Announcements:

BOAT RAMP CLOSURE STARTS APRIL 8, 2019

We have received the start date from the contractor for the installation of the new boat ramp. Beginning April 8th, no access will be granted to the ramp. The projected closing will be through July 19, 2018. Kelly Brothers, Inc. will be on-site Monday through Friday and Saturdays, if needed. Please do not access this area during this time frame for your safety. We appreciate the understanding and cooperation of our residents while we work to improve the District property. If you need to remove your trailer or boat, please do so on the prior weekend.

Swim Team!

Swim team sign-ups were held on March 25th and March 29th from 5:00 pm to 7:00 pm in the pool breezeway. There is **NO COST** for Bayshore residents to participate in swim team this year. The Board of Trustees has made swim team a District sponsored event. We are excited to have Jeannette Sparrow coach the **Bayshore Dolphins** and look forward to a successful year. If you missed sign-up dates, you may stop in the office to sign up.

Are You Motivated?

Bayshore Gardens Park & Recreation District has an opening for a Board Trustee and is seeking an individual who wants to make a difference in their community. Meetings are held the third Tuesday of each month, work sessions are held monthly and attendance is required at the annual budget meeting. If interested, please send a letter of interest to office@bayshoregardens.org telling the Board why you are the perfect fit and how your involvement will help better our community. We are seeking individuals who can commit talents, time and new ideas. Please bring your innovative ideas to implement along with suggestions to get our community members more involved!

Bayshore Banner Disclosure

The Bayshore Banner is the monthly legal journal of the Bayshore Gardens Park & Recreation District, an independent district established by the Florida legislature. Additionally, we publish articles, opinions and advertisements of interest to the community.

Phone number and address must accompany submissions. Unless otherwise arranged, the submission deadline is the 15th of the month for articles, meeting reports and opinion/letters to the editor. Club meeting info must be submitted by the 20th. Ads must be submitted by the 15th in order to guarantee publication. All letters to the editor and opinion letters will be kept to 250 words or less.

Banner content is not meant to reflect the views of the District, a non-partisan and politically neutral state entity. The Banner reserves the right to edit or decline any submission. The Banner is not financially responsible for typos or other errors. Online proof copies are available for those wanting to check their submissions prior to publication.

Write to: The Bayshore Banner, 6919 26th St. W., Bradenton, FL 34207, FAX: 739-3515, email: office@bayshoregardens.org, or Phone: 755-1912.

“Flare” From The Chair

Your Board of Trustees have been hard at work checking things off our “to do” list. We are working on having our facilities ADA compliant. Anyone who has tried to get into the rec center the usual way has experienced the inconvenience of construction. It is a necessary part of operating the District. Now our residents, who are wheelchair and walker dependent, can easily open the door to the rec center without the fear of the sloped landing. Soon, we will have a pool lift and other required equipment to assist our residents who need specialized equipment.

The rebuilding of the boat ramp is scheduled to start the by the 15th of April. We are finalizing the details to put the marina out for bids. The Recreation Center is in the final engineering stage before bids start on that renovation.

I know you are all anxious to get to the pool since the weather is so nice. In order to open we must meet three criteria. 1. The water temperature must be 70 degrees. (That one should be accomplished soon). 2. All the maintenance projects must be finished. This one is iffy right now. The leaking pipe under the pool deck was discovered while the filters were being changed in anticipation of opening the pool. It is serious and right now there is no completion date. The new surfacing is being applied to the breezeway as I write this. 3. We

must have pool supervision. The Board had changed the policy to one lifeguard per shift, and a pool attendant in an effort to keep the pool open longer hours. This one is also iffy right now as we are not receiving applications for either position and we have advertising to get personnel since November and nobody is applying for the positions. The Board has voted to raise the pay scale to attract more applicants, but the pool cannot open without proper supervision. The teenagers we once relied upon, don't seem to want summer jobs. Pool attendants will only need to be strong swimmers to start, and if the applicant has CPR and first-aid training, he/she will be started at a higher pay rate. The Pool attendant will be supervised by the lifeguard on duty. If any resident is interested in a position, please call the office. The shifts will be three or four hours long. Please be assured that we are working hard to get the pool open as soon as possible, and for as many hours per day as possible.

