Bayshore Banner Disclosure

The Bayshore Banner is the monthly legal journal of the Bayshore Gardens Park & Recreation District, an independent district established by the Florida legislature. Additionally, we publish articles, opinions and advertisements of interest to the community.

Phone number and address must accompany submissions. Unless otherwise arranged, the submission deadline is the 15th of the month for articles, meeting reports and opinion/letters to the editor. Club meeting info must be submitted by the 20th. Ads must be submitted by the 15th in order to guarantee publication. All letters to the editor and opinion letters will be kept to 250 words or less.

Banner content is not meant to reflect the views of the District, a non-partisan and politically neutral state entity. The Banner reserves the right to edit or decline any submission. The Banner is not financially responsible for typos or other errors. Online proof copies are available for those wanting to check their submissions prior to publication.

“Flare” From The Chair

Spring is here and things are moving forward in the District. Trustees and Staff have weathered the change to new leadership and are all working together to make Bayshore a great place to live. Jodie will be out of the office for a few days this month to attend the Special District Manager educational program sponsored by the Florida Association of Special Districts. When she finishes the program, she will be certified as a Special District Manager. We are fortunate to have this additional expertise added to her other talents.

The projects are being funded with money in reserves and/or money from the 2018-2019 budget. Soon we will be able to look toward the 2019-2020 budget to continue the projects.

We are spending your tax dollars on a marina boat ramp, finger pier replacement, center pier replacement, dredging. ADA lift for the pool, ADA compliant ramp for the recreation center, purchase of sheds to replace the rented porta potties, resurfacing of the breezeway at the rec center, repair of the fishing pier, a temporary pickle ball playing area,, repair the screen room, face lift for recreation hall, and air conditioner/heat maintenance in addition to our normal operating expenses.

It's a Beautiful Thing

Spring is coming! It's bringing a pickle ball court and a dog park. You asked for it, your Board of Trustees are in tune with the Bayshore Garden residents.

You may have noticed some landscaping along the beach access road. The HOA breakfast on the 2nd Saturday of each month from 9-11am. Look for details on the Easter Egg Hunt in the Banner.

The Yacht Club had a dance, \$10.00 for tickets and a

We even have some excess funds to dedicate to a future splash park if the community wants this additional feature for the kids. All of these projects cannot be done at once, but they have been prioritized by your Board of Trustees and are various stages of planning/completing. Come see your tax dollars at work.

We are advertising for lifeguards and pool attendants to maximize our pool hours this summer. If you are the parent of a teenager or college student, or if you have some hours to work, please consider a summer job at the pool. The District will pay for the certification and will have jobs available for the summer. Hours are flexible.

The recreation committee is planning to survey the community to see what things in the community are being used, and what new things the community would support. When you receive such a survey, please fill it out and return it so your voice will be heard and expenditures will be for those activities/facilities that will enhance the enjoyment of our residents.

band. It's only \$20.00 a year to join the Yacht Club or \$30.00 per household per year. You do not need a boat to join.

What about the Wood Choppers or the different clubs that meet each month in your recreation center? This is truly a unique community. It's a beautiful thing.

Dan Rawlinson, 1st Vice Chairman

Minute with the Manager

I wanted to take this opportunity to introduce our maintenance staff to the community for those who are not familiar with our staff. We are fortunate to have four dedicated and hard-working individuals who take pride in their work. Each play an important role in the tasks they perform.

Our grounds keeper, Phil, has been employed by the District for 14 years. He meticulously maintains the landscaping for the common areas. As you walk the grounds, you will note the additional touches he has added. From plants to annual flowers and an occasional lawn ornament here and there. These small additions make the grounds appealing and add color and dimension. Phil is part-time and manages to keep everything trimmed, manicured and looking beautiful in that time.

Randy, lead maintenance, is our other long-term employee with 10 years of service to the District. His talents in craftsmanship and mechanical abilities have saved the taxpayers of the District thousands of dollars. Randy is currently building new picnic tables for the south end of the ballfield. Thanks to his mechanical knowledge, we have avoided expensive engine repairs and the need to hire outside contractors at exuberant rates. Randy is our all-around guy who always seems to have a solution and can repair almost anything. We appreciate his abilities and his willingness to do whatever is necessary to keep things running.

