Are You Motivated?

Bayshore Gardens Park & Recreation District has an opening for a Board Trustee and is seeking an individual who wants to make a difference in their community. Meetings are held the third Tuesday of each month with an annual budget meeting in April. If interested, please send a letter of interest to office@bayshoregardens.org telling the Board why you are the perfect fit and how your involvement will help better our community. We need new and innovative ideas to implement along with suggestions to get our community members more involved!

Meet The Candidates

Thursday night October 11th 7 - 9 pm
Bayshore Garden Rec Center Hall
6919 26th St W Bradenton Fl 34207
The Bayshore Garden HOA invited Misty Servia and Melton Little, and District 4 Candace M Luther and Carol Whitmore At Large to give a presentation and or debate. We hope the event will be knowledgeable and entertaining. All are welcome.

HOA Breakfast

Join us Saturday October the 13th for another delicious HOA breakfast sponsored by Today's Home Services; a resident owned company.

You got stuff? We got space at the next Attic Sale for all your stuff! Didn't sell it at the last sale then bring it to this one! Early setup Friday October the 26th from 5-8 pm for the folks inside the rec hall. Plenty of space outside as well. Tables inside and spaces outside only \$10. Reserve your favorite spot now by calling 447-7202 and leave a voice or text message. Check out ad on Craig's List for stuff being brought to the sale. The kitchen will be open for donuts and refreshments. Located at 6919 26th St. W. @ the Bayshore Gardens Park & Recreation Center. There is something for everyone!

Bayshore Gardens Coastal Clean Up

On Sept 15th, Ocean Conservancy's International Coastal Clean up Day 11 spirited BGYC members and friends gathered behind the Recreation Center to do a shoreline clean up. We picked-up mainly plastics, styrofoam and aluminum garbage from the mangroves along the Bayshore Gardens shoreline. We were lucky the Red Tide was being blown offshore that day. Thanks to the several members that brought kayaks and canoes, so we were able to make it out to the dredged island, that is know as Mosquito Island. On the island we found alot more of the same types of garbage, and an abandoned camp site with lots of trash. Our determined crew picked up 14 larger garbage bags full of trash. Now all that garbage won't make it out to the Bay & Gulf where it could harm unsuspecting sea creatures that consume these items that look like their normal food! The gang recuperated with refreshments afterwards. Thanks to the following wonderful people for helping our environment!! : Adam Hange, Jenny Smeders, Bob & Paula Biles, Gerri Klemm, Joe DeFrancesco, Robin Addley, Becky Prouty, Dan Rawlinson, Preston Larus, Robert Hindle. *Article by: Robin Addley*

Community Trash Clean Up for Bayshore is October 6, 2018

Community Cleanups are for residential customers only. You must leave your general trash, yard waste, appliances and tires (limit 10), large items and electronics curbside before 7 am for collection. Please do NOT include Household Hazardous Waste, such as oil, gas, paint, household chemicals, etc. You can dispose of these materials at the Lena Road Landfill on the third Saturday of each month from 9 am - 3 pm. Info: www.mymanatee.org/departments/utilities/trash_and_recycling/

ATTENTION!

Coming to the intersection at Florida Blvd. and 26th Street W., **Traffic Lights!** Stay tuned to the Banner for updates.

IT'S A BEAUTIFUL THING!

First, a thank you to all "30" of the folks who donated your time on Labor Day celebration. I am asking what do you think our next project might be? Street lights, yard lights, yard mowing, junk on the property. Abandoned automobiles, automobiles parked on your street.

What about road flooding, unleashed animals on your street or in our park. Just a few thoughts. What are yours? Let us make Bayshore Gardens a beautiful thing.

"Flare" From The Chair

Where did the summer go????? The kids are back in school and we are all getting back into our routines.