There are two conditions under which the pool cannot be open after achieving 1 thru 3 above. 1. The pool must be closed at dusk (½ hour before sunset) and may not reopen until 1/2 hour after sunrise 2. The pool must be evacuated when a storm approaches (and ½ hour after if any lightning is observed in the area).

It's a Beautiful Thing

Spring has sprung and some crows are crowing! New sidewalks along Harvard to Roslyn Ave. Safety for all persons, but please remember to use lights, arm bands or white clothing after dark. Next!! How do we get street lighting?

Calling all pickleballers, we have courts, equipment and start up supplies.

New and forthcoming ADA improvements to the hall ramp, pool, marina, and hall improvements.

What does Crime Watch do? We are the eyes and ears for Manatee County Sheriff deputies. Any questions or to volunteer, please call Dan at 941-755-9388 or text Crime Watch 941-447-7202. Remember the park gate closes at sunset. It's a beautiful thing.

Bayshore Gardens Bunco Club

Next Gathering is Wednesday April 24 at 7 pm

It's always a fun evening when we gather for our monthly Bunco Games. The game involves 3 dice and everyone is encouraged to at least keep them on the table.

During the evening we move from table to table so we have the opportunity to “catch up” with everyone's latest news.

Winners at our games on January 23 were: Most

Buncos: Char; High Games: Rosemarie; Low Games: Marie and Last Bunco: Rose.

Winners at our games on February 27 were: Most Buncos: Matilde; High Games: Janet.; Low Games: Joyce and Last Bunco: Rose.

Our Hostess in April will be Matilde and Thelma will be our Prize Hostess.

Join us for an interesting evening out.

ATTENTION! ATTENTION!

This is to announce Restore Bayshore is joining BGNA/HOA as a Committee

We will still try to address Bayshore Gardens infrastructure issues.

New members are always welcome to join the team.

Our meetings are held on the second Thursday of the month at the Recreation Center at 7 pm.

ALL are welcome!!

CERT (Community Emergency Response Team) Sponsored by FEMA and a part of Homeland Security A 501 (C) 3 Organization “Neighbors helping Neighbors”

Our goal for April is to recertify all of our team with First Aid and CPR. The American Heart Association certification must be renewed every two years for each member. The money we raised in our Attic Sale held here, in Bayshore Gardens will be used in part to pay for this certification. Thank you to our generous community.

Community C.E.R.T. organizations must have a sponsor, and that sponsor must be one of the following, a County, Police agency or Fire Dept. Individual communities such as ours cannot certify a team, we must be a part of one of the three to be certified. The training we all receive is the same nationwide and our credentials are honored everywhere. Many C.E.R.T. members were asked to deploy to the panhandle for Hurricane Michael and were recognized for their service.

Your C.E.R.T organizations and other communities C.E.R.T. programs participate in quarterly meetings with Emergency Management, Fire Departments and the Sheriff's Department.

The meetings create a good working relationship with all First Responders, and the opportunity to learn new procedures from the other First Responders.

Our C.E.R.T. is a local organization whose members are trained in First Aid, CPR, search and rescue, and more. Our training is provided by Manatee County under the direction of Homeland Security and we are classified with the first responders. C.E.R.T. is a part of the Manatee County Emergency Disaster Plan. We self-activate in an emergency to serve the public until help arrives. We are trained to survive and assist our neighbors for the first 72 hours.

We know our communities and where the most vulnerable are. We are just getting started here and need volunteers. Manatee County will sponsor another C.E.R.T. class in August. The classes fill up quickly; early registration should insure a spot in the class.