Austin and Todd are the newest staff in our maintenance department. Austin has been employed for 3 years and is accommodating to whatever may arise. He primarily takes care of the recreation hall and cleans up the grounds. If something out of the ordinary happens, he is ready and willing to tackle the job.

Todd began with the District in 2017 as part-time and was moved to full-time to assist where needed. His job entails the odd and ends that need done on a daily basis to keep the facilities up and running. When large events occur on the weekends, Todd is always willing to amend his schedule to help when needed.

Todd and Austin are responsible for set-up and tear down for our hall events along with making sure the floor, restrooms and kitchen are presentable and ready to go. Both are willing to go above and beyond their normal duties when needed and do so with a smile and great attitude. We have a maintenance team that comes to work every day with a positive attitude and a willingness to do whatever needs done to keep things running smoothly. It is a pleasure to work with a group of individuals that are team players, have a great sense of humor and go out of their way to help a resident in need.

Even though these gentlemen are compensated for showing up to work every day, each bring a unique quality that would be difficult to replace.

BAYSHORE GARDENS PARK AND RECREATION DISTRICT BOARD OF TRUSTEES

Bayshore Gardens Board Of Trustees Highlights Of February 19, 2019 Meetings

Special guests from the county were introduced to discuss the relocation of the Lift Station currently located in the North marina near the boat ramp.

*Recreation Committee - Sharon Denson stated that there are funds set aside for the 4th of July Picnic.

*House & Grounds - Jim Frost said that bids have been submitted for the ADA pool lift at \$8,000.

*Website Upgrade - Three new policies and one form were voted on and approved. Sharon stated that Dan Smith saved the District around \$6,000 for maintaining the previous website for years at no cost to the District.

*Small Boat Rentals will be phased out by October of this year due to the number of missing

contracts of the water craft in the storage area. Consideration will be to turn the area into a dog park.

* RFP for Marina Dredging and Piers - To be submitted to local newspapers to be received by the April Board meeting.

* APPROVED ADA ramp work at the West side of the rec hall.

* APPROVED Books in the library will be accepted as District property.

* APPROVED Hand Dryers for 7 bathrooms to include electrical work.

* APPROVED RV temporary parking policy.

* APPROVED No smoking area policy.

* APPROVED Upgrade the current ramp leading

to the West entrance of the rec center to ADA compliance to include the hand rail.

* APPROVED Install ADA lift in the pool.

* APPROVED Purchase 10 round folding tables for rec hall events.

* APPROVED Funds for a Pickle Ball court.

* APPROVED Establish and fund a Bayshore Gardens swim team.

* APPROVED Work to refinish the breezeway floor with an epoxy coating.

CERT (Community Emergency Response Team) Sponsored by FEMA and a part of Homeland Security

A 501 (C) 3 Organization - We are "Neighbors helping Neighbors"

C.E.R.T. thanks all of you for your participation in our first "ATTIC SALE" here in Bayshore Gardens and special thanks for the help we received from your Bayshore Gardens Crime Watch members who assisted C.E.R.T. in this event. Thank you for welcoming C.E.R.T. into this great community. The proceeds from the sale are used to purchase needed supplies. We will be available in the March 23rd Crime Watch "ATTIC SALE" to provide you with Hurricane Guides, Vial of Life, as well as more information about C.E.R.T. and how you can become involved. Hope you will stop in and talk to us.

C.E.R.T. is a local organization whose members are trained in First Aid, CPR, search and rescue, and more. FEMA classifies C.E.R.T. with the first responders. We self-activate in an emergency to serve the public until help arrives. We are trained to survive and assist our neighbors for the first 72 hours. We know our communities and where the most vulnerable are. We are just getting started here and need volunteers. Manatee County will sponsor another C.E.R.T. class in August. The classes fill up quickly; early registration should insure a spot in the class. If you have questions about the organization please feel free to call,

Sharon at 941-752-7421 or email her at 1originaltr@cs.com. Manatee County certification is required to join our organization.

Your C.E.R.T organizations and other communities participate in quarterly meetings with Emergency Management, Fire Departments and the Sheriff's Department. The meetings create a good working relationship with all First Responders, and the opportunity to learn new procedures from the other First Responders.

