### Board of Trustees Vacancy

The Board of Trustees has a vacancy for a Board Trustee. If you are motivated and want to make a difference in your community, please forward a letter of interest to [office@bayshoregardens.org](mailto:office@bayshoregardens.org) or feel free to stop in the office and introduce yourself. There will also be five (5) board members terms expiring in December, 2019. Trustees are elected for 4 year terms and take office at the first board meeting following the election.

## BACK TO SCHOOL BASH: SWIM PARTY

Join us for a day of fun, games, music and food at the Bayshore Pool on Saturday, August 10<sup>th</sup> 11 am to 3 pm.

### Manatee County Updates

The county advised on July 9<sup>th</sup> that the temporary bypass on the Florida Blvd. bridge should be removed in approximately two weeks after the completion of the new line and it is in service.

**ADU ZONING:** The Accessory Dwelling Unit proposed zoning discussed at a Board meeting by Commissioner Misty Servia, has had no further action by the Manatee County Commissioners. The County staff was directed to work on amending verbiage to bring back to the Board of Commissioners at a later time. A date for subsequent discussion has not been set.

### Approved By The Board

A Special Meeting was held on July 26, 2019 by the Board of Trustees to approve the Marina Project, slated to begin on October 1, 2019. This will include dredging of the marina basin and canal along with new finger piers and dock.

The BOT also overwhelmingly approved the hall renovation. This project will begin August 5<sup>th</sup> through October 28<sup>th</sup>.

Let the improvements begin!

## The Bayshore Banner is Going Digital!

More pictures!

Accessible anywhere!

No more cluttered driveways!

Snowbirds & owners of rental units can keep up with District happenings!

Over the next three months the Banner will be transitioning over to a newsletter format that will

be emailed to you. Look for clip boards in the office, at the pool and at District meetings and events to sign up. You will also be able to read it on our website or download it to print. If you prefer a hard copy, please contact the office with your name and address or complete the information at the bottom of this page and take it to the office. Hard copies will be delivered to you.

Please add me to the list of people who want to receive hard copies of the Banner. The below will need to be dropped off at the district office or please call 941-755-1912 and they will take down your information so you can continue receiving a hard copy of your Banner via mail.

# It's a Beautiful Thing

Summer is here, kids are out of school. The pool and the new and improved boat ramp are open. Other projects are ongoing on the District Property.

Your Neighborhood Watch needs volunteers to lock the beach access gate (gas cards will be provided). Volunteers for block captains are also needed and they are responsible for watching the homes on your street. Remember: see something, say something. My number is 941-755-9388. I'm available 24/7. We all work together, easy peasy.

The Yacht Club is having a pool party in August, please join us. You do not need a boat to join the

Yacht Club.

Join the Woodchoppers Club and have 24/7 access to tools for all your DIY projects.

Make sure you check the calendar in the Banner for all the club's activities and times. All are welcome!

Great news the Banner may go digital in the near future. No more paper in your driveway! You can already read your Banner on the District's Official Website at [www.bayshoregardens.org](http://www.bayshoregardens.org). What do you think?

It's a Beautiful Thing. Dan 941-755-9388

## CERT (Community Emergency Response Team)

Sponsored by FEMA and a part of Homeland Security  
A 501 (C) 3 Organization - "Neighbors helping Neighbors"

Hurricane season is here. Are you prepared? Have you read your Hurricane Guide and prepared to evacuate if you are instructed? Visit our website [www.cert-te.org](http://www.cert-te.org) for information that you will need should we be in the path of a hurricane.

If evacuation is ordered, please leave. When the winds reach 40 mph, emergency vehicles will be taken off the roads and we will be on our own. Our physical location on the water makes us more vulnerable to storm surges. Shelter information and evacuation routes will be available on our website. We have been distributing the Hurricane Guides; if you have not received yours, let us know by using the "contact us" at the phone number below. We still have four months of hurricane

season: be prepared, be alert, and ready to execute your evacuation plan.

In September, Manatee County will put on another CERT training class. There is no charge for this class. Call 941-752-7421 to register. The class will be held on Monday nights.

We are planning another CERT sponsored "Stop the Bleeding Class" (1 1/2 hour class) in January. This class was well received by those attending and we invite the community to participate in future classes. The class is limited to 100 at a time. We will need registration for this class by December 15, 2019. Please call 941-752-7421 to attend.

# Neighborhood Watch

Meetings are always the 2nd Tuesday of each month at 7 pm in the recreation hall. We approved bylaws and a mission statement at our last meeting. We also revised the gas allowance for volunteers to lock the Beach Access Gate.

New home programs by Manatee County Sheriff Crime Prevention are ready to be implemented. Come to the next meeting for more information and tacos for everyone. See something, say something. Dan 941-755-9388

## STAN SMITH'S TENNIS CLASS

**DIFFICULT VOLLEYS**

High and low volleys are tough shots. On high volleys, don't break your wrist as you reach up to make contact. Keep your wrist firm.

On low volleys, make sure you keep the head of your racket above your wrist and open the racket face. This means you will have to bend your knees to get down to low balls. Don't take the lazy way out and just stick your racket down. Bend your knees!