If you have questions about the organization please feel free to call, Sharon 941-752-7421 or email originaltr@cs.com. Manatee County certification is required to join our organization.

Minute with the Manager

The history of Bayshore Gardens started in 1955 when three real estate developers purchased 3.6 square miles of land from the owners. At the time, this was one of the largest developments in Manatee County. In 1979 Bayshore Gardens Park & Recreation District became a Special Taxing District, created by the Florida Legislature. As an independent Special Taxing District, the Board of nine Trustees governs the District and allocates the annual tax assessments for the maintenance of the District's common elements and recreational activities.

This distinction is often confused with a Homeowner's Association. We do have a **voluntary** Homeowner's Association which residents may join for \$10 a year. Our Homeowner's Association does not have the authority to levy a lien against a taxpayer's property nor can they cite a homeowner for property condition. We are not a deed restricted community. This power falls under Manatee County Code Enforcement who can impose a fine for not keeping a property to code standards. The annual assessment that we all pay as homeowners within the Bayshore Gardens District appears on the tax statement issued by the Manatee County Tax Collector and is noted under the non-ad valorem portion of the tax bill. Non-ad valorem assessments are based on the value or benefit to the property. Whereas, ad-valorem taxes are based on the assessed value of the real estate, which is determined by the property appraiser's office.

The Bayshore Gardens annual assessment is currently \$367.00 and is charged to each homeowner in the District. The office receives calls requesting to opt out of paying the annual assessment fee. This is not an option. When one purchases within the community, this assessment is due and payable within the real estate taxes whether the homeowner utilizes the common elements or not.

The homeowner is eligible for resident rates in the marina, recreation and screen porch rentals by virtue of residency. When selling your Bayshore

Gardens home, the community amenities add value to your home. Having direct access to Sarasota Bay with no fixed bridges is viewed as contributory value and will demand a higher price in the market place versus a home without these amenities.

As residents, we all benefit from the amenities we have to offer. In the upcoming year, you will see your tax assessment being used to update the facilities. Slated first is the boat ramp. This project is in the hands of the contractor and as of this writing we are waiting on confirmation of a start date. The ramp will be widened by 2 feet along with an ADA dock installed. Thereafter, the dredging of the marina and finger piers will follow. A much needed and overdue project. The RFP is being prepared and will be ready to send out for bids. As we confirm these dates, the community will be notified by website posting, signs on the property and Bayshore Banner. Although we will experience an inconvenience during these major projects, the end result will be worth it.

Keep an eye on the Banner and the website for upcoming details and schedules of improvements.

Garden Club News

The April meeting is Thursday, April 4th at 1:30 pm for a guided tour of the Marietta Museum of Art & Whimsy (aka Whimsical Museum) in Sarasota at 2121 N. Tamiami Trail. We will meet in the parking lot of the Recreation Center at 1 pm in order to carpool.

There is a \$5 per person charge for the guided tour given by the owner of the property. Cash or check only, no credit cards.

The museum is on the right going south on Tamiami toward downtown Sarasota. There are 2 additional museum parking lots, north at 2229 North Tamiami Trail with the entrance on 22nd Street and south at 2005 North Tamiami Trail with the entrance on Sylvan Drive.

There were 19 present at the March meeting. Business discussed:

- The sign-up sheet for programs still has openings for May, October, and November that need to be finalized for publication in the club guide prepared by Joyce Fisher.

- The Bayshore Gardens Easter Egg Hunt is April 20th and volunteers are needed to stuff eggs on April 17th.

- A donation to the Ewenity Farm Herding Dog Rescue was approved.

"April showers bring May flowers" is a reminder that even the most unpleasant of things, in this case the heavy rains of April, can bring about very enjoyable things indeed -- even an abundance of flowers in May.

"April showers bring May flowers" is also a lesson in patience, and one that remains valid to this day.

The program was Container Gardening presented by our own Rosemarie Woodruff. Container gardening can be used on a lanai, garden or flower bed, patio, or porch. The types of containers are plastic, metal, ceramic, and terracotta.