Manatee County seeks public input on land development code changes

Manatee County residents have a few more weeks to give input on a set of changes to the County's land development code (LDC).

In works and part of public discussions since December, 2016 the proposed updates to the LDC will bring significant changes to how the County reviews and processes future land development applications. Specifically, the suggested changes will bring more consistency to the regulations in the County's major planning documents, according to Planning Manager Lisa Barrett. The proposed amendments are posted on the County's website and click on Pending Land Use Regulation Amendments for public review.

"Our land development code and comprehensive plan are somewhat convoluted and difficult for the public — citizens and developers— to understand," Barrett said. "With this scope of work we're trying to make things more consistent, streamlined, more easily understood and more predictable. This is about trying to minimize duplication of review and streamlining the review of development proposals, while ensuring the protection of natural resources, adjacent land uses and public facilities."

The County will hold a public hearing to receive public comments and to consider the amendments to the land development code as described in LDCT-17-07/Ordinance 19-03 on Feb. 5 at 9 a.m.

in the Patricia M. Glass Commission Chambers at 1112 Manatee Avenue West, Bradenton.

Other scheduled hearings are planned for Feb. 28 during a special Planning Commission hearing; a first public hearing before the County Commission on March 7 and a special meeting with the Commission on March 21.

Restore Bayshore Reports

Suzanna called the meeting to order at 6:30 pm. Gwen Norris, Jeanne Corbin, Edie Norris and Ogden Clark were present. Holly Clouse was absent, dealing with an allergy attack. Treasurer's Report was given by Gwen.

Promotional Pamphlets: The final prototype has been sent and we will print copies for the BOT to review. Discussion followed. It has been proven time after time, prospective buyers and/or buyers are not made aware of our *Very special* amenities and location. A lot of different realtors sell in Bayshore, but chances are we've been missing what could be a better market. We could benefit from promotional material distributed to realtors, restaurants, marine stores, etc. It could also be emailed to realtors to print out. Generating a video is our next endeavor.

New Officers? Suzanna had emailed all Restore Bayshore contacts to say we need to elect officers if we want to move forward. We will approach BGNA/HOA on February 14th to see if becoming a subcommittee is possible. Gwen noted the positives of the two entities combined. Restore Bayshore is exploring several options.

Gwen said the main topic at that HOA meeting will be the Easter egg hunt.

District 4 Town Hall March 20th. Ogden said he would like to have questions for county agencies by March 1, 2019 so he can submit them to the appropriate department. Suzanna will place the meeting notice on NextDoor Bayshore to seek comments and questions. Some of known issues are sidewalks and storm flooding Responses are to go to: ogden.clark@mymanatee.org. and atyoungnelson@icloud.com or dropped off at the Rec Center office marked "Town Hall".

Traffic signal 26th St/ Florida Blvd. Ogden said it is progressing slowly. There are some issues with the power pole placement that must be worked around.

Florida Blvd sidewalks. The 34th St sidewalk is complete and now ongoing on Florida Blvd. Ogden said they are going to be eight feet wide on Florida Blvd. He said he looked at some of the stakeouts that had homeowner complaints and it looked like it was on county Right-of-way now.

Bayshore historical posters were returned from the SCF exhibit by David Breakfield. Suzanna asked the group about donating them to the District but be reimbursed for some of our expenses in mounting them on board. She will look for the invoice with the costs.

Street / yard lights. Gwen shared info on solar lights which do not need wiring or permits and would be a good option for homeowners. She said LED solar powered lights (colonial style) that can be found online at Lowes and Home Depot. The higher priced one (about \$255) was 200 lumens. The lower priced (\$220) ones were lower lumens (150 lumens). More research is needed for other styles.

Dog Park. To mention a few concerns voiced: users may not keep their dog's shots up to date, there should be separate areas for large dogs and small dogs; the size of the small boat storage area is too small; proper cleaning and maintenance, etc..

Gwen moved to adjourn. Jean seconded the motion. We adjourned at 7:35

Submitted by Gwen Norris

Nest meeting will be Monday, March 11 at 6:30 pm at the Bayshore Gardens Rec Center.

