It's a Beautiful Thing

The holidays are coming and maybe cooler weather.

Planned events are

- Halloween bonfire,
- Oktoberfest,
- HOA breakfast, always second Saturday 9 to 11.
- Thanksgiving dinner at only \$12 a person. Make sure you have your ticket.

Folks have been asking about a fundraising attic sale we are looking for a date at the first of the year 2023.

The hall rentals are what help us to keep our assessment low.

Our community pride is showing more homes and

great repairs due to more ownership, and maybe less rentals.

Also folks were asking about a list of churches in our area. The District cannot do this as we are a government and there's a thing called church and state. However a group of homeowners could form a club, qualify with the Office and they could list and manage the churches that want to participate.

As you know your Neighborhood Watch is now part of the Homeowners Association. Membership in these groups costs only \$10 a year for all of the events and happenings.

REMEMBER – please watch out for your neighbors and if you see something say something. Manatee County Sheriffs 941-747-3011 extension 2260.

Talk to you next month Dan 941-755-9388 anytime.

Good news for trees!

In order to remove a residential tree, it must be inspected by a certified arborist and classified as "diseased" or "dangerous." This revision to statewide legislation comes on the heels of input from the arboricultural industry and concerned citizens. If you are curious to learn more about tree removal on private property and the recently updated Florida Tree Law, see this website: <https://www.floridaisa.org/th-e-ethics-of-arboriculture/>