We wrapped up the summer at the Rec Center with our Labor Day Celebration. We had the threat of rain all day but it held off long enough for everyone attending to have a great time. The kids loved the bounce house and the water slide that were donated by one of our residents. The pool events were fun for the kids and very entertaining for the adults that were watching. Thank you to the Lifeguards that planned the games and were there to oversee the event. The pizza eating contest was very entertaining and especially the two very young contestants that held their own with the adults. Hot dogs and pizza were the menu of the day and tasted great, and all in all it was a fun day. Cotton candy, popcorn, and shaved ice served by the Boy Scouts. Noticed one of the scouts was very popular at the dunk tank. Big

Bayshore thank you to the Scouts. CHFD came to join the fun and arrived in a big red fire truck. Never saw a kid young or old that could resist a Fire Engine. Thanks for the day and all you do for your community.

I can't thank the volunteers enough for all the preparation and the time put in during the Celebration. We couldn't have done it without them. They went way above and beyond to make the day fun for everyone. This community is so blessed with residents who care enough to pitch in and take things from dreams to reality. Last but not least a big thank you to our employees who went above and beyond to make sure that all was ready for the event.

Next year we will plan a July 4th Party for residents and guests. Anyone who wants to help plan and implement the event is welcome.

AVOIDING DANGER..... Many crime victims are the result of being in the wrong place at the wrong time. But there are ways you can avoid being in a dangerous situation. Know the way out should the need arise. Thinking ahead could save your life. Also, avoid isolated areas. If no one is around, no one can help. Finally, your intuition and senses are your best line of defense. If something doesn't feel right avoid it. **BE AWARE, AND BE SAFE.**

BAYSHORE GARDENS PARK AND RECREATION DISTRICT BOARD OF TRUSTEES

BAYSHORE GARDENS BOARD OF TRUSTEES MEETING MINUTES SEPTEMBER 18, 2018

Agenda items 1 through 3. The pledge of allegiance to the flag was led by Sharon. A roll call was performed and a quorum was established. The meeting was called to order by Sharon Denson at 7:00 pm and a roll call was given. Trustees present were Jim Couey, Suzanna Young, Terry Zimmerly, Dan Rawlinson, Sharon Denson, Steve Watkins, Barbara Susdorf, and Don Gassie. A quorum was established.

Item 4. Approval of Minutes - Steve moved to approve the minutes from the Board of Trustee Meeting on August 21, 2018 as posted in the Banner. Jim seconded the motion.

Steve moved to approve the Board of Trustee Work Session minutes for the September 12, 2018 as posted. Jim seconded the motion.

Item 5. Treasurer Report Resolutions 2018-01 and 2018-02 to transfer funds for Security System. Terry said that in the trustee's packet there were 2 resolutions. Resolution 2018-01 moves funds from reserve funds item 1036 security system to item 5311 security camera and repair. This resolution will be posted on the website for two years. Terry moved to accept Resolution 2015-01 as read. Jim seconded, **MOTION PASSED.**

Resolution 2018-02 transfers \$4500 from item 6040, Trustee elections, to item 5311 security camera and repair. Terry moved to pass this resolution. Barbara seconded, **MOTION PASSED.**

Item 6. Additional agenda SUBJECT not known when agenda was posted. Sharon stated that she spoke with the insurance company about renting the facilities and the permit for the water runoff management system to be addressed later.

Item 7. Trustee Committee Reports.

Suzanna reported on the Long Range Plan Committee and said the Committee has come up with a Five and Ten Year Plan Mission Statement: 1. To create a range of recreational and educational activities and opportunities both indoor and outdoor for all residents of all ages; 2. A Board of Trustees that participates in future planning and understands financial responsibility in representing resident interests in their investment in their recreational enterprise, and most of all the physical needs of the facility to better serve the community; 3. To expand water related recreation with classes to encourage and promote such activities because we are water-front community; 4. She said they want to see the recreation center to have full daily activities. The vision includes constructing activities to bring all ages together and sharing skills and mentorships; 5. The hall restored with new equipment; PA system, lights, etc; 6. They would like to see a rustic but classic hall depicting a tropical resort hotel banquet room.

