The 60th Commodore Takes the Helm at Bayshore Gardens Yacht Club

Adam Hange became the 60th Commodore in the annual Change of Watch Ceremony, January 13 at the Bayshore Gardens Rec. Center.

Boardwalk Baby and husband on the saxophone whose repertoire included many favorite, popular songs.

This historic ceremony has continued unchanged for 60 years. In keeping with this custom, preced-

At pauses, drawings were held for fun prizes. A young couple who were obviously accomplished

Commodore Hange and Vice Commodore, Tung Nguyen (on second "tour")

ing the installation of the new bridge, the outgoing Commodore, Bill Mueller thanked his 2017 officers for their outstanding teamwork and contribution after which they "were relieved of duty".

Officiated by a Past Commodore, Vic Kasparian, the following 2018 officers were sworn in to duty: Adam Hange as Commodore, Tung Nguyen as Vice Commodore; Geri Klemm as Rear Commodore; Dan Rawlinson as Fleet Captain; Robin Addley (who could not be present) as Secretary; Sue Brasel as Treasurer; Becky Prouty as Director; and Terri Zimmerly as Director.

After a (very) brief speech, Adam presented to Bill and Terri, a beautiful, inscribed crystal 'sail' for their continuous dedication and contributions this past year as well as the past 10 years. Terri was also presented with a lovely bouquet of flowers by Adam.

The Yacht Club, one of Bayshore Gardens' longest running organizations, is also one of constant activity and sport.

Prior to the ceremony, a delicious buffet was enjoyed by 75 diners-come-dancers. 2017 Fleet Captains, Becky and Bill Wyatt, with help, decorated and set up the Hall and food with help from the whole crew. Dan Rawlinson and Steve Watkins saw to it that food was kept going and other behind-the-scenes assistance.

Dancing followed to the dulcet tunes of

ballroom dancers, were enjoyable to watch. It was learned they were sailors in California but now working in Florida (and maybe new members?) Several times the floor became more crowded with line dancing.

The Bayshore Gardens Yacht Club welcomes anyone who likes to spend outdoors time boating—sail or power—or who just like good company and a good time. And, there's always need for crew. This next year, as always, will be packed

with regattas, after sail parties, cruises, activities and interesting, potluck meetings. potluck meetings with interesting programs.

The next big event will be the 60th Anniversary celebration. This is also their favorite time to invite new members aboard, or just to have people come to share in the celebrations.

Bayshore Gardens joins the water. Why not take advantage and come aboard.

BAYSHORE GARDENS PARK AND RECREATION DISTRICT BOARD OF TRUSTEES

MINUTES OF MEETING January 16, 2018

The regular meeting of the Board of Trustees of Bayshore Gardens Park and Recreation District was called to order by the Chairman Maynard Boyce at 7:00 p.m. and was followed by the Pledge of Allegiance. Notice of the meeting was posted in the December Bayshore Banner.

Roll Call: Barbara Susdorf, Sharon Denson, Steve Watkins, Dan Rawlinson, Maynard Boyce, Debbie Korell, Terry Zimmerly and Jim Couey.

A quorum was established.

Present: Jodie Lawman, Don Gassie, Suzanna Young, Richard Nelson, Alan Riga and Barbara Greensburg.

Maynard made a motion to approve the December minutes. The minutes were not available and will be at the February meeting.

Steve made a MOTION to approve the December financials, Debbie seconded. **MOTION PASSED.**

BGNA: Dan Rawlinson
There will be a Breakfast February 10th from 9 a.m. to 11 a.m., the "Breakfast of Champions" with the Board of Trustees. HOA members are free, otherwise it's \$3.00 per person. Dan reports that the first breakfast of the New Year went very well. **Next meeting will be February 8th, 2017 at 7:00 pm.**

CRIME WATCH: Steve Watkins
Steve reported we have some new deputies on patrol in our area and they are focusing on our marina. **Next meeting will be February 13th, 2017 at 7:00 pm.**