## BAYSHORE GARDENS PARK AND RECREATION DISTRICT BOARD OF TRUSTEES

### BAYSHORE GARDENS BOARD OF TRUSTEES MEETING MINUTES JULY 16, 2019

Trustees in attendance were: Belle Baxter, Barbara Susdorf, Jim Frost, Dan Rawlinson, Terry Zimmerly, Sandy McCarthy, and Sharon Denson.

A quorum was established.

Others in attendance were Jodie Lawman, District Manager; and residents Allan Riga, Barbara Greensburg, Katey Chmiel and Charlie McCarthy.

Jim stated that it was brought to his attention that the removal of Steve Watkins from the Secretary position at the last Board meeting on June 18, 2019 was not done properly. Until he researches this procedure, Steve will remain Secretary until proper procedure is determined. Sandy, who was appointed Secretary, was advised that she does not currently hold that position until a determination can be made.

The minutes of June 18, 2019 and May 21, 2019 were approved.

**Treasurer's Report:** Sandy asked Terry why there is a negative number on line 4150 in the Profit and Loss Statement? Terry stated this was due to refunds given when people remove their boat from the marina.

The financials for June 2019 were approved. Jim stated that going forward he would like to create a finance committee to include a reserve fund for our aging infrastructure.

**Committee Reports:** The Recreation Committee is the only one that had a report. Belle Baxter advised the Board that the June 29<sup>th</sup> picnic went well and all in attendance appeared to have a good time with food selling and kids having fun on the bounce house and games. The investment in the games and prizes can be used for other District events.

Belle also reported that the swim team has had a successful year and the kids are so anxious they are ready to sign up for next year. Jennette Sparrow has done a wonderful job at building the swim team and the children love her.

The swim team banquet will be held in the recreation hall on Friday, August 6<sup>th</sup> at 6 pm. There was discussion about free swim lessons and an article appearing in the Banner advising to come to the office for registration and details. Belle stated that nothing was in place for the office to begin registration. Sharon stated that the Board approved the swim lessons so she assumed something was already in place. There was a miscommunication regarding the swim lessons and details still need to be worked out. Dan Rawlinson praised the parents of the swimmers and applauds them for their involvement and cooperation.

**Trustee Resignation:** Jim Frost stated that he received a letter of resignation from Jim Couey who has resigned from his board seat. The opening on the board will be advertised in the Banner. If interested, you may send a letter of intent to the office and it will be forwarded to the Board for review.

**District Manager Report:** Jodie advised the Board that out of four delinquent boats in the marina, two have been sold, leaving the District with two.

With the assistance of Jim Frost, the office has obtained a new copier at a better price than the existing one. The current lease is up in August.

Jodie let the Board know that the office has had some issues with the Clubs reserving the hall and then cancelling one week before the event. This has resulted in

lost revenue to the District for hall rentals which were denied due to the club occupying a time/date. She believes that better advertising of club events will boost club attendance events and stated that the office will assist in advertising in the bulletin boards, Banner and on the website. Jim would like to schedule a time to meet with the clubs and go over proper procedures..

Jodie introduced the Board to a Public Records Policy which was created by the State of Florida Comptrollers office and used by every Clerk of Court's office in the State of Florida. This policy is in depth with the statute and case law and even itemizes items exempt from a public records request. The office is using this policy as guidance for Public Records requests and procedure is in place with a log noting all the details of a request and compliance. Jim advised that the Board will need to review the Public Records Policy and approve it.

It was noted that the SBA (small boat area) has had another break-in. Jodie advised the Board that the office highly encourages each boat owner to lock their vessel to the stands, as placement in the reserved area is at your own risk.

Jodie discussed the lack of communication with clubs and committees and requested that when something is put in the Banner referring residents to the office for information and/or sign up that the office please be advised in advance so that they are prepared and can do what is expected of them.

It was also brought to the attention of the committees that we are a tax- exempt organization and when making purchases on behalf of the District they can obtain a copy of the Tax Exempt Certificate from the office to avoid paying sales tax and save the District money.

Jodie requested Board permission for overtime for a maintenance man to be here on Saturday and Sunday when the lift is rented to fix lights in the marina and grounds. By renting the lift on a Friday, the District incurs a one day rental fee with return on Monday. This gives us basically 2 free days at \$303 per day. Maintenance overtime for \$16 hours is still cheaper than \$303 per day. Board approved the overtime.

**Marina Bids:** The sealed bids for the marina dredging and replacement of the finger piers, docks and fishing pier were opened. Below is an itemized list of the sealed bids. Some bidders only do dredging; some only docks. This explains the discrepancy in pricing.