The five year plan funds may be impacted by the marina's overhaul. Suzanna said that they (the committee) need the Board's input on support of the plan.

Jim stated that the Labor Day event went well. Steve gave a thank you to Jim Frost for the dona-

tion of his blow up units for the kids who really enjoyed them.

Don updated us on the ADA Committee. Jack Humburg will be visiting September 24th at 11:00 am. Sharon will meet with Jack and review the facility on ADA issues. Jack will prepare a report to share.

Old Business

Item 9. Trimming Trees. There were two bids on tree trimming and removals. Steve said M.N. bid was for palm tree trimming for \$30 each. Two Brothers shows \$50 each to trim and some removal of trees. Terry moved that the palm trees be trimmed by N.M. and they remove the dead trees. Steve suggested the cost should not exceed \$7,500. Barbara seconded the motion, **MOTION PASSED.** Barbara and Steve will ensure the trees to be removed are marked.

Item 10. Mark Kincaid request. There was a review of Mark's request. Terry said the Committee recommends that the finger-piers along the seawalls be replaced. The center pier and attached finger-piers can be delayed for three years. Sharon said the dredging RFP needs to be prepared and the work should be done the same time.

Sharon suggested that the step down to the docks should be highlighted with "yellow". The boat launch ramp RFP is currently out for bid. Bids are due October 16, 2018. The ramp work will not interfere with the dock work.

Terry will respond to Mark on the RFP questions and ask for an estimated cost for the dock work. Her estimate is about \$500,000 for the docks and we had an estimate of \$375,000 on the ramp. The dredging will be added to the dock work estimate. Again, the center pier is not included at this time.

Steve stated that there are still drainage issues causing sand to wash into the marina. Washout areas on the North and West sides need fill material to stop the sand from washing into the marina. The drain trenches in the concrete walkways require maintenance.

Item 11. Screen Room Roof. There is a bid of \$11,000 to replace the roof. Dan suggested removing the screened room. Steve suggested using an awning. Terry asked if the screen room can be removed and a raised deck be placed to view the water. Sharon suggested that this be discussed at the next Work Session in October.

New Business

Item 12. Golf Cart/Mower. One of the maintenance golf carts has mechanically become unsafe to operate. One of the lawn mowers is at the end of its life-cycle and requires replacement. Estimate for a used golf cart is \$4,449 and a new Kubota 46" mower \$4,796.56. Sharon moved to spend up to \$10,000 for the two items. Don seconded the motion, **MOTION PASSED.**

Item 8. District Manager Report to Trustees. Jodie said the boat trailer sold for \$45. The pool lane lines were donated to Manatee County at GT Bray Park. They were very thankful. The floor

scrubber was sold to a resident for \$40.

Jodie reported that her Jazzercise inquiry response was returned by Kathy Mathews. The report and a resolution will be discussed at the next Committee Work Shop.

Jodie said that Fifth Third Bank meet with the staff and has offered services to the employees. Jodie said it would cost \$1.75 each to direct deposit employee's checks with Fifth Third. She discussed it with the employees and they were receptive to the process.

Jodie said that maintenance was bringing their own tools to work. All of the Board members thought this was unacceptable and agreed the district should purchase the tools needed. The estimated value of the tools needed is \$4,000 to \$5,000. Maintenance is developing a list. Don asked about the truck rack purchased by the District for Randy's truck. It is still District. Steve said that anything purchased by the District needs to be inventoried. Sharon said the items should be engraved.

Jodie received an estimate from Big Fish to add a zoom camera for the center pier and that an internet phone be added for the maintenance shop and internet connectivity be available. Currently, the employees are compensated for using their personal phones. The estimated cost is \$1,676. Sharon made a motion to approve the Big Fish estimate, to add a camera for the center pier, add an internet phone and provide internet connectivity in the maintenance shop. Jim seconded, **MOTION PASSED.**

Jodie said that since Joyce Fisher asked to resign from the Board of Trustees, she has been asked to put an ad in the Banner for an open trustee seat. Joyce still wants to continue working with HOA and Bunco and is willing to work with an entertainment committee. Sharon suggested we accept Joyce Fisher's resignation with regret. Jodie said she wished her well and thanked her for tenure on the Board.

