

**Bayshore Gardens Park & Recreation District  
House & Grounds Committee Meeting Minutes  
Wednesday; October 04, 2023 @ 7:00PM**

Meeting was called to order at 7:01 PM by House & Grounds Committee Chair Kyle Weatherly.

**In Attendance:** Committee Members - Kyle Weatherly (Committee Chair) and Sharon Denson.  
Guests Attending: Mary Lou Smith.

Sharon Denson was appointed as secretary for the committee. The responsibilities would include the meeting minutes as well as to write a Banner article for the committee.

**Agenda Items Discussed**

Kyle brought the committee up to date on the progress of the basketball and pickleball courts. They should be ready for play by the end of October. The fobs for the gates were discussed and the committee would recommend that the pool fob be activated for those that wished to use the pickleball and basketball courts and in addition providing one fob per family for the courts. If the fobs were lost or destroyed the replacement would be the fee currently charged for the pool fobs.

The Pool and Breezeway showers/bathrooms are in the accepting requests for ITB. Very pleased with the work of the architect.

Discussed the fence project around the beach property. Looked at the aerial view from the county to see where the fence would be placed and discussed giving up district property.

Discussed the Mangrove removal at the beach and the process that is very involved to accomplish this project. Will get updates as the project moves forward.

Discussed the survey being proposed by Future Planning and suggested the addition of Football, soccer, Dog Park, and heating of the pool to the questions.

Meeting adjourned at 8:30 PM

Respectfully submitted,  
Sharon Denson