**Black rap around the pools and galvanized bolts will be included.**

### **BID TABULATION SHEET**

**Contracting Public Authority:** Bayshore Gardens Park and Recreation District

**Project Name:** Bayshore Gardens Marina

**Bid Date:** 7/16/2019    **Project Number:** 7162019

### **List of the Bidding Contractors Total Bid Amount**

Duncan Seawall, Dock & Boat Lift, LLC.	800,613
Gator Dredging	645,750
Kelly Brothers Inc	1,215,995
Marine Contracting Group, Inc.	769,640
Midcoast Marine Group, LLC	535,000
Quality Marine Construction, Inc.	409,550
Tampa Bay Marine, Inc.	588,265
Custom Build Maine Construction	2,399,920
Earth Tech. Enterprises	922,498

Above bids have multiple options available to them. Some bids include all work, some were a la carte and were added together for totals.

The bids will be reviewed by the Marina Committee and narrowed to three. Someone asked if they must take the lowest bid? There is no obligation to take the

lowest bid. Jim stated that as a Board we can choose anything and although it may be the lowest, they can come in with a lot of change orders which will increase the initial price. He further stated that whomever is chosen by the Board will have a cap on change orders. The dredging cost will go up because they were relying on a 2016 survey. We know the cubic yards of sludge to be removed has increased. The District will get a new survey and have a survey done after the dredging. The cost for 2 surveys was approved by the Board for \$10,000.

**Pool Area Requests:** The lifeguards have asked the Board for speakers in the pool area to play music during operation hours and a baby changing station in the restroom. The motion was passed to purchase and place a baby changing station in the restroom not to exceed \$300. The speakers will be tabled until next month. Research needs to be done determining if background music is permitted in the pool area.

**Hall Remodel:** Jim stated he had a copy of the hall plans is anyone would like to see them. He stated the remodel job will be going out for bid. New windows are included in the bid which will be energy efficient. The shutters will be removed once the hurricane reinforced windows are in place. The scope of work includes: installing two new exterior doors, updating the bathrooms, new ceiling and moving the gas furnaces from the ceiling to the floor level. He will let the Board know when the bids come in.

**Policies:** Sharon stated there are two policies that have been discussed at committee. Policy 1010R has one change, item 14 which previously stated "no food or alcoholic beverages in the pool area. The change is "no food or alcohol beverages on the upper pool deck area." Sharon made a motion to correct the pool rules. Motion passed.

The second policy to be amended is the Banner Policy #1017P. The changes are the number of Banners to be printed. It will now state a minimum of 1400 and a maximum of 2000 and it can be decided by the Board Chair. The motion passed unanimously.

Jim made a motion to do away with the Banner all together and go digital. It will run its course the next three months. Those who still want the Banner can provide the office with their email address to receive it digitally. That way our out of town residents can receive the emailed Banner and keep up on District news/events. The Banner will still be available on the District's website. Those who would like a paper copy can contact the office with their address and it will be mailed to them. This will eliminate Banners sitting in driveways, unopened and unread. The Banner going digital was passed by the majority of the Board.

Meeting was adjourned at 9:00 pm.

# Minute with the Manager

The District office is currently working on a bulk email system for notification of emergencies and events for the community. This is a great communication tool to keep residents in touch with current events, pool closure due to weather conditions or an emergency that affects our area. We would like to request email addresses from all our residents for this purpose. There will be sign-up sheets located in the office, library and pool area. In the alternative, you may also send an email to [office@bayshoregardens.org](mailto:office@bayshoregardens.org). Please note in the subject line "EMAIL" and include your name, street address and email. This will help streamline notices and keep residents up to date on issues that affect our District.

## 5 DIY Projects for Active Summer Fun

With school out for the summer, it can be tempting to sit back, relax, and just enjoy a little downtime. However, when fall swings around, you'll need a few good summer stories to share. These five fun DIY projects will get your family moving and might be just what you need to create some precious memories to share.

### 1. Build an obstacle course.

Obstacle courses can be constructed from a variety of items you have scattered around the house and are easily scalable for any age group. Create crawling tubes from cardboard boxes or old tires, balance beams from 2x4s, or stepping stones out of sawn off tree trunks. The only limit is your own imagination. Just remember to be safe!

### 2. Create your own version of active games

If an obstacle course isn't the right activity for you and your family, try building your own version of other popular games. Indoor skeeball with laundry

baskets and a box, water balloon batting practice, and paper airplane target practice are just a few ideas for activities that can get your family moving!

### 3. Start a garden.

There are many different ways to start a garden - till some soil, build a raised bed, build or buy some planters - and many options to make it your own. Do you want ornamental plants or would you prefer more edible options? When you actually plant will also affect what plants will do the best for your family. Take a trip up to the local garden center and talk to someone. They should be able to point you in the right direction for your garden.

### 4. Make a family menu.

It's easier to eat healthy when you plan ahead! Make a family menu board to pre-plan your meals each week and set up a cooking rotation that gives everyone a chance to pitch in with meal creation! To get the most from your menu board, make it easy to use over and over again. A chalkboard, white board, or even a picture frame with a class panel would work well. You'll also want to display your menu board in an easily accessible location, like the kitchen.

### 5. Make outdoor activities more accessible.

It's easy to let your bikes, basketballs, roller skates, and other outdoor items drift to the back of the garage over the winter months. Take time this summer to dig them all out and organize them for easy access. Consider designating a shelf or mounting a peg board specifically for your outdoor activities so you and the kids don't have to dig for what you need.