There is potting soil for the yard or flower bed and there is potting soil container mix. Use plants of like mind regarding light and water in the same container. Also judge how far down the roots go so the plants are not too crowded. Check new plants daily to determine how to adjust. It is recommended that there be a maximum of 3 plants per container.

Other tidbits that were shared was to plant vegetables at the opposite end of the garden from flowers. A plastic container can absorb sun. Items that can be used in the bottom of a container for drainage are crushed soda cans, Styrofoam peanuts, or crushed plastic.

Rosemarie provided an article in the March 2019 Bayshore Banner titled "Easy Container Plants for Decks, Patios, and Lanais" as a reference for her program. She supplemented her presentation with a beautiful container garden she had received, and examples of a container, the correct potting soil container mix, and plants that could go in the container. Thanks to Rosemarie for an informative presentation.

The Garden Bug **Common Horsetail**

Horsetail herb is often treated as a weed and destroyed. But it has been around since ancient times, and has been prepared as a juice, tea or tincture for many maladies such as ulcers, wounds, and kidney problems. It grows in wetlands in the temperate climate zones of the Northern Hemisphere, including Asia, North America, and Europe. Its ancestors grew as tall as trees in prehistoric times. - Brenda Weaver

AVOIDING DANGER Many crime victims are the result of being in the wrong place at the wrong time. But there are ways you can avoid being in a dangerous situation. Know the way out should the need arise. Thinking ahead could save your life. Also, avoid isolated areas. If no one is around, no one can help. Finally, your intuition and senses are your best line of defense. If something doesn't feel right avoid it. **BE AWARE, AND BE SAFE.**

Easter Eggs: According to some sources, the Easter bunny first arrived in America in the 1700s with German immigrants who settled in Pennsylvania. Their children made nests in which this creature could lay its colored eggs. Decorating eggs for Easter is a tradition that dates back to at least the 13th century, according to some sources. One explanation for this custom is that eggs were formerly a forbidden food during the Lenten season, so people would paint and decorate them to mark the end of the period of penance and fasting, then eat them on Easter as a celebration.

ATTENTION!!! ATTENTION!!!
Bayshore Gardens HOA is pleased to announce Restore Bayshore as a new committee for HOA. We plan to continue to work on some of the ideas that Restore Bayshore has started. Please join HOA to help with these efforts.

during the year. Joyce has ideas. Please come and share yours.

Think of doing a fundraiser by making Bayshore Gardens drink holders and sell them.

Restore Bayshore made a pamphlet to promote the community. Discussion about making copies of the pamphlet to provide to realtors and/or prospective buyers in Bayshore Gardens. Suzanna will bring the pamphlet to our next HOA meeting so all can view it.

HOA welcomes anyone to join the HOA for their meetings. Meetings are usually held the second Thursday of each month during season, at 7 pm, at our Recreation Center Board Room.

Next meeting will be on April 11, 2019 at 7 pm.

Meeting adjourned at 8:10 pm

Respectfully submitted, Susan Donaldson

Recreation Committee News

Help! Help! Help!

The Bayshore Gardens Recreation Committee needs your help. We want to know what recreational activities you would like to be offered to the Community.

A survey has been created and is included in this month's Banner. Please complete it and return it to the office. When the results are compiled they will be published in the Banner, on our Facebook page and on the website www.bayshoregardens.org.

Our annual assessment provides funds for activities and facilities that benefit the community. We cannot overstate the importance of your input. We want to provide the things that you want. All you need to do is to complete the survey and get it to the office. We will take it from there.

Pickle Ball Update

A pickleball set has been purchased for use by our residents. Check our Facebook page, Bayshore Gardens Recreation Committee for more information.

Swim Team

The good news is that Bayshore Gardens will have a swim team this summer. Even better news is that it will be free to children ages 6-17 who live in the District. Jeanette Sparrow is the new coach of the *Bayshore Dolphins*. Children who want to join the team from outside the District are welcome, but will pay a fee of \$50.00.

