due to projects being on hold we have money left. There is still money left for Rec Hall and Marina projects to finish up. B. Greenberg asked about EPA testing costs and what is included in Property Insurance. Marina Insurance is separate. Jenny had some questions reference accounting procedures showing money for the new year showing up in last years numbers. M. Woodruff made a **motion to approve the report. B. Baxter Seconded. Motion Passed 7 to 1. B. Greenberg voted no.**

District Office Manager's Report - Gia announced the passing of our employee, Austin Dunn, Thursday of last week. Donations for the family are being collected. Woodchopper's building has to be tented for termites. Pool hours are adjusting for daylight savings time. There is an overall problem with finding lifeguards. Richards Plumbing advised that we need a leak detection done for under the pool. Per S. Watkins request a cost for clay for the ball field was obtained. Randy has advised that a Drag Net will be needed for putting down the clay. Total cost (clay \$892.10 and Net \$180.00) will be about \$1,072.09.

Due to the County vote November 2, Policy and Procedures Committee, Personnel and Salaries Committee, House and Grounds, and Banner and Communications Committee, will meet at 7: p.m. Wednesday November 3rd. No Marina meeting. Previous estimates for the Pool Plumbing replacement without problems under the pool was

\$70,000.00. Simone Peters was welcomed to the meeting by M. Raymer. S. Watkins made a **motion to approve up to \$1,400.00 for the purchase of clay and the drag net. B. Baxter Seconded. Motion Passed, Unanimously.**

Board of Trustees Appointment - Three potential appointees to the Board of Trustees were asked to speak about themselves to the Board. Dan Smith spoke first, Keely Brown second, and Kyle Weatherly spoke third. Each prospective appointee spoke about their background, qualifications, and experience. Each answered questions from the Board and others present at the meeting. The three candidates were asked to step out of the meeting while the Board considered who to appoint. They departed to the screen room. Discussion ensued. It was pointed out that in addition to this appointment, next January another appointment will be available. A poll of the board was taken with all except M. Woodruff and T. Zimmerly in favor of appointing one of the candidates at this meeting. M. Raymer called for a vote to appoint Kyle Weatherly to seat number one. Result of vote, six in favor, S. Watkins and M. Woodruff were opposed. The candidates were brought back into the meeting and Kyle Weatherly was welcomed to the Board.

Committee Reports

Recreation Committee - B. Baxter reported that there will be no November committee meeting, The next meeting will be first Tuesday in December at 8:00 p.m. B. Baxter made a **motion to spend \$150.00 for a portable AED and First Aid Kit for the outdoor sports. M. Woodruff Seconded. Motion Passed, Unanimously.**

Marina Committee - T. Zimmerly stated that the dual Dockmasters are working well but to be legal both needed to be hired. **Motion to hire both Jose Alicea and Jose Alicea Senior as Dockmaster at no additional cost to the District. B. Susdorf**

The Board voted unanimously to hire Chad Saunders as Office Assistant. T. Zimmerly made a motion to hire a part-time maintenance position. B. Baxter Seconded. S. Watkins stated that when we advertise the position it needs to state that there would be a background check. Motion Passed, Unanimously.**

MANATEE MATTERS WITH COMMISSIONER MISTY SERVIA

The 2021 Reboot with a Cheese Flan

The 2021 holidays are shaping up to feel “normal”, and the best way to appreciate “normal” is to live without it for a while. Nothing like living through a pandemic to put things in perspective

I'd like to share a special family recipe that we enjoy during the holidays – Flan de Queso (Cheese Flan).

My husband's Cuban family has taught me so many delicious ways of sharing the warmth and love of the season, and I hope if this recipe finds its way to your table, that it will bring the same joy to you.

Flan de Queso

Ingredients:

$\frac{3}{4}$ C sugar
4 large eggs
3 slices white bread, crusts removed
1 (14 oz) can sweetened condensed milk
1 (8 oz) carton mascarpone cheese
1 C evaporated milk
 $\frac{2}{3}$ C water
3 tbs melted butter
1 tsp vanilla extract

Sprinkle sugar in a heavy skillet and cook over medium heat, stirring constantly with a wooden spoon, until sugar melts and turns light brown. Quickly pour hot caramel into a 9" round cake pan, tilting to coat bottom; set aside. It will harden and crack.

Combine all remaining ingredients in a blender and process just until smooth - pour custard over the caramel in cake pan. Cover the cake pan with foil, place in a large shallow pan, and add hot water to the shallow pan - to a depth of 1".

Bake at 350 degrees for 1 hour and 10 min. Center should be slightly liquid - flan will finish cooking as it cools.

Remove flan from water bath; cool and refrigerate overnight.

Loosen edges of flan with a rubber spatula and invert flan onto a rimmed serving plate, letting caramel sauce drizzle over the top.

Enjoy our return to normal and share a little love with your friends and neighbors.

Misty Servia is a Manatee County Commissioner representing District 4. You can reach her at misty.servia@mymanatee.org