Jodie stated that there were hot dogs, chips and ice cream left over from the summer concession and Labor Day Event. She proposes an "End of Summer Party" for the residents to give away the food in early November. Terry moved to have an "End of Summer Pool Party" as described. Jim seconded, **MOTION PASSED.** Jodie will place a notice in the Banner and post on the bulletin boards.

Jodie stated the ice machine needs a new switch at a cost of \$550. New ice machines start at \$4000. Steve moved to get the machine fixed. Don seconded, **MOTION PASSED.**

Jodie stated that Tempus Security Services today provided a brief overview of how to enter data into the security software. On September 27th at 7:00 PM there will be an introduction of the security system for the community. Fobs will then be issued.

Jodie stated she has purchased two tee shirts per maintenance employee with the Bayshore emblem at a cost of \$180 from Shirts and Giggles. Steve moved to purchase three more shirts per employee for a total of five each. Jim seconded, **MOTION PASSED.**

Restore Bayshore Reports

Meeting on 09/10/18 Time: 6:30 - 8:30 pm

Officers: Suzanna Young (Chair), Gwen Norris (Treasurer), Holly Clouse (Secretary).
 In Attendance: Don Gassie, Jean Corbin, Brandi Lynch, Guest: Greg Kline

Meeting was called to Order at 6:32 pm.

Review of Agenda

Guest Speaker: Greg Kline: Teacher at Lakewood Ranch High School and Resident of Bayshore Gardens.

Greg requested that we allow his advanced graphic design students to design a new pamphlet for use in the general community as well as the office.

Restore Bayshore agreed that this is an added bonus and then generated a list of what should be included but not limited to:

- Our Marina
- Our Park amenities (view deck, playground, picnic areas, pool, sports courts)
- Our Recreation Center
- Our Mid-Century Heritage
- Our waterfront
- Our amenities as well as our neighborhood
- Our "Old Florida Feeling"
- Our bird population
- Our canal system
- Our rare tree in the park and botanical plus
- Our fishing pier
- Our small boat area
- Our diversity
- Contact information
- Our special taxing district status.

It was agreed that the text would be written by Restore Bayshore Committee and submitted to Mr. Kline. We hope the pamphlet is ready to print after October 19, 2018.

Discussion of Service Directory in The Banner:
 Restore Bayshore would like to provide residents with a proven list of local businesses, private citizens that provide various services. This will be brought up at the 09/12/2018 Committee Meeting for discussion.

Drainage Issue:

Resident Brandi Lynch shared her story of fractured ankle and wrist due to improper drainage at S. Radcliffe Pl and 26th St.

Discussion followed concerning that the repaving built a natural collecting point due to raising the level of 26th St.

Traffic Problems:

Suzanna Young, Robin DiSabatino, Sharon Denson and Misty Servia met at Mountain Comfort (34th and 53rd) for a discussion about current traffic problems at the intersection of Florida Boulevard and 26th St. Robin DiSabatino gave a current traffic study of that area and it is troublesome. Thank you to Gwen Norris for volunteering to break it down for future reference.

On Tuesday, September 25th, in the morning, residents along that stretch are given a time certain to discuss with the commissioners the need for an a light or more stringent traffic control solution from the county. This came up quickly and Restore Bayshore will let you know the results in the future.

Members will use Social Media and door to door to elicit responses to take to the county on the 25th.

County Commissioner Candidate Melton Little stopped by and introduced himself, his plans for south county and answered questions from those present.

It was decided the Restore Bayshore will not participate in the fall Attic Sale.

New Business:

Discussion about lighting to deter criminal activity. The consensus was that it would be a future goal to look into how residents could replace front yard lights versus the county pole lights that increase light pollution. Tabled for future discussion.

Meeting adjourned at 8:30 pm.