The swim team offers many benefits to our children including structure, lifeguard supervision, exercise, competition, and socialization.

Sign-up begins March 25th. The first practice will be May 1st. Meets will be Saturday mornings.

Happy Birthday America Celebration

June 29, 2019 11:00-3:00

We are busy planning a rip roarin' party for our residents to celebrate the Nation's Birthday (a little early). There will be food, games, inflatables, live music, a DJ, and pool activities for one and all.

We are in the early stages of planning at this time. We will keep you updated in the *Bayshore Banner*, on our Facebook page and on our website, www.bayshoregardens.org. Mark the date on your calendar. Let's make this a true community event.

Paint Night

We are planning an art event in early May. It will be an evening of fun and art instruction from a professional. Supplies will be available for purchase at the event. Just bring yourself and a beverage of choice. Residents and non-residents are welcome.

Recreation Committee Agenda

March 4, 2019 at the District Recreation Hall

1. Call to order
- Swim Team – Jeanette Sparrow
2. Discuss specifics for picnic
3. Get a date for paint night
4. Activities for kids (maybe an extension of picnic)
- Discuss "Paid Instructors" & other items not included on agenda
5. Adjourn

Neighborhood Oak Trees in Manatee County

By Peggy Connolly, Master Gardener Intern 2018

On your next walk, pause and take note of the trees that surround you. If you live in an older or perhaps even a newer neighborhood in the county, chances are one of the trees is an oak (*Quercus* spp.). There are several hundred oak species in the United States; twenty-four are found in Florida, but only a few are common to Manatee County.

The most dominant in the county is the live oak (*Q. virginiana*). This tree got its name for retaining its green leaves until after the following year's new leaves appear.

This tree has one of the broadest spreads of all oaks, making it majestic in our landscapes. It can reach 40 to 60 feet in height, but its spread can stretch out 60 to 100 feet. The trunk is very short and has deep rough ridges and grooves. Leaves are leathery green and tend to have a rolled look.

This tree is prized for its disease and pest-free hardiness, long life, shade cover, hurricane and salt resistance, and ability to thrive in urban settings, including areas with compact soil and drought conditions. If that weren't enough, consider that it is a great home to many epiphytic plants and wildlife.

Some maintenance issues with live oaks include pruning, which must be done every year in the first three years to properly develop trunk and branch structure. Then, the pruning can taper to every five years to age thirty and then as needed. Roots are known to lift sidewalks and driveways.

In the past, the live oak was designated as the canopy street tree in the land development code of Manatee County. Due to the potential size, it is now only recommended for lots greater than sixty feet wide. Smaller street trees or shrubs are now suggested.

The laurel oak (*Q. laurifolia*) is another oak with a strong presence in Manatee County. This tree is considered medium-sized: it often grows as tall as the live oak but does not have the broad spread. It has a rounded symmetrical top and its leaves tend to be narrower and longer than the live oak. Leaves are lustrous green in color with a yellow mid-rib. Unlike the live oak, this tree loses its leaves in early spring and can remain bare for several weeks until new leaf buds break.

Gardeners and landscapers recommend the laurel oak for its fast growth and shady dense canopy.

This oak can tolerate wet conditions but only with good drainage. Drawbacks include a shortened life due to rot, starting from the inside, at about 50 years of age. Symptoms are not seen until it is too late to save the tree. The laurel oak does not grow well in alkaline soil, and its roots also tend to lift sidewalks and driveways.

There are other oak species with a limited presence in Manatee County. These include the sand live oak (*Q. germinata*), myrtle oak (*Q. myrtifolia*), Chapman oak (*Q. chapmanii*) and the sand laurel oak (*Q. hemisphaerica*). These oaks vary in the environmental sites they enjoy. For example, the sand laurel oak prefers a dry upland site, while its sister the laurel oak can thrive in wet conditions.