RESTORE BAYSHORE: Suzanna Young
Town Hall is Wednesday, January 17, 2018 at 7:pm. This time Susan suggested that they will track questions and answers. Susan suggested discussion about crosswalks at Florida Blvd. and 26th Street W. There is difficulty crossing at this area because cars generally will not stop for pedestrians. There is illegal parking in our lot on the paved apron adjacent to the ball field. A deputy was called and advised that this was not her jurisdiction, stating it is private property. A county map clearly depicts the area as county property. We need to find out how the county views this parking. **Next meeting will be February 12th, 2018 at 6:30 pm.**

MANAGER'S REPORT: Jodie Lawman
Jodie reported a new sign was installed to the left of the breezeway for night and weekend drop offs by residents. This will appear in the February banner with a photo and brief description of location. The office would like to offer fax, copying and notary services to our residents for a nominal fee. Letters went out to residents and non-residents who are delinquent or have expired insurance and/or registration. Policy and procedures need clarification so the office staff can work in accordance with the guidelines. The 2017 Audit is ready and will be presented at the next Board meeting on February 20th. Jodie suggested that we need a community bulletin board for surrounding communities who would like to advertise events. Three bids were presented for the pool and marina fence repair. After a brief discussion, the Board decided to award the work to Variety Fence. Dan made a motion to secure the decision, Jim seconded **MOTION PASSED.**

BUDGET & FINANCE: Terry Zimmerly
The 2018 - 2019 budget has been prepared. Discussion was held among the Board members and projections appear to be reasonable. The exterior ADA bathroom remodel was discussed with consideration for an ADA unisex bathroom near the pool area. **Next meeting will be February 14th, 2018 at 5:30 pm.**

WEB/BANNER: Jim Couey
A few setbacks but will move forward and meet with Dan and Steve. A few issues, a coupon in Banner is expired so these are issues I need to address. I will have a report at the committee meeting. **Next meeting will be February 14th, 2018 at 5:30 pm.**

MARINA: Debbie Korell
Debbie stated that marina had no business they need to address other than to schedule a special meeting. The special meeting has been scheduled for February 7th, 2018 at 7 p.m. to start revising marina rules and policies. Terry suggested that Mark be contacted for a ramp bid. Debbie stated that she will call Mark for the bid. **Next meeting will be February 14th, 2018 at 5:30 pm.**

HOUSE & GROUNDS: Steve Watkins
Steve stated that he is still processing work orders. He contacted Bradenton Discount Lock and Key to put a tumbler lock on the door in the breezeway.

Maynard suggested that we get twelve (12) keys made. The Board concurred to proceed. Terry made a Motion to use Air and Heat to replace the faulty air conditioning unit at the rec center. Debbie seconded **MOTION PASSED.** Steve mentioned that the floor under the a/c unit is deteriorating and needs to be replaced. This will need to be taken care of by our maintenance department and materials from the bathroom job can be used. **Next meeting will be February 14th, 2018 at 5:30 pm.**

PERSONNEL & SALARY: Dan Rawlinson
Maynard requested that Jodie contact Holly in reference to the design challenge with the Ringling College students. These students have been offered a prize for the winning design. **Next meeting will be February 14th, 2018 at 5:30 pm.**

OLD BUSINESS: No old business.

NEW BUSINESS:
Two candidates were present and provided oral presentations for the open position on the Board. Thom Williams provided a resume and is a resident of Bayshore. Suzanna Young is a long term resident of Bayshore and has served on the Board in the past. A vote was taken with 4 members for Thomas Williams and 3 members for Suzanna Young. Thomas was confirmed as a new Board Trustee. Maynard proposed a policy and procedure committee with Sharon Denson heading the committee. Debbie raised an issue with a Sunshine request she made and would like it addressed. The Chairman stated that this issue would be addressed at the next committee meeting. As a Board member you are privileged to this information. **Next meeting is February 20th, 2018 at 7:00 pm.**

The Annual Budget Meeting is Friday, April 28, 2018 at 7pm. We must have this meeting every year so that our homeowners can vote on the budget.

Maynard made a motion to adjourn, Jim seconded. Meeting adjourned at 10:00 pm..