Holly Clouse

Fire Prevention Week

Fire Prevention Week was established to commemorate the Great Chicago Fire. This fire in 1871 killed more than 250 people and left 100,000 homeless and destroyed more than 17,400 structures. The fire began on October 8, and continued into October 9, 1871.

The theme this year for fire prevention week is Look, Listen, and Learn. Please read below for fire safety tips:

- **Look for places that a fire could start.** Take a look around your home and identify any fire dangers and address them immediately
 Look in the kitchen and keep anything away from the stove that can catch fire; Keep pets away from cooking surfaces; Have someone designated to check food that is cooking; Keep anything away from heaters that can burn; Keep children away from space heaters; All electrical work is to be completed by licensed electrician; No electrical cords under area rugs
- **Listen for the smoke alarm**
 Understand what to do in the event your smoke alarm goes off; Get out and stay out; Go to your meeting place and call 911; Never go inside for pets
- **Learn 2 ways out of every room**
 Draw a map of your house showing all windows and doors and identify 2 ways out; Make sure all doors and windows open easily; Practice fire drills at night; Get low and stay under the smoke; If you can't get out shut the doors and cover vents and cracks around the door and call 911.

BAYSHORE GARDENS BOARD OF TRUSTEES MEETING MINUTES SEPTEMBER 18, 2018

Sharon stated that the Scuba, a commercial venture's request to use the pool should go to Committee.

Jodie asked if the Swim Team was a club or commercial venture. Sharon said the Swim Team needs to form a club or be a commercial venture. Sharon said the waivers were never signed for the last event.

Jodie stated that the filters need replaced in the pool. There are 104 filters, five years old. Steve moved to purchase the filters. Don seconded, **MOTION PASSED.**

Item 13. Marina Work Area Contract 1005 WAC. Sharon made a motion to accept Marina Work Area Contract 1005WAC. Steve seconded, **MOTION PASSED.** The crane operator is required to notify the District office at least 1 week prior.

Item 14. Trailer Contract and Policy 1006P and 1006C. Sharon moved to accept Trailer Contract and Policy 1006P and 1006C. The corrections were emailed to the Board. Terry seconded, **MOTION PASSED.** These will go into effect for the October 1st contracts.

Item 15. Clubs and Organizations 1020F and 1020L. Sharon moved to accept the Clubs and Organization 1020F and 1020L. Terry seconded, **MOTION PASSED.**

Item 16. Meeting Decorum 1025P. Sharon moved to accept the policy. Terry seconded, **MOTION PASSED.** This policy is currently in effect in a local government forum and has been vetted by local attorneys.

Item 17. Woodchoppers 1020W. Steve moved to accept the Woodchoppers 1020W. Dan seconded, **MOTION PASSED.**

Item 18. Fob Pricing for Pool and Marina. Sharon moved to accept the fee of \$10 (plus tax) per fob per year. Don seconded, **MOTION PASSED.** The motion passed in a vote of 7 for and 1 against with Suzanna voting no. Sharon stated that a picture

ID is required with the resident's current address. If there is none, the landlord's approval will need to be obtained (a form).

Steve stated that the fob system can handle up to five fobs (or credentials) per person. The pool waiver will ID the children under the adult with the fob. Jodie clarified that the marina access fob fee remains at \$40 (plus tax) and the pool access fob will be \$10 (plus tax). Each replacement pool access fob will be also \$10 per fob (plus tax).

Item 19. Banner Policy 1017P is tabled.

Item 20. Cash Register and work lights surplus property.

Sharon stated that there are work lights to dispose of. Sharon moved that that district keep two of the best lights and advertise the rest with the Sharp cash register in the Banner and what is left unsold be placed in the Attic Sale. Dan seconded, **MOTION PASSED.**

Sharon stated that the Storm Water Management Permit needs renewed. The cost is \$288 per year to get the samples tested. She suggested that Benchmark Environmentalist, Inc. of Palmetto be contracted. They will ship containers to the District and the District will sample water send them back and provide reports to the stated.

