### ***Shipmates!***

Reminder, If you missed our Ice Cream Social Pool Party or the Dance Party this summer, you can get ready for our Monthly Meetings with potluck dinners and a presentation to follow, always held on the third Thursday of the month at 6:30 pm in the Recreation Center. All are welcome. Bring your neighbors. See you in the Fall!

We are in hurricane season and predicted to be more than normal due to the temperature of the Gulf. We need more volunteers to be able to take care of our community.

The need is great in Manatee County and specifically in Bayshore Gardens for CERT volunteers. We are entering the more active Hurricane season and should we have the need for emergency services, CERT may be the only responders that you have for 72 hours. CERT members are trained to give assistance when it is needed, but we need you. Send an email to email address above for an application.

We will be scheduling another CERT Basic Training Class in November that will be held in Trailer Estates. The classes can be tailored for the class schedule to the participants. The class is about 24 hours of classroom that is broken down into 6 morning classes. FEMA requires that all CERT members be certified to respond to a disaster. At the completion of your CERT Basic Training class Manatee County, our sponsor, issues you a badge that identifies you to other First Responders. Your CERT certification is recognized nationwide. Visit our website for more information about our CERT and at [FEMA.gov](http://FEMA.gov). We meet the third Wednesday of the month in the small hall at Trailer Estates, 10:00AM. We will start our meetings here when we have a few more trained volunteers. You are always welcome.

**Please evacuate when you are asked by Manatee County and stay safe.**

## WE THE PEOPLE

We are gearing up for our meeting on September 21st at 7:00 pm in the Recreation Center. Mark your calendars. Two Manatee County Code Enforcement Officers have confirmed that they will attend the meeting and discuss issues for Bayshore Gardens Park and Recreation District, as well as answering questions from the audience. Here is your chance to get your answers straight from the "horse's mouth". This has been a topic of interest/concern for our residents.

"We the People" is the only organization in the District that provides an opportunity for residents to share their thoughts and opinions regarding the operation of the District. We look at issues that affect residents directly and address them to the best of our ability. For instance, I want to share information about a recent discussion by two different Board Committees (Long Term Planning and House and Grounds) who have suggested adding an outdoor fitness area, with specialized equipment for exercise. Would you like to have

this? Your input is needed, both for gauging resident interest for the project, and deciding what equipment should be included. Your feedback will be forwarded to the Board of Trustees for their consideration.

Last but not least, what are your thoughts about having our resident meetings open to sitting trustees? There are pros and cons. What is your opinion?

I encourage anyone interested, to volunteer to serve on a Board Committee. The two mentioned above are good places to start. You can simply call Gia in the office to volunteer, or go the District website, BayshoreGardens.org, and view the calendar. The dates of the various committee meetings are listed there. Just come to a meeting to see if you might be interested in joining a committee. Committees meet monthly.
