

**Bayshore Gardens Park & Recreation District
Recreation Committee Meeting Minutes
Tuesday; September 7, 2021 @ 8:00PM**

The meeting was called to order at 8:05 pm by Chair Belle Baxter

Attending were members – Rose Woodruff, Jeanette Sparrow and Brian Murphy. Also attending was Marcus

The main topic for discussion was to see if there was an alternate venue, outside of the pool fence, for the sprinkle park. Committee members agreed they were against this idea from the beginning

- Questions had been put to Trustee Greenberg which had never been answered or not answered satisfactorily
- Why would a parent go through the process of packing up a family, or just the little one to go to the park area when they could create the same thing in their yard?
- Parents are happy to have more family-oriented activities such as the drop in volleyball.

While not on the agenda the committee discussed softball. Jeanette Sparrow will facilitate and hopes to start the first Saturday in October. Her daughter's softball team is getting new bats and balls and Jeanette is looking to get the old ones.

Rose commented she is happy with the direction the committee is going.

The meeting was adjourned at 8:26 pm

The next meeting will be held on Tuesday October 5 at 8 PM