 **SAFETY TIPS** from the **JUSTICE NETWORK**

PHONE SCAMS Phone scams can offer free or low cost travel deals, extended car warranties or use a current disaster to ask for contributions. If they say "you've been specially selected" or "this is a low risk high return investment", hang up and file a complaint with the Federal Trade Commission. List your number on the National DO NOT CALL registry at 888-382-1222. to block telemarketers. Afterwards if you do get an unsolicited sales call, odds are it's a scam. **BE AWARE, AND BE SAFE.**

 **SAFETY TIPS** from the **JUSTICE NETWORK**

AVOIDING DANGER Many crime victims are the result of being in the wrong place at the wrong time. But there are ways you can avoid being in a dangerous situation. Know the way out should the need arise. Thinking ahead could save your life. Also, avoid isolated areas. If no one is around, no one can help. Finally, your intuition and senses are your best line of defense. If something doesn't feel right avoid it. **BE AWARE, AND BE SAFE.**

Our next meeting is Saturday, March 9th at 10 am in the shop. Please mark your calendars. The door combination was changed and a new year started after our January Meeting. 2019 Memberships can be obtained by adult residents in the Bayshore Gardens District. They will expire in January 2020. New Memberships will be accepted at the Recreation Center office or immediately after the March 9th Woodchoppers Meeting in the shop. Membership fees are still \$20 per person for the year. Read the ByLaws.

Our updated ByLaws are posted on the shop's bulletin board and you should receive a copy when signing up for a membership.

Items for the March Meeting include:

- Dust collector installation continues.
- Back door installation continues.
- March Tool Inventory Report for House and Grounds.

Our Wish List includes the dust collector installation, new radial arm saw, removing one drill press.

If there is any problem with a tool, please notify an officer and leave a note on the tool. Club Officer's numbers are listed on the front window. Use safety equipment when using any power tool. Shop users are required to sign-in at the door and clean up after using the shop.

We will see you at our March Meeting, Saturday, March 9th at 10 am in the shop. Stay safe.

Bayshore Gardens Yacht Club: We're not only about boats, come join the fun!

Change of Watch

On February 2nd Bayshore Gardens Yacht Club held its Change of Watch Celebration at the Recreation Center. Approximately 80 people enjoyed a fabulous array of finger foods, great dance music by The Carolyn Davis Band and witnessed the change of officers for 2019.

Installed as Commodore, is Terry Zimmerly. Vice Commodore is Marie Horn. Gerri Klemm is our Rear Commodore and Dan Rawlinson is our Fleet Captain. Holly Clouse is the new secretary and Sue Brasel continues as our Treasurer. John Lindsay, Robin Addley and Becky Prouty will serve as Directors.

Many Thanks to Past Commodore Adam Hange, Past Vice Commodore Tung Nguyen and Past Secretary of two years, Robin Addley.

Conquering Invasives:

We were successful in removing about 2/3 of the exotic species on the south side of the marina on January 26th. Nine members braved the 53 degree weather to help with the cutting, hauling and chopping. Pizza was enjoyed afterwards. Many Thanks to the Biles and our Dockmaster for providing the needed tools and trucks.

Race Results for February 9th.

Race was a single marker start at channel then to markers 16 and 17, twice around. The wind was gusty and it was a great day on the water!

- 1st: S-2 7.3 (Shane Morgan)
- 2nd: Rumrunner (Adam Hange & Jenny Smetters)
- 3rd: Saradian (Larry and Tammy Melat)
- 4th: S-2 7.9 (Ulf Langgard)
- 5th: Vivace (Gene and Eric Exley)
- 6th: Y Knot (Mark Bertenthal)

Next race is March 9th with a possible raft up following the race.

Upcoming Events:

Tuesday, March 5th: Board Meeting at Holly Clouse's home at 6:30 pm.

Saturday March 9th: Race Day: Skipper's Meeting 1100 a.m. in screen room. \$5.00 entry fee per boat. Exact change is appreciated. Race starts at 1300 on the bay. Possible raft up after racing at end of channel. Bring food and drinks. Hope to see the full fleet out there!

Thursday March 21st 6:30 p.m: Yacht Club Meeting at Rec Center, our St Patrick's Day Feast! Corned Beef is provided by the club. Bring a side dish to share and BYOB. Program: Adam Mirenda from Jessie's Liquors and our director, John Lindsey, will teach you about the various types of Scotch and other liquors. Come join us and sample Scotch from different regions.

