Effective November 6th: New District Office Hours:

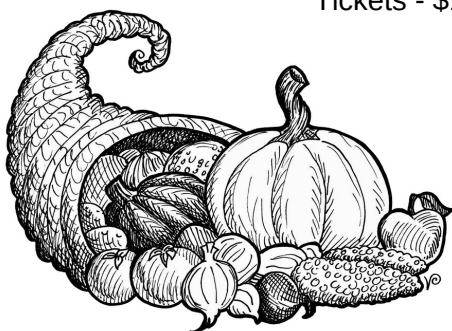

Monday 9am - 12pm

Tuesday through Friday: 8am - 6pm

Bayshore Gardens Thanksgiving Day Dinner

Thursday, November 23rd from 1 pm - 3 pm

Tickets - \$15.00. Call Joyce Fisher - 941-756-9255. Deadline - November 17th

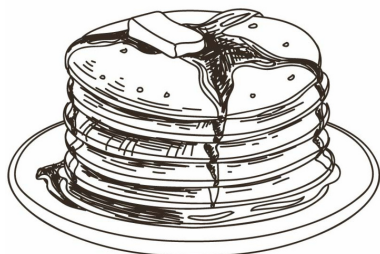

The Homeowner's Association is looking forward to our Annual Thanksgiving Day Dinner. The menu has it all - turkey(s), ham, dressing, cranberry sauce, mashed potatoes & gravy, green bean casserole, sweet potatoes casserole, rolls & butter, apple & pumpkin pie(s), and coffee. If you would like to help prepare a dish, please let us know. Gwen Norris volunteered to decorate.

The District will have five Trustees' terms expiring as of December 2023 and may need to fill these vacancies. We are seeking qualified individuals who would like to volunteer their time to make our community better. If you are a resident of the District, a registered voter and have a desire to make a difference in your community, please stop by the District office to pick up a Candidate Packet. You will need to obtain 25 resident signatures on a petition to be on the ballot.

Qualifying week* runs from Noon, October 16, 2023 through Noon, October 20, 2023. This deadline must be met per the Manatee County Elections Office. This will assist them in preparing the ballots for the December 5, 2023 election of Trustees to be held at the Bayshore Recreation Center. If you have any additional questions, please feel free to call the District Office at 941-755-1912. Our hours are Monday through Friday from 8 am to 4 pm.

* This is the time when potential candidates submit their petitions, etc. to the qualifying officer, Gia Cruz, who verifies every potential candidate's information is in order.

DON'T FORGET JUST A FEW DAYS AWAY

**YOUR ARE INVITED TO OPEN HOUSE AT
CEDAR HAMMOCK STATION 3**

**COMING OCTOBER 14TH FROM 10:00 AM until
1:00 PM, 2023 6601 53RD AVE W.**

Your CERT team will be assisting in this event. You will find food, drinks, fire safety house, and much more. You will be able to meet the firefighters that keep us safe, tour the engines. FUN FOR ALL AGES. Live sprinkler demonstrations, Junior Firefighter Challenges and more for kids of all ages. This is a free event, bring the family. Your CERT team will be there to greet you.

Bayshore Gardens CERT is always welcoming HAM operators as that may be the only means of communication in a disaster should we lose cell or 911 system. CERT will offer classes for Ham licensing test preparation. We have not yet scheduled the next class, watch the website and the Banner for updates.

The need is great in Manatee County and specifically in Bayshore Gardens for CERT volunteers. We are still in the active Hurricane season and should we have the need for emergency services, CERT may be the only responders that you have for 72 hours. CERT members are trained to give assistance when it is needed, but we need you. Send an email to email address above for an application. The class is free.

We have scheduled a CERT Basic Training Class in November. The classes will be held from 10:00 AM until 1:00 during the week and one Saturday class. The class is about 24 hours of classroom that is broken down into 6 morning classes.

FEMA requires that all CERT members be certified to respond to a disaster. At the completion of your CERT Basic Training class Manatee County, our sponsor, issues you a badge that identifies you to other First Responders. Your CERT certification is recognized nationwide.

Visit our website for more information about our CERT and at FEMA.gov. Our CERT team can be seen by following this link.

The Minutes are a draft and will be reviewed for acceptance at our next meeting.

Fifteen of us met on Monday, September 11, 2023, in the Hall for a short meeting and a presentation on 'Herb Appeal -Growing & Using Herbs in Your Garden' by Master Gardener Volunteer (MGV): John Dawson.

Judy Drake opened the Meeting at 1:10. We celebrated the heroes from 22 years ago and fortunes of those not directly impacted by the attack. We stood for a pledge to the flag.

Gwen had distributed the Minutes from March, April, and May's Meetings for review for acceptance. Marlene Durgin moved to accept the minutes for March, April, and May as presented. Joyce Fisher seconded the motion. The Minutes were accepted as presented.

Treasurer's Report was available for this meeting. Jean Corbin passed out cards for the 'Thought of the

Day', which included several 'Random Acts of Kindness'.

