**IMPORTANT REMINDER**

# ***Free Event***

## **BAYSHORE GARDENS FAMILY FUN AND BBQ SUNDAY, SEPTEMBER 4TH AT 5PM-8PM**

Casual social gathering of neighbors and friends for a traditional Labor Day BBQ of hot dogs & hamburgers and some family fun.

### **POOL PROGRESS**

#### ***Why is the pool closed?***

The pool is closed for a complete re-plumbing and to bring the pool current to today's code requirements – Redoing the inside surface with new PebbleCrete, new tile, lights and updated steps and ladders,

#### ***Why wasn't this taken care of during the winter?***

There were delays on both ends and by the time the contract was signed by both parties (contractor and Board of Trustees) it was the end of June and the contractors started the work at the end of July.

#### ***I heard there might be something wrong with how the contractor was hired, is this true?***

The Board voted the pool renovation as an emergency project and with only one company that was available to do the scope of work and that was licensed and insured that the Board has covered themselves and the residents of the District from any legal issues.

#### ***What has been done so far?***

The pool has been completely drained and the top layer of PebbleCrete (about an inch to an inch and a half) has been removed and disposed of from the entire pool. All of the surrounding tile has been removed and disposed of. The entire pool surface is getting prepped and ready for the new top layer of PebbleCrete to be applied.

#### ***Is the Board required to have the residents' permission/approval to spend this money to repair the pool?***

It is the Board's fiduciary responsibility to maintain the District grounds and this includes the swimming pool. The pool is original (about 60 years old) and the Board tried repairing the leaks with patch jobs, but in the end, it was financially responsible for the Board to make the needed repairs and cheaper if it was all done at once instead of in stages (which would have taken longer and cost the District more money). Per the Bayshore Garden's Charter and our attorney's opinion after reading the Charter the 2/3 vote and referendum requirement only applies to the acquisition of real or tangible personal property by the District. Since we are not changing the layout or moving the pool to a different location, the Board is completely in its rights to maintain the pool (what is already there without adding anything now or additional) without approval or permission from the residents.

# WOODCHOPPERS CLUB

We are still in Summer Break from meetings, but the work goes on. Our next Meeting is Saturday, October 8th, 2022, at 10 AM in the Shop. Please mark your calendars.

The piping along the east ceiling for the vacuum system has progressed. The pipes were dry fitted. Thanks to the hard work of Harold Donaldson. A Work Shop may be announced to 'glue' them together. Watch for a notice (post cards or emails).

We are requesting and receiving input: "How long can an unfinished project be kept in the Shop?" There is no 'time limit' mentioned in the ByLaws. This issue will be on the October Meeting agenda.

The proposed Tool Maintenance Program will be discussed at our October Meeting. It could include the AC units (filters), Air cleaner (filters), Table saw (sawdust removal), Shop vacuum (emptying) and other things.

We are looking for a professional blade sharpener for saw blades.

Instruction on a piece of equipment can be set by appointment. Officers' phone numbers are on the front window. If there is any problem with a tool, please notify an officer and leave a note/tag on the tool. Tags are in the metal cabinet along the north wall. Use safety equipment when using any power tool. Shop users are required to Sign-in at the door and clean up after using the Shop.

2022 Memberships are available at the Recreation Center Office during their regular hours and expire in January.

Please keep an eye out for Work Shop notifications in the Banner, emails, and by post card.

# It's a Beautiful Thing

Summer is almost over! Did you do anything exciting like road trips, picnics, or camping? Did you remember to tell the ones that you love what they mean to you every day? If you haven't it's never too late to do so.

Our Florida Fall season is coming and hopefully it will bring some cooler weather.

Make sure you are checking the District's Website, Facebook page and the Banner for upcoming events like Line Dance Lessons, Potlucks, Breakfasts, Brunches, and other fun events for you and your family.

The Bayshore Gardens HOA hosted a successful "Meet the Candidates" night for District 4 and District 6 (At Large), It was a success with over 60 people in attendance and they found out the great opportunities for the future for Manatee County. Kudus are in order for Gwen Norris and Suzanna Young for marketing, Dan Rawlinson and Melanie Woodruff for organizing the event and Debbie Korell and Bob King for moderating the meeting.

If you are not receiving your Banners by mail or via email, call me and I'll put you on the path to enlightenment.

It's a beautiful thing. Dan 941-755-9388.