Sharon then made a motion to contract with Benchmark Environmentalist for sample services for the permit and whatever it takes to get the drain cleaned out. Jim seconded, **MOTION PASSED.**

Steve stated that he and three others are attending classes for Community Emergency Response Team (CERT). This is an 8 week course. Students meet for 3 hours every Monday evening. The team will work with the Trailer Estate's team and can volunteer nationwide for disasters. The CERT Program offers training in basic skills, such as fire safety, light search and rescue, and disaster medical operations.

Suzanna announced next Tuesday our community has a 'time certain' opportunity at 10 AM before the County Commissioners to express a need for an 'on demand' traffic signal at 26th Street and Florida Boulevard. She has distributed fliers and has advertised on Nextdoor. Several residents

have expressed interest in attending. Many suggestions have already be introduced. The current solution the county is talking about is adding LED flashing lights to the existing east/west stop signs. Sharon stated that Sheriff Rick Wells supports a traffic light. Steve asked if other options like a roundabout could be discussed.

Sharon moved to adjourn. Steve seconded the motion. Meeting adjourned at 8:49 pm.

*Respectfully Submitted,
Steve Watkins*

Garden Club

We had a very short meeting since so many members were absent. The secretary was not present. As Vice President, I filled. Thought of the day was "The way to the top is not to sit on your bottom." It was voted to send a floral "get well soon" to Joyce, who is very missed. Our small but eager group was treated to a presentation on "Florida Friendly" plants by Lori Walker from the Manatee County Agriculture Extension Office. Next month, on October 1, we will be going on a tour of the Gamble Mansion. We will be meeting in our parking lot at 1:00 to car pool. There will be a fee of \$6.00 for the tour. Mark your calendars and join us.

Sincerely, Sally Couey

Labor Day Event Success

A BIG **THANK YOU** to the resident volunteers of Bayshore Gardens for helping make the Labor Day Event held on September 3rd a successful and fun event for all. Volunteers showed up bright and early to assist with set up and organization for the day's festivities.

Jumpy King Entertainment donated a bounce house, slip-n- slide, 22 foot water slide and various games. The inflatables were the highlight of the day for our Bayshore kids. We thank Jim Frost and his crew for their time and efforts in providing the inflatables and making the day memorable. Volunteers ran the check-in and ticket tables; cooked hot dogs and served pizza and drinks; and monitored the games and inflatables. Five Star Pizza sponsored a pizza eat-

ing contest and offered prizes from the spinning the wheel! The District rented a dunk tank which housed community volunteers for dunking. Unfortunately, we could not encourage any Board members to get in the tank. The lifeguards did a fine job managing the pool games and got some good laughs along with the kids. Typical afternoon rain showers ended the event earlier than planned. However, we managed to get most the fun in beforehand.

We are proud to say that 80 + children and their parents came out to enjoy the day! The Board of Trustees and staff thank the volunteers, those who donated equipment and time and our residents for helping us have a fun and successful event.

Keep an eye on the Banner for more events to come!

Serving Bayshore

October 27 is the next Attic Sale sponsored by Bayshore Gardens Crime Watch but preparation has been going on throughout the year. On any weekend Steve Watkins might be visiting other flea markets to make contacts and sell spaces for the spring and fall sales.

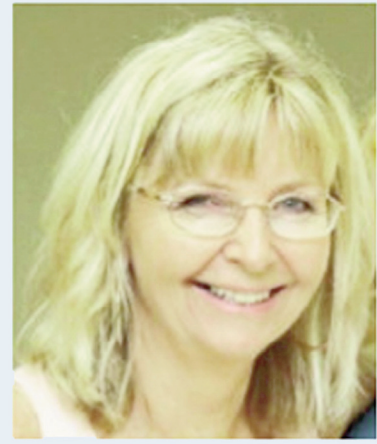

Residents are able to sell clothing, tools, fishing gear and other items no longer needed. Hobbyists and those artistically inclined market their creations. Small businesses offer good deals on products ranging from candy to jewelry. Clubs sell cakes and cookies to support their programs.