Look for young seedlings at local native landscape nurseries, and consider planting an oak on April 26 for Arbor Day. Call the Manatee County Extension Office and ask for assistance regarding which oak tree would be best for your landscape. Don't forget to have your soil tested for best results.

In Memorium: John Lamb

John David Lamb, 58, of Bradenton, Florida, passed away March 1, 2019, at Sarasota Memorial Hospital. He was born Oct. 5, 1960, in Kokomo, Indiana, to Stan and Connie Lamb. John graduated from Haworth High School in 1979. He received his bachelor's degree in 1983 from Indiana University, where he developed a passion for IU basketball. He also always loved the Cincinnati Reds, especially watching the team when it was based in Florida for spring training. John's career was in the insurance industry, including at State Farm and Tim Downey Insurance in Kokomo. He spent the past 23 years in Florida with Service Insurance Co., where he was senior underwriter. John treasured his many lifelong friendships. He especially enjoyed fishing in the Sarasota Bay with his dad, and spending time with family.

Thank you for your Board service.

Dear Heloise: Helpful Household Hints

Dear Heloise: How can I clean my woodwork without breaking the bank?
Nina A., Jupiter, Fla.

Nina A.: Mix 1 part white vinegar with 2 parts water. Using a clean sponge, dip into the water/vinegar solution, wring out the excess water and wipe the woodwork. Dry the woodwork, then polish with a clean cloth.

Dear Heloise: How can I get that sticky goo from plants off my pruners?
Irene M., Ionia, Mich.

Irene M.: Spray your pruning shears with vegetable oil spray before use, and the goo will slide off.

Dear Readers: Here are some new uses for cotton balls:

- Soak a cotton ball in rubbing alcohol and gently dab an ink spot on your clothing. Allow it to air-dry, then dry-clean or wash the garment.
- Got long fingernails? Stuff one or two cotton balls into the fingers of a rubber glove before cleaning to prevent puncturing the glove.
- Soak cotton balls in white vinegar, and place on water spots on your chrome fixtures.

Dear Heloise: I have finished filling out my medical power of attorney/advance directives. The forms say to give a copy to your doctor and the hospital. Since my husband and I have several doctors who are affiliated with different hospitals, how do I know which doctors to give copies to?

Julianna F. in Houston

Dear Julianna: Very good question indeed. It sounds as if you are getting important paperwork in order. Your family will appreciate your effort when this paperwork is needed. The simple (worrisome) answer is: All of your doctors should have one, just in case. Any health-care professional you feel might attend you if you are hospitalized should have one, as well as your legal representative, family members, caregivers or friends whom you trust.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

◆◆◆ HOO BOY!

AN ITEM YOU CAN'T GET RID OF! Can you spot two boomerangs that are exactly alike?

Answer: Two and eight.

AN INTERESTING WORD! There is a five-letter word that contains an additional five words within itself, without moving any of the letters around. You have two minutes to find it. This should be easy since I've already told you the answer.

Answer: The word "THERE." The words are: THE, HERE, HER, HE, ERE.

LET'S 'MARCH' OUT OF WINTER WITH THIS PUZZLE! In the word square below, find the four five-letter words that match the following definitions. All words used must read the same, both across and down.

- Comes in like a lion (MARCH, in place).
- Hello and goodbye.
- Something grand, or stately.
- Monks, not the Monkeys, do it.
- Stops forward motion.

WORD ART, NOT OP ART!

Can you paint a perfect word picture by correctly identifying the seven words listed? Each contains the word "ART." Add the following hints to your word palette:

- To move suddenly.
- Columbus could have used one.
- To go away from.
- A self-important newcomer.
- Used to sell vegetables years ago.
- One who is needlessly troubled.
- A term of endearment.

Answers: 1. Dart. 2. Depart. 3. Depart. 4. Upstart. 5. Pushcart. 6. Worrywart. 7. Sweetheart.