Saturday April 20th 6:30 p.m: Spring Fling Dance at Rec Center. Club will be providing yummy wings. Bring hors d'oeuvres to share and wear your dancing shoes because Board Walk Baby will be performing! Ticket cost TBD-stay tuned.

Secretary Report: Minutes for meeting last month were posted in the Banner. Motion to accept minutes by Joyce, second by Dan, approved by all.

Old Business:

1. Breakfast from 2/9/2019: there were 61 attendees, 3 paid breakfasts, and 9 new memberships. There were \$18 in donations and one Bayshore

booklet sold for \$15.

2. Pancake Breakfast: Saturday, March 9, 2019 from 9-11 am. This will be the last breakfast for this season until the fall.

New Business:

1. Easter Egg Hunt will be on 4/20/2019 at 10 am. HOA members will be free to enter, non-members will be \$3 per person (adults and children per person). The easter eggs will have coins and others will have candy. Ages 3-10. We are going to try to get Boy Scouts and Girl Scouts to assist with the little children to find eggs, instead of their parents. For the parents there will be coffee and donuts, and kids will have cookies and juice. Pest control must be done prior to hunt. The screen room will be reserved. The age groups will be divided on the lower pool deck. There will be projects for the age groups to be entertained in the pool area. We will advertise for 2 months in the Bayshore Banner. Need an announcer. We will stuff eggs on 4/19 at the Bayshore Gardens Recreation Center at 6:30 pm.

Garden Club

The March meeting is Monday, March 4th at 1 pm at the Recreation Center. Our own Rosemarie Woodruff will present a program about Container Gardening.

There were 14 present at the February meeting for the tour of the Sarasota Succulent Society Experimental Gardens at 1310 38th Street. The entry gate to the Gardens is on Coconut Ave. just north of Myrtle Ave.

Our tour guide was Wilda Meier who has been a member of the Sarasota Succulent Society for 50 years. Needless to say she is very knowledgeable about the gardens and the property where they are located.

The gardens are located on a .6 acre island with roads on 3 sides and a creek on the 4th side. Walter Sparkman brought four lots in the 1930's in what is now known as Bayou Oaks and began experimenting with the growing of plants. He was particularly intrigued with succulents. When Whitaker Creek was widened, the soil deposited on the property provided elevated areas with good drainage suitable for the cultivation of succulent plants. Mr. Sparkman, along with five others chartered the Succulent Society in 1950. In 1954 the Society purchased two lots from Mr. Sparkman, and the house and remaining two lots were purchased by the Society in the 1960's.

The house is a prefab from the 1930's, but is not a Sears house. The depression style cottage serves as the Society's clubhouse. In 2004 the "Sparkman House" was declared a Historic Site after being repainted to its original yellow orange exterior color with brown accents. The original color was discovered inside the storage shed at the back of the house. The Society will celebrate its 70th anniversary in 2020.

Over many years the Society's plant collection has increased and greenhouses have been added to house many of its specimens. An extensive botanical library has also been added over the years.

March 2019

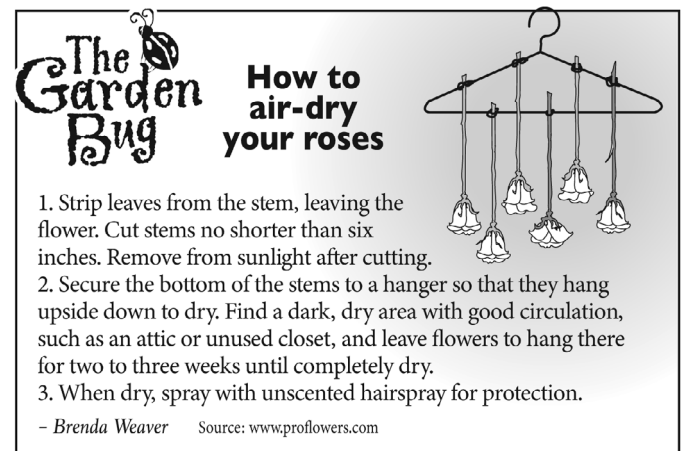

2. Suzanna Young attended the meeting to represent Restore Bayshore. The group is requesting joining HOA as a subcommittee. Several of the 8 goals have been completed. A pamphlet has been created which is still under choosing with a goal of getting the pamphlet out to the realtors. Another goal is to create a video for the same purpose. Ogden Clark and Misty Servia have been attending the meetings as a connection to Bayshore Gardens. Another goal was to place lights in each yard. Desire was for LED lights. Motion by Joyce Fisher that Restore