Marlene Durgin, Sunshine Committee, said cards had been sent to several members, including Marie, Jeanne, Edie, and Julie.

Joyce Fisher supplied an updated Roster list to members. A thank you went to Julie Garner for the wonderful refreshments provided.

On Tuesday, October 3, we will carpool from the Hall at 1:00 to travel to Sweet Bay Nursery in Parrish. Terry will provide refreshments.

Gwen Norris introduced John Dawson, Master Gardener Volunteer (MGV), for his presentation on herbs: 'Herb Appeal -Growing & Using Herbs in Your Garden'. He was assisted by MGV Norma Wilder and Gerri Klemm.

LONG-TERM PLANNING COMMITTEE

The Long-Term Planning Committee met in July and September to renew the committee after a period of inactivity/inaction. In the July meeting, chaired by Trustee Rawlinson, we reviewed the "Mission Statement" adopted by the committee at its inception. The Mission Statement is reproduced below:

The purpose of this Committee is to bring forth to the Board of Trustees, fiscally responsible, community driven, short, medium, and long term recommendations for the health, welfare, benefit, and enjoyment of the residents of Bayshore Gardens.

We also viewed some samples of outdoor exercise equipment that a member of the committee had researched.

The September meeting was primarily devoted to formulating the plan itself. We had guests in addition to the committee members! What is needed before we can develop the plan is community input, per our mission statement. Any plan begins with an assessment of where we are now and where we want to go. A written survey is the most efficient way to collect your information.

Here is the fun part of this committee! We are open to all ideas and suggestions from community members. From previous surveys, residents have told us that beach restoration and fitness equipment are high on the list of desired improvements for our assessment

dollars. What else should be on that list? What do you want in the future? What are you using or not using now? We need the input prior to setting the budget for 2024-2025 year.

This committee needs more resident members. It is a very important committee for the District. It is the job of the committee in addition to community input, to determine the financial resources available to the District, factor in maintenance issues, prioritize issues already on the drawing board, and then use the collected resident data to establish a timeline for getting the things the community has said you want. At the October meeting, we will be discussing the results of the contact with the Regional DEP office concerning the permitting process for mangrove removal as the first step in beach restoration. We will also be discussing a sample mail-in survey to get your input. Please feel free to join us and give us your thoughts.

Committee meetings are held the first Tuesday or Wednesday (check the calendar in the Banner or on the website, www.bayshoregardens.org) of each month at 7:00 pm in the Recreation Center. Please join us either as a new committee member, or as a welcome guest.

If you would like to be a member of this committee, just come to a meeting, and let the Chairman, Trustee Dan Rawlinson know you would like to join the committee.

Bayshore Gardens Homeowners Association Memory Lane Potluck and Business Meeting

Thursday, October 12th at 7 pm

Program will be: Ask a Nurse

Garden Club, Contined from Page 6

John invited everyone to tour their Master Gardens office/garden in Palmetto. They will have their annual Master Gardener Volunteer Plant Sale Saturday, October 7, from 9- noon (1303 17th St W, Palmetto, FL 34221). Free tickets are available online.

John grew up in Maryland and has been an herb and fruit tree enthusiast for many years. September is a good time for us to plant seeds for the herbs we want. Herbs are mostly drought tolerant. In fact, water can kill herbs, as they need drainage. Most herbs like the sun (6 hours) or partial shade. Insects don't really like them. They don't need fertilizers. They like to be pruned. Container growing is best, inside, or outdoors.

Types of herbs covered: culinary herb, edible flowers, medical herbs (safe, need to tell your doctor if you use them). John gave us a long list of herbs, with headings of Culinary, Tea Herbs, and Edible Flowers.

John Dawson discussed several herbs, too many to discuss here. There are 320 culinary herbs that can grow here. John described several edible herbs, their origins, names, shade/sun needs, and pruning (harvesting) methods. And how to save the seeds of annuals for next year.

John described herbs with different names, and different origins. i.e., Cilantro may taste soapy to some, the Mexican Coriander does not. They look different but the Coriander has better flavor than cilantro.

Herbs shared at the meeting: pine cone (shampoo) ginger lily, ginger root, rosemary branch, and basil seeds. We tasted a mint and guessed the name: chocolate mint. We found out Basil is in the mint family and most mints have square stems.

John prefers growing herbs from seeds. He cautioned to not disturb the root of a new plant when transplanting. He uses pieces of PVC pipe or paper towel tubes to isolate the new plant/rooting from its surrounding soil so it can be moved /replanted without disturbing the roots. When

starting cuttings, strip leaves off the stem up through the bottom two nodes and put in the water. Use rooting hormones. Roots sprout from the nodes. When roots have grown a half inch, put it in soil. A little different: Cuttings can be started in an aloe leaf or banana fruit (plant the banana or aloe leaf in the ground with the cutting inserted). To sterilize containers, use a solution ratio of 1:10 bleach to water.

There was a Q&A session at the end of the presentation. We thanked John Dawson for the wonderful, informative presentation. We adjourned at 3:00.