Respectfully submitted

Keep up to date on what is happening in your neighborhood

Meeting Monday, January 8, was called to order at 6:33 pm.

In attendance: Jeanne Corbin, Gwen Norris, Sharon Denson, James Michael Couey Jr., Don Gassie, Holly Clouse, Suzanna Young, Candace Singletary

Treasurer, Gwen, reports we still have \$67.79 on hand which was mostly due to the Bake Sale at the last Attic Sale.. Report was approved.

Minutes were posted in January Banner. Jeanne Corbin motioned to approve and Jim Couey seconded; motion passed.

President's note: We now have 2 cabinets in hall for storage for our files and display materials.

There was no agenda planned. Tonight was to review plans for, and assemble, signs for Town Hall. However, old and new business came up.

Gwen passed out map with color codes that Ogden Clark created to show distribution of Speed Table Surveys and results. She noted that we still need more survey results. Holly reiterated Ogden's report that Samoset got the 67% they needed to get street lights, so speed tables are possible.

Everyone agreed that if Public Works sets up a temporary prototype speed table, this could, hopefully, create more public interest and understanding.

While Georgia Ave. looked strong for yes's, more are needed.

Three members tonight filled out new surveys since map did not reflect their information.

Number of signatures needed: 67% of Bayshore

Gardens population including Auburn Ave in Cambridge Village. Needed are about 500 more signatures.

Success can happen with enough volunteers.

Discussion pointed out that to make this work, face to face public encounters work better than leaving surveys on doorknobs. It was noted that we may have tentative recruits on South Dartmouth, a very high speed street. Don said there are homeowners he knows who haven't signed a survey.

Suzanna: We need to keep asking Public Works for a prototype speed table.

Suzanna pointed out residents from Florida Blvd, 26th and Dartmouth especially need to be at the Town Hall to bring forth (again) their ongoing traffic problems.

Jim had a question of lowering speed limit to 30 mph on 34th. Good question to bring to Town Hall.

Town Hall plans: Gwen and Sharon will man the sign up desk; Suzanna and Holly will be mediators; Jeanne Corbin will be overseeing that people fill in question cards for Town Hall panel, and ask group to contribute some questions or comments: Suggestions were made to bring to Town Hall: (too many to include all here)

*2 sheriffs every Friday in Target parking lot, what are they doing? Finishing paperwork and handy in case of Target shoplifters?

*Seen: Presence of a car or cars around 26th close to Bayshore Elementary after school lets out without tags.

*Recommend a lighted crosswalk Bayshore Gardens Parkway by Target, as one at Roslyn would be more dangerous.

*Can more crosswalks be painted at key intersections in Bayshore. such as: 26th/Fla. Blvd., at Dartmouth, Columbia/Harvard; and other side streets. Reason? Designated crosswalks, pedestrians have right-of-way.

*Yield-to-Pedestrians signs at major crosswalks? *We need a speed table prototype so residents can see what they are. Possibly locate one near the park where speed limit is 20 mph.

*We need more 4-way stop signs on thru streets, like Harvard and Stanford and other locations.

In addition there were street light, stop sign, security, sidewalk questions for the county.

For meeting, a timer is still needed to allow everyone opportunity to speak.

For future clarification: The need for county parking rules on 26th by ball field. Sharon presented a map showing 13 feet of the paved area is county right-of-way.

Reported: Saturday presentation at South Co. Library on history of our area was very interesting. Motion to end meeting at 8:00 and work on sign making. Gwen seconded. Motion carried.

*Submitted by
Holly Clouse, Secretary.*

Next meeting will be February 12, at 6:30 pm.

Be a sweetheart and show up!

In Memoriam: Ray Herrick

Raymon A Herrick, born Sept 8, 1931 in Lowell, Mass., passed away on 22 Dec 2017. Father Raymond Adams and Step Father Robert Herrick, Mother Vera Herrick.

Attended Shrub Oak High School in Shrub Oak, NY. Entered the U.S. Air Force in Apr 1952. Served in Korea and Japan. Honorably discharged in 1956.