## 3 Ways to Build Equity

Equity is the money you make from owning your home. It can be determined by subtracting the amount of principal you owe on your mortgage from your home's value. When home prices rise, most homeowners gain equity. These three strategies reduce your mortgage principal, granting you an equity boost in your home.

### 1. Maximize your down payment.

Low down payment options make homeownership accessible for many families who can't afford 20% down. But just because you're approved for a 3% down payment loan doesn't mean you can't put down 5%, 10%, or 15%. A larger down payment helps you build equity faster and could end up saving you thousands of dollars in interest over the course of your mortgage.

### 2. Take out a shorter mortgage.

Most homeowners choose a 30 year mortgage to keep their monthly payments low. However, you'll typically pay less interest and gain equity more quickly with a 15 year mortgage, making it a better overall investment. Also, just like the down payment, if you can't go from a 30 year all the way down to a 15 year term, try 20 or 25 years instead.

### 3. Prepay your mortgage.

A lot can happen over the course of a 15 or 30 year mortgage. When your family earns raises or promotions that increase your income, funnel that money into your mortgage payments. Any extra money you put towards your home can go directly into your principal payment and reduce the overall interest you pay on your home. It will also lower the debt on your credit report and help build equity in your home.

## Recreation Committee

**Picnic** – We didn't have as many people attending as we had hoped, but everyone who was there had a good time. Thanks to all the volunteers, District staff who made this day possible. If you missed the music by members of our Monday Night Jam Session; the hot dogs, pizza & nachos; the bounce house & water slide; and an early rain out; be sure to check our Facebook page – Bayshore Gardens Park & Recreation Committee – and the District web site for upcoming events and the date for next year's picnic.

**Swim Team** – The Bayshore Gardens Dolphins had a great initial season. Thanks again to volunteer coach Jeanette Sparrow for all her hard work, and to the parents and residents who supported the team.

The awards banquet will be held on August 2. Keep swimming Dolphins!

**Swimming Lessons** – As noted in the last Banner, the District is offering free swimming lessons to residents. If you're interested you can sign up with Laine at the pool or in the office.

**Bayshore Gardens night at Bradenton Marauders** – A fun evening of baseball, raffles and fireworks is being offered to the residents. Marauder's customer appreciation night is August

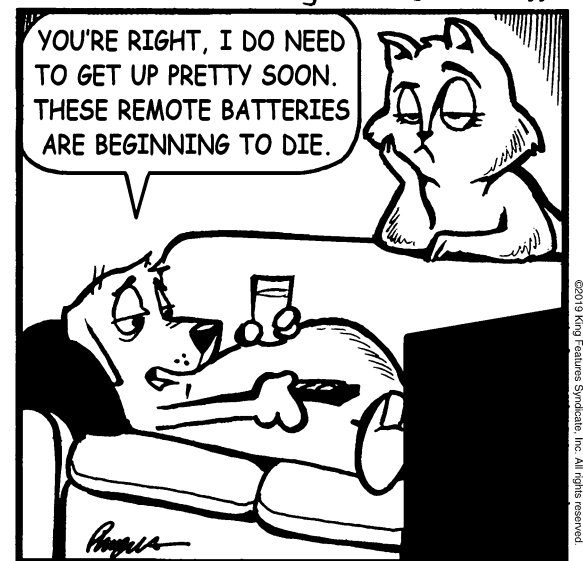

24th. Included in a \$10 ticket is an official Marauder's hat, a free soda or bottled water, five raffles for prizes such as TVs, I Pads, bikes, gift cards and other great prizes. Our group will also be seated under the cover, behind home plate, recognized during the game and allowed on the outfield grass to watch the fireworks. Please go to <https://groupmatics.events/event/Bayshoregardens2> to order your tickets. This is a great family friendly event and a chance to get to know your neighbors.

**Zumba is coming in the Fall!** If you are interested in participating, please email Belle Baxter at [bsgbot09abb@gmail.com](mailto:bsgbot09abb@gmail.com) and let us know if you would attend Tuesdays or Saturday at 10 am.

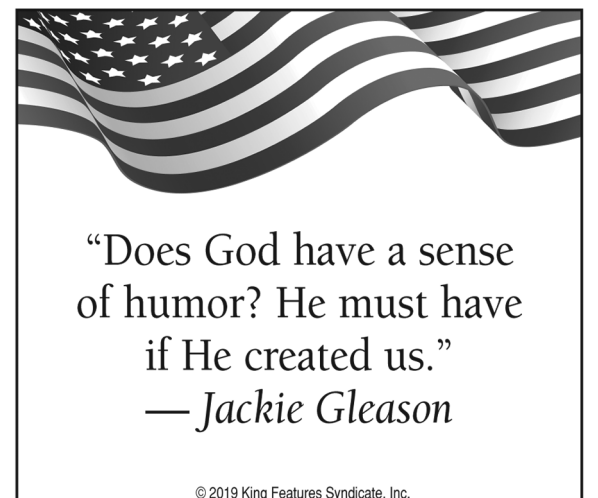

Other fall events to look forward to are an adult pool party with music by the Monday Night Jammers in September and a Family Movie night in the park in October.