Bayshore group rejoin HOA for the betterment of Bayshore Gardens to make updates and committee reports. Second by Dan Rawlinson. Discussion. Approved by all.

HOA welcomes anyone to join the HOA for their meetings. Meetings are usually held the second Thursday of each month during season, at 7 pm, at our Recreation Center Board Room.

Meeting adjourned at 8:40 pm

Respectfully submitted,
Susan Donaldson

Saturday of nearly every month, also from 9 to noon. The Gardens are open on this schedule depending on the weather and volunteer availability.

This is a great place to learn about and purchase succulents that have been proven to do well in this area. Their website SarasotaSucculentSociety.org and email is info@SarasotaSucculentSociety.org. New volunteers and members are always welcome. Thanks to Wilda for a delightful tour.

Wonderful snack bags of goodies and bottles of water were provided by our hostesses for February, Geanne Corbin and Edie Morris, to take on the tour. Thanks to our hostesses for the perfect idea for this month's meeting.

Spring Time

Spring time in Florida is a busy time of year. Everybody either wants to go to the beach or the pool.

Please remember these water safety tips when you are out there enjoying the water:

- Adults should be focused 100% on children at all times
- Enroll kids in swim lessons
- Swim with a friend
- Secure your pool with barriers even if you don't have kids
- Have a rope nearby to throw in case
- Wear plenty of sunscreen
- Drink water regularly. Avoid alcoholic drinks
- Don't dive headfirst

If you are caught in a rip current please follow these steps:

- Stay calm don't fight the current
- Swim parallel to the shore, once free from current swim to the shore

-Stay 100ft away from piers and jetties, rip currents common around structures

-Check conditions before entering the water

Florida leads the country in drowning deaths of children from the age of 1-4. **In the event of a drowning emergency please follow these steps:**

- Notify lifeguard if one is near
- Take person out of water
- Check for breathing
- Check pulse if they are not breathing
- If no pulse start CPR
- Repeat steps as necessary

As a quick reminder, please follow all traffic laws as the roads are very busy with lots of distracted drivers on the road.

HOA Breakfast

HOA breakfast is always the 2nd Saturday from 9am to 11am

We had another breakfast sponsored by Shawn Dupont of Today's Home Services, LLC. We served over 60 people and we almost ran out of food, that won't happen again!

Sharon and crew did it again! Custom omelets, pancakes, homemade biscuits, sausage gravy, special recipe muffins. Come meet your friends on Saturday March 9th from 9 to 11am and discover how Shawn Dupont of Today's Home Services can make your life's flow a pleasure. Breakfast is free to HOA members or \$3.00 for non-members.

You can get your membership card for just \$10.00 per family/year. See Today's Home Services advertisement in your Banner.

Recent Crime in Bayshore Gardens

In a recent Crime Watch meeting I pointed out the fact that there have been 50% more vehicle burglaries in Bayshore Gardens in 2018 as there were during the same period in 2017. These burglaries all share one thing in common, **they were all unlocked vehicles!** These crimes would not have occurred if the residents of Manatee County regardless of where they live would get in the habit of removing their valuables and locking their cars every single time they exit their vehicle! When a vehicle burglary is reported to the Manatee County Sheriff's Office, regardless of how small or how significant the items that were stolen may be, we treat that case the exact same which uses a significant amount of man hours which equates to thousands of tax payer dollars which could all be avoided by simply removing your valuables and locking your cars. It's very simple, **Lock It or Lose It** and as always if you **"See Something, Say Something"**. As residents of your community you know best who belongs and who may not, the vehicles your neighbors drive and where they usually park, who rides their bikes and who walks their dog and when. If you **"See Something"** that does not seem right to you **"Say Something"**! **Never hesitate to call 911** and let us respond and investigate, it may be nothing but then again you may have just helped us prevent a future crime from occurring or helped us gather information on an individual who may have just committed a crime no one knows about yet.