Married Betty Lou Hurst on New Years Eve in 1959.

Upon his passing he left behind his wife of 58 + years, his children Alicia, Maureen, Raymon, Tonya and 10 grandchildren, 9 great grandchildren, his brother Bob and his wife Donna, sisters Carle, Dawn and Dale.

Service was held at the Sarasota National Cemetery, 9810 State Road 72, Sarasota, FL on January 22, 2018 at 1:30 pm. Celebration of life was held at the Manasota Elks Lodge in the Whitfield Shopping Plaza.

Ray was one of the original founders of the

Bayshore Gardens Crime Watch along with Dan Rawlinson and Patrick (last name unknown). Crime Watch was a family affair in Ray's household. One of his daughters filled in as radio dispatcher to the members that were on patrol, using CB radios.

Ray's mother Vera had started the very popular, at that time, Trailer Estates Crime Watch and that's where he acquired his interest to start one in Bayshore. Reminiscing about some of the fun times, Dan said that even the infamous used car salesman Tom Stimus, who's TV commercials can still be seen on YouTube, would patrol with him at night. Another member commented about the CB radios that were installed in the deputies patrol cars.

Town Hall with the County: Sponsored by Restore Bayshore

Wednesday, January 17, 60 (+) people braved our Florida winter weather to be at the Town Hall held at the Rec. Center. While temps went to early 30's that night public interests was hot at the meeting. Along with District 4 Commissioner, Robin DiSabatino were 10 more county people to share ideas and information with over 46 residents.

We had COPS well represented with five officers. The spokesman who explained what they do and explained services attending opioid addicts and County programs.

Ogden Clark, Neighborhood Services gave a synopsis of the Speed Table survey, showing that 90% of thus far 495 responses were "Yes's". He handed out color coded maps showing where these responses are located.

Debbie DeLeon, also from Neighborhood Services, offered clarifications on various issues.

Linda Noyce, Branch Manager at South County Library, described their after school program of activities for Bayshore Elementary kids. This period runs until 4:00 pm daily. She can be reached at: linda.noyce@mymanatee.org

David Breakfield, from information Services Librarian Central/ Neighborhood Services, was introduced and said a few words about the Bayshore Gardens 1955-2018 exhibit at the South County Library. David was involved in helping organize this exhibit about the history of our area which will go to other libraries. David is very interested in Bayshore's place in today's world.

This time, we will be reporting the Q & A in the Banner. Questions that could not be answered will be forwarded to Robin who will then forward to relevant County departments. Two departments, Public Works and Traffic Management, were not present but had most of the questions.

The answers will appear in the February and future Banners until all have been answered. If you missed this meeting, remember Robin still has an open door policy.

The following is a short example of the subjects addressed:

Q What is the statistical number of opioid use in Bayshore Gardens (including Whitfield)?

A The Sheriff's Office accumulates data on the entire County. There is no breakdown of areas at this time. Overdoses were down in the last year. They are trying to change the law to charge 'murder' for selling Fentanyl. Pharmacies who fill prescriptions for opioids the third time are placed in a database.

Q Traffic must yield to pedestrians when there is a dedicated crosswalk; Can pedestrian crosswalks be painted on major intersections in Bayshore Gardens as drivers just don't stop to allow kids and adults to cross?

A (this will be a send-in question.)

Q Bayshore being an older community has to fight for sidewalks and street lights and new developments get them right off. Why?

A These are being done by the builder because they are in the codes now; not an expense to county. Our community did not have these

codes when built so we will have to take other measures for those amenities.

Doug Wright, of Bayshore Community Garden, (941-758-3965) gave a short speech on their project operation and plans; which include a co-op gardens right up the street from us where you can grow food from seed to the table! dhwright007@outlook.com.

Again, check your Banner or the Bayshore Gardens website for more of the questions and eventual answers from some of our questions being sent into the County.

To allow for one-on-one discussions with our County Commissioner and many County departments, Town Halls have been held at the Bayshore Gardens Rec. Center since 2007.

Did You Know ? The February Edition

The Romans developed a 10 month calendar that began with the spring equinox in March and ended in December.