Be sure to check out page 1. The Banner will be going digital in November and needs your email address. Please look for clip boards in the office and at district meetings & events to sign up. If you prefer a hard copy, please contact the office with your name and address, complete the information on page, or you will be able to download a copy from our website and print it.

# Neighborhood Watch Meeting Minutes

## Bayshore Gardens Neighborhood Watch (BSG NW) June 2019

Date: 6/11/2019

Place: Bayshore Gardens Recreation Center

Time: 7:00 pm

**Attendance:** Dan Rawlinson, Jim Couey, Terry Zimmerly, Susan Donaldson, Frank Young, Marie Young, Rhonda Ruff, Sharon Denson, Allan Riga and Barbara Greenberg.

Meeting called to order at 7 pm

**Call to Order:** at 7 pm by Dan Rawlinson

Pledge of Allegiance

**Treasurer:** Motion by Dan to move funds into a new account for Neighborhood Watch, second by Susan, approve by all.

**Secretary:** Susan reports that the minutes written from the meeting on 5/14/2019 did not get published in the Banner. Susan will try to get them

posted on the Bayshore Gardens website.

### New Business:

BSG NW is in need of more gate closers. Anyone interested, please see one of the officers.

**Banner delivery:** BSG NW has withdrawn interest in delivery of the Banner. A local family has offered to take over this job.

**Fundraiser ideas:** hot dog night, ice cream sundaes, celebrate 40 years of neighborhood watch, spaghetti dinners.

BSG NW plans to man a table at the June 29<sup>th</sup> picnic in efforts to get volunteers. Help to man the table is needed. We plan to try to obtain brochures from MSO crime prevention unit.

BSG NW would like to establish Block Captains on streets in Bayshore Gardens. Suggestion to go to homes and meet the neighbors in groups of 2 or more. Members can also distribute brochures from the MSO crime prevention unit.

Discussion about the Attic Sale held twice a year by the former Crime Watch. Discussion about the amount of work to continue the duty. Perhaps we can combine with another Bayshore group to split the work. Discussion tabled for future meeting.

Discussion about how to energize the community: Advertise the New Neighborhood Watch in the Banner and on the Bayshore Gardens Nextdoor website.

Adjournment: 7:40 pm

BSG NW welcomes anyone to join the Neighborhood Watch for their meetings. Meetings are usually held the second Tuesday of each month during season, at 7 pm, at our Recreation Center Board Room.

Next meeting will be on July 9, 2019 at 7 pm.

*Respectfully submitted,  
Susan Donaldson*

## Bayshore Gardens Neighborhood Watch (BSG NW) July 2019

Date: 7/9/2019

Place: Bayshore Gardens Recreation Center

Time: 7:00 pm

**Attendance:** Dan Rawlinson, Jim Couey, Susan Donaldson, Harold Donaldson, Sharon Denson, Allan Riga and Barbara Greenberg.

Call to Order: at 7:00 pm by Dan Rawlinson

Pledge of Allegiance

**Secretary:** Susan reports that the minutes written from the meeting on 5/14/2019 were published in the Banner, but the Minutes from June meeting were not published. Secretary will submit the minutes for June and July for the August Banner.

**Treasurer:** Balance of funds noted by Dan Rawlinson, who will put the funds into a local Bank as soon as able.

### Old Business:

Loss of funding: banner delivery and gate closing funds will be lost in near future r/t different options available.

Gas card to reimburse gate closers: motion by Dan to decrease from the current \$20 to \$10 per week of closings. Second by Susan, approve by all.

There are several brand new Crime Watch shirts available. Discussion of using old crime watch shirts since they are unused. General consensus of group was to use the shirts that are available since they are new.

Review of Crime Watch radios to see if they work and evaluate if they can serve our purpose, or if another type of radio would be a better option.

### New Business:

New Program, new direction: See Something, Say Something.

Block Captains—BSG NW would like to encourage neighbors to have events on their roads to get neighbors to know one another and to find block captains. Considerations would be hot dogs

and lemonade, or ice cream and have neighbors bring their own bowls or cones.

Manatee County Neighborhood Watch—all are encouraged to read this site so we can use it to enhance our own program. Things the county offers: engrave bicycles, bike registration, and even engraving options for adult items.

Discussion on snacks or food offerings at meetings since some members come to the meeting straight from work.

The Attic Sales that Crime Watch previously sponsored is scheduled for October and March. Discussion of continuing to sponsor the Attic Sales as a fundraiser option. Advised of need for at least 10 persons to assist in it. There is about 60 tables to offer to vendors. CERT will be sponsoring an attic sale in January and February.

Adjournment: 8:40 pm

BSG NW welcomes anyone to join the Neighborhood Watch for their meetings. Meetings are usually held the second Tuesday of each month during season, at 7 pm, at our Recreation Center Board Room.

Next meeting will be on August 13, 2019 at 7 pm.

