## **NOTICE**

**Dear Bayshore Gardens Property Owner,**  
**Re: Annual Assessment**

This Notice is provided pursuant to section 197.3632, Florida Statutes, and provides you with information about the Bayshore Gardens Park & Recreation District ("District"), its assessments and upcoming annual meeting. The District is an independent special taxing district of local government located in Manatee County, Florida, which provides park and recreational amenities within its District boundaries.

### **Upcoming Public Hearing**

The District will hold a public hearing for residents to vote on the proposed Budget on Thursday, June 26, 2025, at 7 p.m. in the Recreation Hall located at 6919 26th Street West, Manatee County, Florida. The purpose of the annual meeting will be to consider the adoption of the District's budgets and levy of annual assessments. All owners who reside within the District and whose names are recorded on the deed are eligible to vote in person. (Please bring photo I.D.)

The District imposes a special assessment ("Assessment") on your property on an annual basis, the purpose of which is to fund the District's general operating budget. Each improved residential parcel within the District constitutes a unit for purposes of the Assessment, and each unit is assigned an equal share of the total Assessment. The District is required by Florida law to notify each owner by mail of an intended increase in the Assessment amount over prior years. The District has proposed a per unit increase of \$10.00 over prior year assessments, for a total proposed Assessment of \$427.00 per unit. The increase has become necessary due to expenses associated with obligations needed to fund the operation of the District and contribute to reserve accounts of the District infrastructure. The District's budget is adopted each year after consideration by the Board and after a public hearing. The District collects the Assessment on the Manatee County Tax Bill. All benefited lands within the District pay the Assessment.

By operation of law, the District's assessments each year constitute a lien against your property located within the District just as do each year's property taxes. It is important to pay your assessments since failure to do so will cause a tax certificate to be issued against the property which may result in loss of title.

You have the right to appear at this public hearing and express any objections, suggestions, or comments you may have. You may also file written objections within twenty days of the date of this Notice at the office of the District, 6919 26th Street West, Bradenton, Florida 34207, Attention: Board of Trustees. If anyone chooses to appeal any decision of the Board with respect to any matter considered at the public hearing, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is based.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations at this hearing because of a disability or physical impairment should contact the District Manager at least five (5) days prior to the date of the hearing.

I hope this information is helpful. If you have any questions, please do not hesitate to contact the District Office at 941-755-1912. We look forward to your continued support of the District.

Sincerely,  
Board of Trustees

# The Bayshore Gardens

## District Welcomes You

Bayshore Gardens is a community of approximately 1406 single family homes located in southern portion of Manatee County along Sarasota Bay. In 1979, the Florida Legislature established Bayshore Gardens as an independent special taxing district. Special taxing Districts are special purpose governmental units that exist separately from local governments and are formed to perform a single function. Each resident of the District pays an annual assessment within their real estate taxes which funds the operational needs of the District. This annual fee is currently \$417. We are not an HOA, although we have a voluntary Club called the HOA which a resident may join for an annual fee of \$10.

# WOODCHOPPERS CLUB

At our May 10th meeting we set a workshop for the next Saturday, May 17th at 10am. Results of that workshop to be given in the next Banner, July Banner.

We are still purchasing replacement items to finish setting up the shop since the 2024 flood. Some shop tools are still 'tagged' for not working correctly.

Issues discussed at the May meeting are as follows:

- We plan to set 'Learning Sessions and Food' for those who want to learn how to safely use a tool, once the specific tools are in service.
- Richard Etheridge volunteered to rebuild the radial arm saw table and fence (to be square). Thank you, Richard.
- The radial arm saw blade is burnt and needs replaced.
- Gwen Norris will contact Steve Watkins and arrange for a time to remove his sandblaster.

Memberships will be available for adult district residents at the Recreation Center office during normal business hours. Annual memberships are still \$30, expiring January 2026.

Equipment problems? If there is any problem with a tool, please notify an officer and leave a note/tag on the tool. Tags are on top of the metal cabinet along the north wall. All flood damaged tools are tagged stating the same.

2025 Club Officers' phone numbers are listed on the front window. Use safety equipment when using any power tool. Shop users are required to sign-in at the door and clean up after using the shop.

Our next scheduled meeting is Saturday, October 11, 2025, at 10am in the shop. See you there.