Steve and volunteers from Bayshore Gardens Crime Watch use income from renting table spaces to buy neighborhood safety signs, radios for patrols to communicate, dash cams to record suspicious activities and computer equipment to retrieve Bayshore-related files from the Manatee Sheriff's Office.

Additionally, Attic Sale income buys supplies for students at nearby schools and gifts for needy children at Christmas time. Crime Watch also pays the kids of the community to bag 1,600 Bayshore Banner papers every month.

Thanks to Steve and the Crime Watch volunteers for their service to the community. See you at the Sale on Saturday, October 27.

Don Gassie, Bayshore Trustee

IN THE GOOD OLE DAYS

We're not there anymore, in so many ways, it's sad! Technology has changed our lives dramatically. Everything goes at warped speed and I'm too old for warped speed. People have multiple vehicles, yachts, planes, vacation homes, frequent flyer miles, and oh those smart phones. You order your groceries, play games, do business transactions and something while driving down the road.

Growing up in a small town up north and being an only child, I had the advantage to find things to do and make friends with everybody. I almost always had a project, many times to earn extra money for

something I wanted and many times just to drop in and visit the neighbors. Many of the neighbors were my grandmother's age but they always invited me in and I always had a great visit. Today, however, is so much different. Knocking on a neighbor's door nowadays seems to put them into a panic. Some don't come to the door or will push a curtain aside to find out what I want. It's nothing, just wanted to say hi. Even fences got higher so you don't even have the opportunity to say "good morning" to a person next door. Even our neighborhood in Bayshore Gardens has lost the get-together. The last Easter egg hunt for the kids was canceled because NOT ONE person called to help. What will happen on Halloween or Christmas is anyone's guess. I sincerely hope this