*Respectfully submitted,*

## County Gearing Up To Install 3 New Lift Station Pumps!

The planning is only in the beginning stages ... and Bayshore Gardens residents should be aware of developments on the County proposal to replace the failing lift station, add 2 more pumps, and streamline the entire system. Replacing this station has to happen--there's no getting around it.

July 3rd, Board Committee night, a team from the County headed by Jeff Goodwin, Deputy Director County Utilities, met with Trustees to give us an idea of what they may be proposing.

We saw visuals and were told a 100' x 100', by 6' high fence would enclose the lift stations. They said the station is supposed to be practically odor free due to new technology, low noise, and low visibility except for a tower and (now) larger generator for power failure.

THIS MATTER IS going to need a lot of consideration; from the county, their engineers, from the Board and most importantly, from YOU, the residents who support the park.

The County is engaging an outside engineering firm to design this system. One scenario is to improve on the current location if possible.

One proposed location is the NE corner of the ball field: We measured 100' x 100' at the corner and found the east side is only 63' to the WATER; that it takes up 1/3 of the ball field length (from the oak trees), and over 1/2 of the width! (The current station is 67 feet to the water)

This would be in plain sight of at least 12 to 18 homes or more with NO fences; the District Rec. Hall, the boaters, our residents and children going to and from the Rec. Center for activities. Note: Our park IS well attended.

An "industrial" looking installation would be right in the middle of everything, in plain site.

Would this be conducive to a nice environment for family life-style; any life-style, in a residential neighborhood? Would it block out a class marina?

This scenario would cause our ball field to be defunct and limit choices of what we could do with it in the future. It could well be a real eyesore if County maintenance and complete concealment is not carried out. (Witness County maintenance at the current station.)

Questions arise: What about the easement granted to the County by the District many years ago? Will they look into better utilizing that area? IF the new pumps and needed equipment, tanks, utilities are engineered according to what the County promises, this would be a relief to the 3 homes closest to the current pump now--no odor, no noise, no noisy trucks when break-downs occur and (maybe) not the eyesore it is now.

WHY is a space of 10,000 square feet needed to house 3 pumps — each accompanied by big underground tanks? Why can't they be lined up in sequence and serviced from one side like it has been for (60? ) years?

And if the station has a low profile as stated; is landscaped to completely conceal fences, the adjacent residents may not need their fences to block out any ugliness (that now exist); no odor, minimal noise and have better air-flow into their yards. This will occur IF the new system is all that is now being promised.

The proposed ball field position was found to be no further from the water than the current station; which was one of the County's big reason' for moving it.

Another question is would having a big enclosure be conducive to keeping big equipment and vehicles inside?

They are looking for every option that could work. It's not unheard of to have a great idea just pop up "from someone in the crowd". What do you, the residents, say?

OUR PARK IS OUR "FRONT YARD" and we're proud of it. We pay to keep it beautiful and working to our benefit. We're renovating our marina, a big ticket item--one of our "show pieces". Why hide it?

Email your Board, email your County officials, COME TO BOARD MEETINGS. This may be an emotional issue for some of us, BUT keep it business-like and you have a better chance of being heard and getting responses.

Let's see some of that Bayshore grit!

## How to Meet Your New Neighbors

Moving into a new home is a lot of work. There's furniture to move, boxes to unpack, utilities and services to turn on, and on top of all that, you have new neighbors to meet. But even with all the work going on, getting to know your neighbors doesn't have to be stressful. Here are three easy ways to reach out to your new neighbors.

### 1. Seize the moment!

The longer you put off meeting your neighbors, the more awkward things will be. Take a break after unloading your moving truck and before unpacking your boxes to introduce yourself.

### 2. Ask them some questions.

When you knock on your neighbor's door, what do you say? Aside from explaining that you just moved in and wanted to introduce

yourself, consider asking a bit about the neighborhood. If you've relocated into the area, you can ask about the city or even the state. What nearby comedy clubs or theaters do they recommend? Is there a DMV nearby? What restaurants deliver to your neighborhood?