There is belief that what is now February was overlooked when this calendar was created, as winter weather had little to do with the harvest in the northern hemisphere, where Rome is located.

Romans essentially considered the winter a period of time with no distinctive months.

When the second king of Rome, Numa Pompilius, took to the throne in 713 BC, he had plans to make the calendar more accurate by synchronizing it with the actual lunar year, which is roughly 354 days long.

Thus, two new months, January and February, were added to the end of the calendar.

Both January and February had 28 days.

At the time, even numbers were considered bad

luck, and these months were not looked upon favorably by the king.

So he decided to make changes once more and added a day to January to make it 29 days long.

February was left untouched, remaining an "unlucky" month and one devoted to honoring the dead and performing rites of purification, as the word February comes from februare, which means "to purify."

February remained the last month of the year for roughly 200 years until the calendar was reevaluated and February was reassigned as the second month, with January being the start of the new year.

This new 355-day calendar simply could not stay in sync with the seasons because it did not account for the amount of time it takes the Earth to orbit the sun.

Therefore, an extra "month" of 27 days was added after Feb. 23 each year to play catch-up.

calendar solar-based, like the one Egyptians used, instead of the older lunar-based calendar.

This led to the creation of the Julian calendar. Ten days were added to the calendar year in various months, and February was increased every four years (leap year) to 29 days to coordinate the calendar year to the solar cycle of roughly 365.2425 days.

February remains the shortest month of the year.

Through the years there has been no widespread attempt to reorganize the calendar once more to even out the months and give extra time to February.

As a result of the shorter number of days, February has some unique attributes.

In common years, February can pass without a single full moon. The next time this will happen is in 2018.

Once every six years, February is the only month that has four, full seven-day weeks.

February starts on the same day of the week as March and November in common years, and on the same day of the week as August on leap years.

February ends on the same day of the week as October every year.

In leap years, it is the only month that begins and ends on the same weekday.

Sometimes this extra month was overlooked or not scheduled in time, continuing the calendar conundrum.

Julius Caesar was responsible for tackling calendar problems further when he was in power.

Fun Facts About February

February is named after the purification ritual Februa, which was a sort of early Roman spring cleaning festival.

In Old English, February was called Solmonath (Mud month) or Kale-monath (Kale or cabbage month).

February frequently occurs in lists of the most commonly misspelt words in the English language.

Much Ado About Nothing is the only Shakespeare

play that mentions February.

Before Julius Caesar's calendar reform of 45BC, February was the only month with an even number of days. All the rest had 29 or 31. February is the only month that can pass with no full moon. This will occur this month.

February is the third month of winter in the Northern Hemisphere. In the Southern Hemisphere, February is the seasonal equivalent of August in the Northern Hemisphere (which is the third month of summer).

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Valentine Dessert Recipes

Chocolate-Strawberry Waffle on a Stick

12 large strawberries, hulled
6 oz semisweet chocolate, finely chopped
Vegetable oil, for deep-frying
2 cups dry pancake and waffle mix (plus additional ingredients as directed on pkg)
Confectioners' sugar, for dusting
Thread each strawberry onto a wooden skewer; place on a baking sheet lined with parchment paper and freeze for about 30 minutes. Put chocolate in a microwave-safe bowl. Microwave on high at 15-second intervals, stirring after each interval, until the chocolate is almost melted; remove and stir until smooth. Dip the strawberries in the melted chocolate; return to parchment-lined baking sheet and freeze until the chocolate hardens, about 15 minutes. Heat 4 to 6 inches of vegetable oil in a deep pot until a deep-fry thermometer registers 330 degrees. While the oil heats, prepare the pancake and waffle mix as the label directs. Dip the chocolate-covered strawberries in the batter, turning to coat; let any excess drip off. (If the batter is too thin, add 1 to 3 more tablespoons dry mix.) Carefully place the berries in the hot oil (skewers and all); fry, turning as needed, until the batter is golden and just cooked through, 1 1/2 to 2 minutes. Remove with tongs and drain on paper towels or a rack. Let sit for 5 to 10 minutes to allow the chocolate to re-harden. Dust with confectioners' sugar.