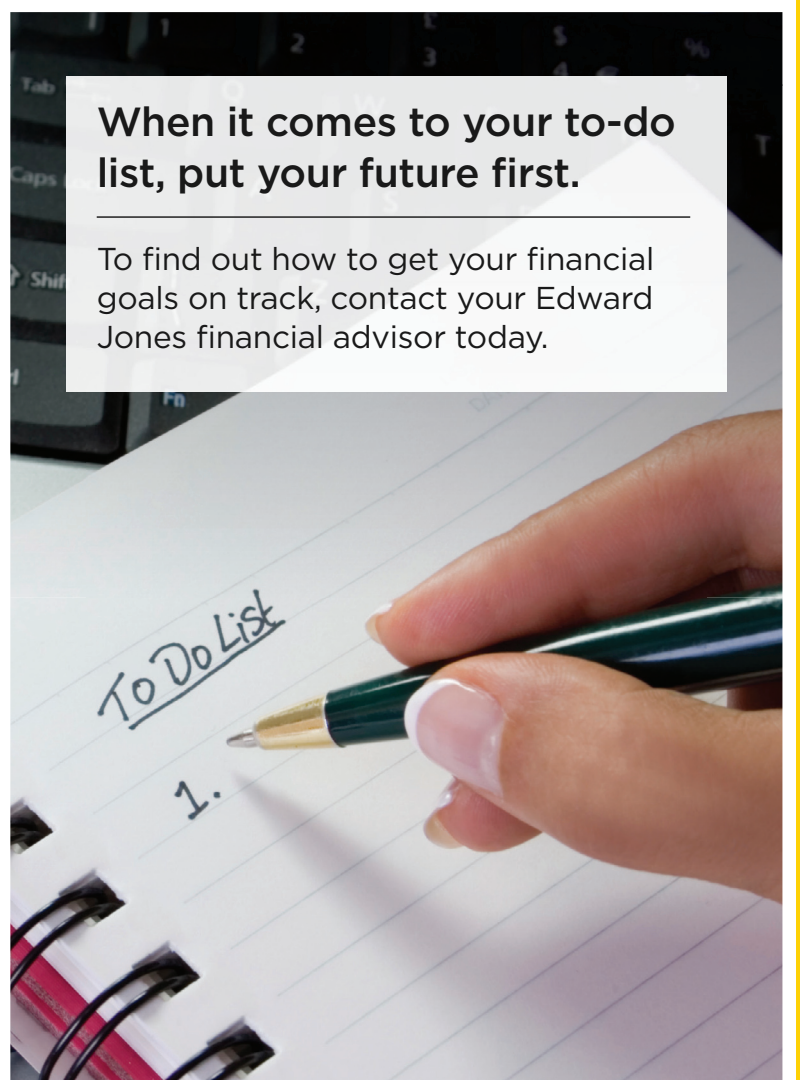

changes, but apathy is ramped.

You may see that I'm on a soapbox to get neighbors to spend more time together. Our Homeowner's Association, \$10.00 a year, for the whole family currently out of 1,400 + homes has a membership of under 70 homes. With support everything can happen!! I know many do not or cannot bend over to pick up their monthly Bayshore Banner and take a few minutes to read, apparently is a problem. Our newspaper has some interesting information especially for upcoming community events.

MAKING SENSE OF INVESTING

Bayshore Gardens has been ignored by the government long enough!

I was recently asked why I'm running for County Commission District 4. I'm running for office because the state of indecision, failure to lead and inaction in South Manatee County is unacceptable. Bayshore Gardens has been long ignored, and I intend to take action and get results starting immediately with the following:

- Create a plan and timeline to repair our roads.
- Fix the drainage issue once and for all.
- Build new or repair existing sidewalks.
- Replace and install street lights.
- Get to the bottom of the Bayshore High School site concerns about toxicity and a way to fix the problem.
- Ensure growth is managed correctly and does not negatively impact our local residents.
- Demand release of the \$10,000,000 in existing, unused funds slated for District 4 infrastructure.
- Begin researching how we can get parks and recreational facilities for our residents built in South County.
- Guarantee that the voice of the community will be heard and result in action being taken.
- Make this a better place to live, work, and play for every resident.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Place a number in the empty boxes in such a way that each row across, each column down and each small 9-box square contains all of the numbers from one to nine.

PUZZLE CARD

Time limit: 60 seconds!

How many different-size triangles are in the above drawing?

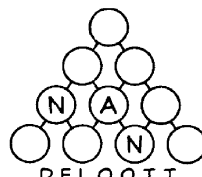

Answer: There are four sizes. The smallest has seven triangles. The next two sizes have three each. The largest has one. The total is 14 triangles.

THE MYSTERY TENNIS BALL! How would you throw a ball so that after going a short distance it will stop, reverse its motion, and come back to you? It can't be hit or bounced off anything, and nothing can be tied to it (Give two answers.)

Answers: (1) Throw it straight up into the air (2) Stand by a brook, throw the ball upstream, and wait for it to float back.

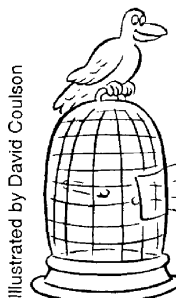

CHAIN REACTION! Take the seven letters printed below our diagram and place them in the circles so that eight four-letter words can be read, top to bottom, along connecting lines. All of the words will begin with the letter in the top circle.

Answers: Top to bottom, left to right: Lent, lend, lead, lean, load, loan, loon, loot.

A "CAGEY" PROBLEM
In this type of puzzle you are given a word that must be changed into another word in a series of moves. During each move, you must change one letter in the previous word so as to form a new word. In our example, we changed BIRD to CAGE in four moves. Can you change the following five words in four moves?

- MEAN to KIND
- DIRT to PAVE
- ROCK to BAND
- SEED to PACK
- DEAF to LOUD

Answers: 1. MEAN, MEAD, MEND, MIND, KIND. 2. DIRT, DART, DARE, PARE, PAVE. 3. ROCK, RACK, RANK, BANK, BAND. 4. SEED, SEEK, PECK, PECK, PACK. 5. DEAF, LEAF, LOAF, LOUD.