### 3. Host a housewarming party.

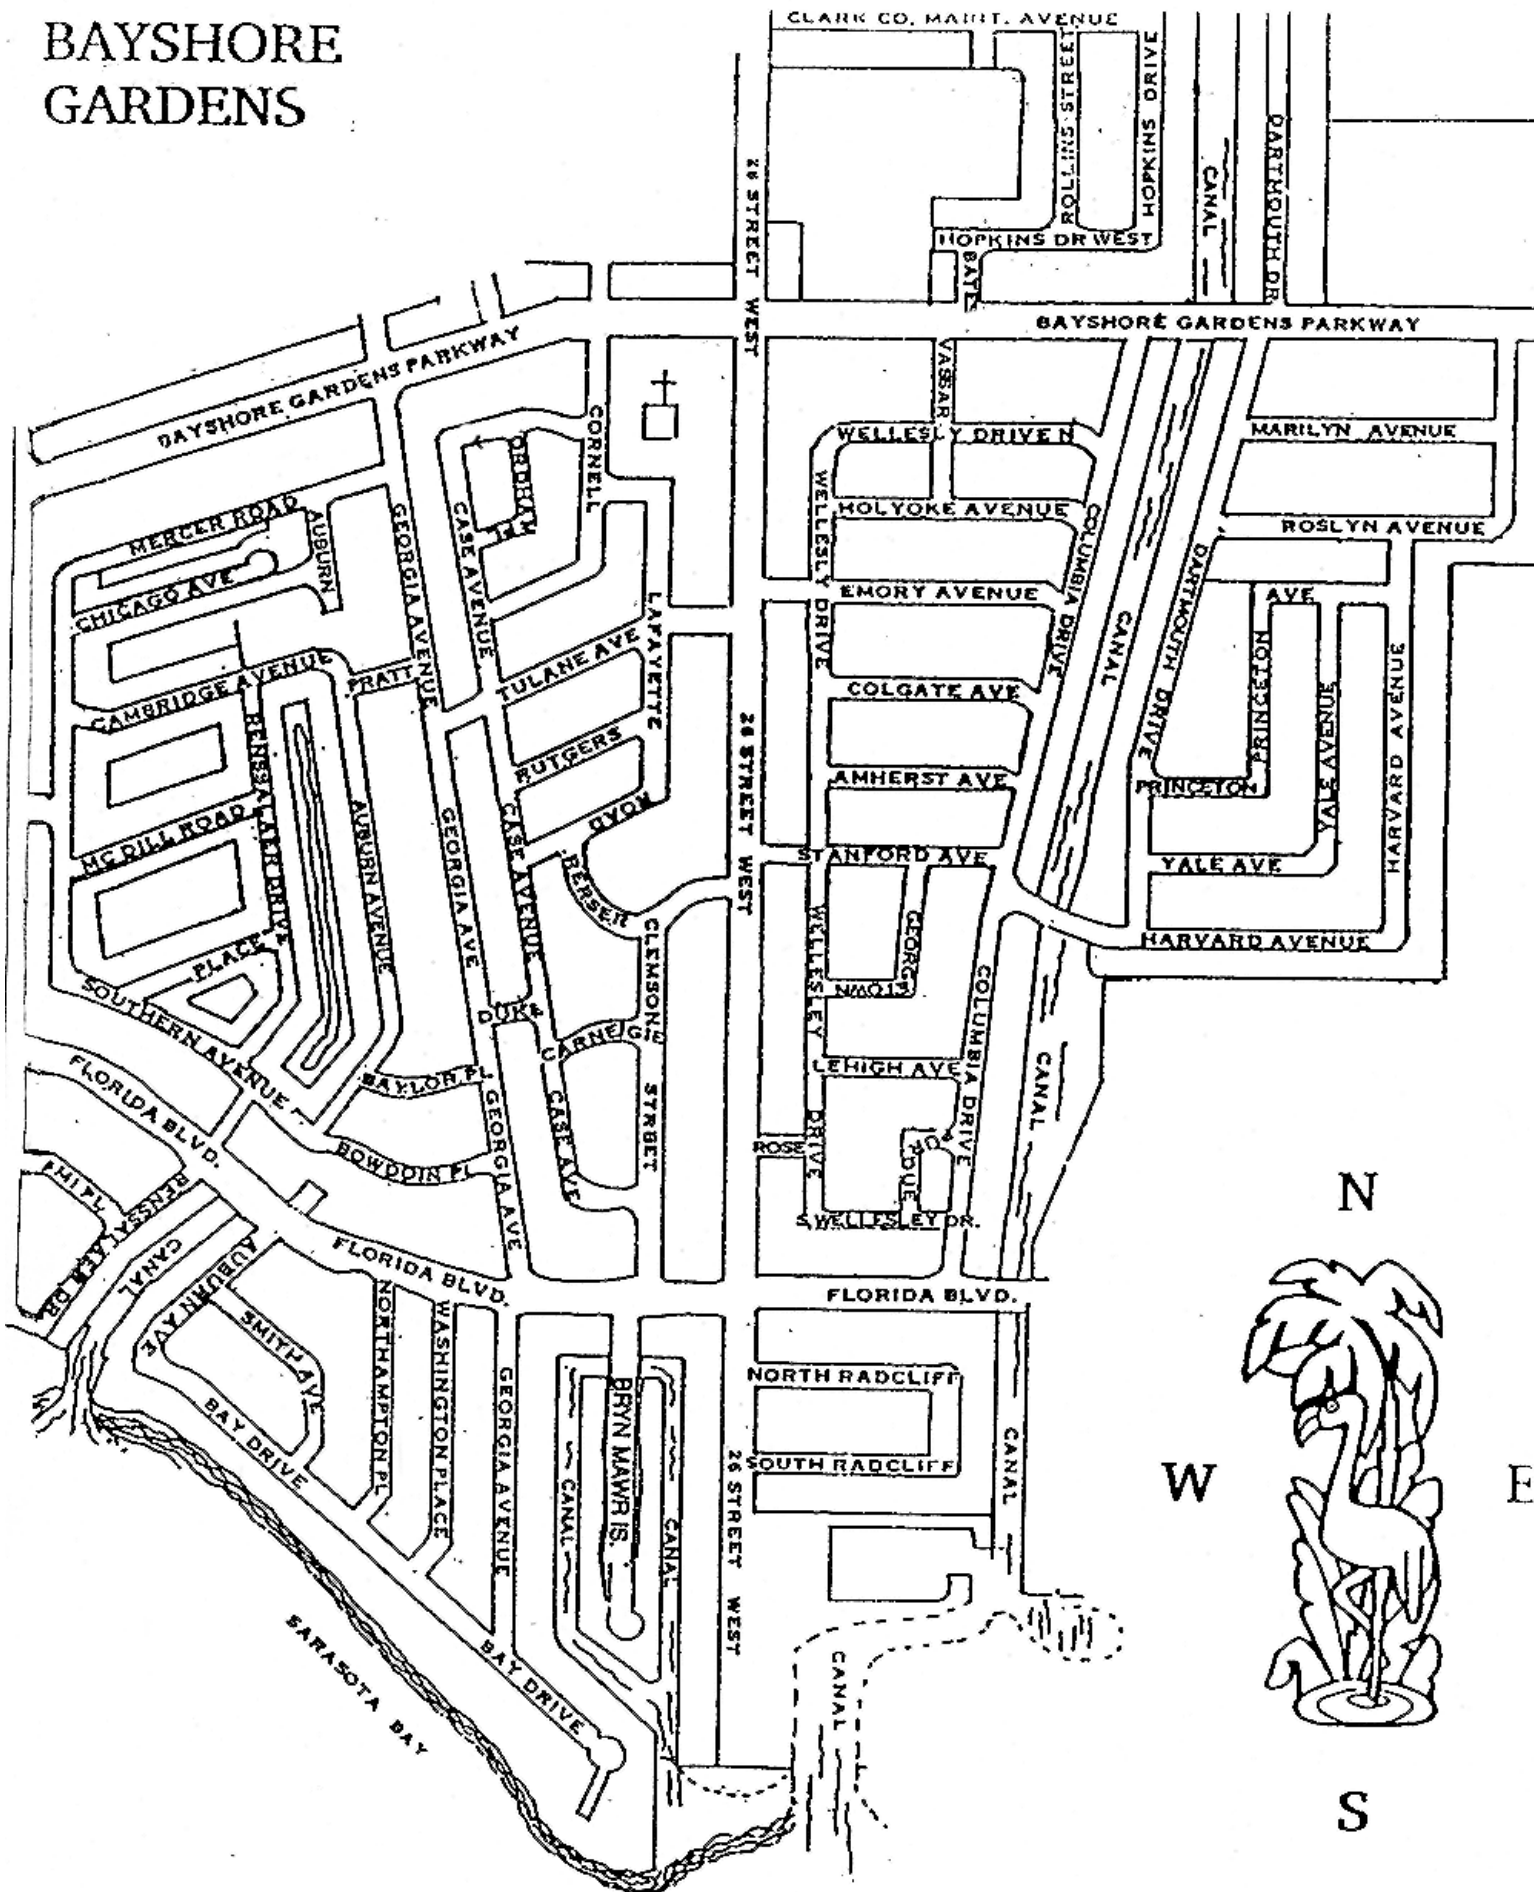

If you're new to the neighborhood but have ties in the general area, consider hosting a housewarming party. You can invite your friends and family as well as your new neighbors. It will be a great excuse to knock on their door. And when they show up, you can start building new friendships with them.

Before you meet your new neighbors, you have to find your new home. If you or someone you know is looking to make a move, let me know! I can answer questions about the area and help you find your family's perfect fit!

## Dear Heloise - Helpful Hints

Dear Heloise: It's hot in most parts of the country now, and the temperature inside a car is much hotter than that—it's deadly. What should you do if you come across a dog in a hot car when out and about?

People for the Ethical Treatment of Animals (PETA.org) has these hints:

1. Snap a picture or write down the license plate and make of the vehicle.
2. Tell the manager of the store or property. Have him page the owner.
3. Wait by the car and check on the dog.
4. When the owner comes out, politely but firmly tell the person about the dangers of leaving a dog

in a hot car.

5. If the owner is a no-show, call 911. Let the police assist the dog.

—Mary R. in Indiana

Thanks, Mary. Don't be fooled by a car parked in the shade or with the windows cracked open. Those measures do little to lower the temperature inside the car.—Heloise

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

## GO FIGURE!

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

IT'S VACATION TIME!

In the grid on the left, there's room for six words pertaining to summer vacations. They all end with "ING." There is a dark frame around one of the columns in our grid. If you correctly solve the puzzle, the letters in the frame, top to bottom, will tell you what you have to do a lot of before you go on vacation.

These six hints will help you fill in the puzzle grid:

- What you might do at a dude ranch.
- A good way to spend the day at the shore.
- A good way to study bats.
- This is a real leg builder.
- Something you can't help doing at the beach.
- One way of negotiating a price.

Answers: 1. Lassoing 2. Boating 3. Caving 4. Hiking 5. Tanning 6. Haggling The dark frame column spells "Saving"