Chocolate Covered Strawberries

1 cup pretzel rods
1 cup almonds
3 (4 oz) bars semisweet chocolate, melted
8 long-stemmed strawberries
Chop pretzels and nuts and place in 2 separate bowls. Chop chocolate. In a double boiler, melt chocolate until smooth and velvety. Dip strawberries in chocolate and then in pretzels or nuts. Place covered strawberries on a 1/2 sheet tray lined with waxed paper. Allow to set at room temperature and serve.

White Chocolate-Raspberry Parfaits

1 1/2 cups raspberries
3 tbsps granulated sugar
1 1/2 tps fresh lemon juice
For the mousse:
4 ounces white chocolate, chopped
2 cups heavy cream; 2 cups raspberries
3 tbsps confectioners' sugar
1 tsp pure vanilla extract
Make sauce: Combine raspberries, granulated sugar and lemon juice in a small saucepan and bring to a simmer over med-hi heat, mashing with a spoon. Press thru a fine-mesh sieve into a bowl using back of a spoon. Refrigerate until cold. Make mousse: Put white chocolate and 1/4 cup heavy cream in a microwave-safe bowl and heat in 30-second intervals, stirring, until chocolate is melted; whisk until smooth and creamy. Beat remaining 1 3/4 cups heavy cream in a bowl with a mixer on med-hi speed until foamy. Add confectioners' sugar and vanilla; beat until soft peaks form. Whisk 1 cup of whipped cream into chocolate mixture, then fold in rest until combined. Divide half mousse among 6 small glasses; top with 1 tbsp raspberry sauce, a few raspberries, remaining mousse, sauce and raspberries; sprinkle with shaved white chocolate.

Valentine's Day Trail Mix

1 cup granola; 1 cup dried cherries
1 cup salted pretzel sticks, coarsely crushed
1 cup semisweet chocolate pieces
1 1/2 cups dried cranberries
1 cup cocoa-covered almonds
1/2 cup freeze-dried raspberries
Line two baking sheets with waxed paper. Melt chocolate in glass measuring cup until melted. Stir until smooth. Pour half over granola; pour rest over pretzels. Stir each until evenly coated. Turn onto prepared baking sheets. Separate chocolate-coated pieces into small chunks. Let stand at room temperature 1 to 2 hours or until set. Add dried cranberries, almonds, and dried cherries. Stir in dried raspberries just before serving.

Red Velvet Heart Pancakes

4 oz cream cheese, at room temperature
1/4 cup sour cream; 3 tbsps whole milk
2 tbsps confectioners' sugar
2 cups all-purpose flour
1 tbsp unsweetened cocoa powder
1/2 tsp baking soda; 1/2 tsp baking powder
3/4 cup granulated sugar; 2 large eggs
1 1/4 cups buttermilk; Fine salt
1/2 cup melted and cooled butter
2 tps red food coloring
1 tsp pure vanilla extract
1 tsp apple cider vinegar
Toasted, chopped pecans, for serving
Whisk cream cheese, sour cream, milk and confectioners' sugar until smooth in a medium bowl; set aside. Sift flour, cocoa powder, baking soda, baking powder and 1/2 tsp salt into a large bowl. Beat eggs and granulated sugar in a large bowl until pale yellow; beat in buttermilk, melted butter, coloring, vanilla and vinegar. Add egg mixture to flour mixture and fold just until incorporated. Transfer some of the batter to a squeeze bottle with a 1/4-inch opening. Heat griddle or large nonstick skillet over med-low heat. Lightly coat hot skillet with melted butter and squeeze some of the batter onto it in outline of a heart. Fill in each outline with more batter; use a spatula to spread to edges of heart. Cook each pancake until bubbles begin to pop on surface, about 3 minutes. Carefully flip and cook until bottom is set and pancake is cooked through. Repeat with remaining batter. Drizzle cream cheese mixture and maple syrup on top of the pancakes and sprinkle with pecans.