Sincerely,

Deputy Chris Ralston

School Bus Safety Tips for Motorists

- * Be alert and watch for children especially near schools, bus stops, school buses and in school parking lots.
- * Children on bicycles can be unpredictable and can make sudden changes in direction. Be especially careful when children are present in school zones and residential areas.
- * Pay extra attention to lower speed limits in school zones.
- * Watch for and obey signals from school crossing guards.
- * Only drive or park in authorized areas to drop off or pick up children at school.
- * Motorists are required to stop when approaching a school bus that is stopped with its red lights flashing and STOP arms extended.
- * All drivers moving in either direction on a two-way street must stop for a school bus displaying a

- stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- * On a highway divided by a paved median, all drivers moving in either direction must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- * The only time traffic approaching an oncoming school bus does not need to stop, is if there is a raised barrier such as a concrete divider or at least five feet of unpaved space separating the lanes of traffic.
- * On a highway divided by a raised barrier or an unpaved median at least 5 feet wide, drivers moving in the opposite direction do not have to stop for the bus (painted lines or pavement markings are not considered barriers). However, these motorists should slow down and watch for students loading or unloading from the bus.

Dear Heloise: Helpful Household Hints

Dear Heloise: My sister reads your column daily, so maybe you can drop a hint for her. Her makeup makes her look like a clown, and at 53 years of age, that's not a good look for a professional woman. -- *A Reader, Majestic, Ky.*

A mature woman needs a light hand with her makeup: Soft colors and all blush **MUST** be blended and natural-looking. This really is a case of "less is more." -- *Heloise*

Dear Heloise: We enjoy preparing, cooking and eating a variety of meals. We used to spend more time pondering about what to fix for dinner. To avoid forgetting our favorites, we designed a one-page, two-column list of dishes titled "What's for Dinner?" The entree categories are: soups/stews, salads, vegetables, cheese, eggs, seafood, pasta, chicken, turkey, beef and pork.

There are 81 entrees to choose from on the menu. We find it both fun and a real pleasure, when stumped, to glance at our menu to choose what we will create for dinner.
 — *Mary Ann and Ray, from Oregon*

Dear Heloise: When I buy a new hair dryer, curling iron, etc., I save the old one unless it is completely unusable. I take the old ones with me when traveling and leave the new, better ones at home. This way, if I forget it on my trip, it is not a big deal — I know I still have one at home. — *A Reader, via email*

Citizens Law Enforcement Academy

The Manatee County Sheriff's Office hosts a Citizens Law Enforcement Academy class twice yearly. The Academy courses are designed to give participants a working knowledge of the Manatee County Sheriff's Office and the criminal justice system. The series of 11 classes on various law enforcement topics encourage discussion. Classes are held on a designated evening, typically from 6:30 pm until 9:30 pm. Most are held at the Manatee Technical College (MTC)-East Campus located at 5520 Lakewood Ranch Boulevard, Bradenton. Other location may be announced in class. Enrollment is free.

Graduates may choose to join the Manatee County Sheriff's Office - Volunteer Program. Being a volunteer provides an opportunity for continued education in the field of law enforcement and allows a more interpersonal association with the Sheriff's Office.

Topics include, but are not limited to:

- Communications / 911
- Patrol Functions
- Internal Affairs
- Enforcement Bureau
- Crime Lab
- Crime Prevention
- Criminal Investigations Bureau
- Court Services
- Corrections Bureau Operations
- Training
- Special Teams Display
- Self-defense

Recycled Dreams Teen Fashion Show

Live a day in the life of a fashion designer and/or model by making an original fashion in front of an audience. Judges will select a winner based on creativity, presentation and use of recycled materials. The day includes free hair styling, makeup and photo shot for contestants and their models.

Interested in being a part of this year's show? Registration Opens February 1.

The last day to register online is Sunday, March 31, 2019.

Fashion Show Rules

Designers must be no younger than 13 years of age and no older than 19 years of age (however, models can be any age).

An entry can be from an individual or a team; however, prizes are based on an individual entrant.

Designers are strongly encouraged to attend one of two meetings scheduled on Monday, April 1, & Wednesday, April 3, at 6 PM in the Manatee County Downtown Central Library (1301 Barcarrota Boulevard West, Bradenton 34205).

Designers may model their own creations or choose a model (they provide) to wear the piece for them.

Each entrant (or team of entrants) is permitted to enter one piece/outfit/ensemble, using recycled materials.

Make-up artists and hair stylists will be available to contestants and models at least 2 hours before the show for those contestants and models who choose to use these services. Contestants and their models can choose to do their own hair and make-up.

Manatee accepting applications for Tourist Development Council

Manatee County is now accepting applications for a vacancy on the Tourist Development Council (TDC), a citizens advisory committee that makes recommendations to the Board of County Commissioners on the expenditures of Tourist Tax Revenues.

The TDC is comprised of nine members who make recommendations to the Board of County Commissioners concerning the effective operation of the projects set forth in the Tourist Development Plan and the uses for which Tourist Development Tax revenues may be spent.

The TDC is seeking one member who is an owner/operator (General Manager) of a motel, hotel, recreational vehicle park or other tourist accommodation in the County and subject to the 5 percent resort tax in Manatee County. Eligible applicants must also be registered voters of Manatee County.

Applications are due July 10 and may be found online at mymanatee.org/advisory_boards

The TDC meets on the third Monday of every other month at 9 a.m. at various locations throughout Manatee County. The term for the vacant hotelier seat expires June 30, 2021.

Easy Container Plants for Decks, Patios, and Lanais *By Norma Kisida, Master Gardener 2012*

Well-chosen plants can create focal points and greatly enhance the attractiveness of your patio, lanai, and other outdoor spaces. Some advantages of container gardens are the ability to move plants to suitable growing areas, easy access for the gardener, control of soil type, and protection from adverse weather.

Important things to consider when choosing plants are the type of sun exposure and the amount of water the plants will receive from rainfall. You will likely have some areas which get bright light but not direct sun and these are great for plants that don't do well in intense sun. The smaller and more porous the container, the more often the

plants will need to be watered. Start with a good quality soil mix suitable for the plant type and make sure the container has good drainage. Protect the patio surface with a saucer so that dirt, water, and fertilizer don't stain the area; empty saucer after watering. Plants in the same container or grouped together need to have similar growing

requirements. A water-soluble fertilizer may be used as directed while a slow release fertilize only needs to be used every three to four months.

Tips to enhance attractiveness are to display containers in groups which are linked by common elements such as pot color, shape, or similar plants; and, using different sized pots or elevating containers to different heights to make them more eye catching. Patio gardening is not restricted to bottom surfaces as there are many creative ways to use wall or ceiling space with hanging containers and vertical gardening ideas.

Plants with only foliage will be less messy than flowering plants which can require deadheading or drop spent blossoms to the ground. Foliage plants come in many shapes, sizes, and color variations, and many can last in containers for years as opposed to just one season.

There are many sun-loving foliage plants that work well in containers. Succulents require little care, are drought tolerant and have become very popular and widely available. They need a light, well-drained soil and don't mind being in a shallow container. Ti plant (*Cordyline* spp.) and *Dracaena* spp. thrive in bright indirect sun and work well as background plant in a mixed container. Some varieties of *Croton* spp. will have the best color in sunny areas while others do best in part sun or light shade. Herbs and salad greens are an attractive and useful choice.

Small palms such as cat palm (*Chamaedorea cataractarum*), pygmy date palm (*Phoenix roebelenii*), Christmas palm (*Adonidia merrillii*) and

ponytail "palm" (*Beaucarnea recurvata*), may be grown in containers. Clumping bamboo and native and ornamental grasses in groups or as an accent are attractive additions.

Some examples of shade or part-shade patio plants include caladiums (*Caladium x hortulanum*), peacock ginger (*Kaempferia* spp.), ferns, tricolor (*Stromanthe sanguinea*), *Philodendron xanadu*, *Coleus* spp., lady palms (*Rhapis excelsa*), and orchids. Bromeliads are extremely easy care with colorful foliage and some have beautiful flowers which last for months.

If you have pets that might nibble your plants, check to make sure they are not toxic to animals.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.
