

BAYSHORE BANNER

In our 63rd year of serving the community

Calendar of Events

Garden Club - Thursday, November 5th at 11 am, taking a trip to Sweet Bay Nursery

FDOT Hearing - November 17th at 5:30 pm

BOT Meeting - November 18th at 7 pm

Visit bayshoregardens.org for full calendar

New Committees

Long Term Planning Committee - Terry Zimmerly

Island Committee - Melanie Woodruff

Charter Changing Committee - John Lindsey

EFFECTIVE 11/1/2020

POOL HOURS - WITH COVID-19 RESTRICTIONS

MONDAY - FRIDAY - 8:00 AM - 11:00 AM - NO LIFEGUARD ON DUTY - FOR MORNING LAP SWIMMERS ONLY

MONDAY - FRIDAY - 4:00PM - 6:00 PM - WITH LIFEGUARD ON DUTY

SATURDAY & SUNDAY - 11:00 AM - 6:00 PM - WITH LIFEGUARD ON DUTY

**Please note pool hours are subject to change. The lifeguards may close the pool at their discretion based on the weather and other conditions*

It's a Beautiful Thing

The virus is still with us, but as we stay safe and strong, we can all work together towards a united community. Have you noticed the blue lights on homes? I am told they stand for solidarity with Law Enforcement. Also, it could stand for a reminder that it's 9 PM and doors and cars should be locked!!

Things we are working on: fixing the basketball court, safety and lighting and the small boat area issues. Other suggestions for this area are a putting green for next pool season or a sprinkler park for infants, toddlers and preschoolers.

Christmas Lights, one street at a time! Your Neighborhood Watch and Homeowners Association can supply the blue light and a string of Christmas

Lights while supplies last. For your free blue light and string of Christmas Lights call Dan at 941-755-9388.

On November 25th the Board of Trustees will have Committees Meetings. Please see the District website at www.bayshoregardens.org to see which Committees will be meeting up that night.

Remember over 200 residents were asking for this and we would love to see you there. Remember folks, this is your community!!

See Something, Say Something!!

Manatee County Sheriff 941-747-3011 Ext: 2260

Bayshore Gardens Park & Recreation District Board of Trustees Meeting September 16, 2020 - 7:00 PM

1 & 2. The Meeting was called to Order at 7:05 PM by Chair John Lindsey.

Trustees Attending: Barbara Susdorf, Terry Zimmerly, Dan Rawlinson, John Lindsey, Morris Raymer, Melanie Woodruff, Barbara Greenberg, Steve Watkins and Lorna Pierce. A quorum was established.

3. Pledge of Allegiance was conducted.

4. Minutes from August 18th Board Meeting – Motion to approve by Terry, seconded by Barbara Greenberg – **Passed unanimously**

5. Treasurer's report - A copy of the balance sheet and the profit and loss statement was reviewed. This is the last month of the year. There is still some monies in the hall account, but probably not enough. Income at this time is far less than expected. Terry said it is very unlikely we will receive any more revenues this last month. Revenues likely lower due to non-payment of taxes by some residents, likely due to the on-going COVID-19 pandemic. She reported that we have \$489,000 in the budget and that was low. Starting in October, we can look at the whole year and it will provide a better idea of how much money will be available.

6. District Office Manager's Report - Gia reported Randy will be rebuilding the office steps. There is an issue with the center gate reader to the marina. Gia has contacted Tempus to see if it is still under warranty. Reader might have to be replaced. Cedar Hammock Fire Department has been here for the last few weeks training in our pool and beach area. While they were training, they decided to come into the marina area and found that there is an issue with our keypad allowing for emergency access. Gia has also contacted Tempus about fixing that issue.

7 - 9. Committee Reports

• **Playground** - Barbara Susdorf reported Gia had the playground inspected and we do not have enough

mulch for child safety in the event of a fall.

Additional mulch needs to be added in the areas that are too thin. The last supplier of the mulch provided quote of \$2,520 for the mulch. A question was raised about whether it was state mandated mulch is used or other materials. Barbara stated mulch is fine. Terry said they checked on the price for the alternate type of padding materials and it would be about \$20,000. Barbara Susdorf made a motion to allocate \$2,500 for the purchase of the mulch, Terry seconded the motion. – **Passed unanimously**

• **Hall Furnishings** - Chairs, Morris brought a couple of different chairs for everyone present to see as an example to replace the current chairs. Quotes for all three chairs were given out for review. The white resin Hercules event chair - cost of \$24.00 each; the black vinyl Hercules banquet chair - cost of \$18.49 each; and, the grey fabric Hercules banquet chair - cost of \$25.99 each. All chairs are stackable. There was a discussion about all chair options. It was decided that Morris and Gia would get more quotes about chair prices and rack prices and this matter was tabled to be discussed in committee.

• **Acoustics Panels** - Drawings for review of where the panels would go were laid out for viewing. Several examples of the panels were offered for review. There were two companies that offered estimates. One was ATI (\$8,300 installed) and the other from Gulf Coast Ceiling Systems (\$7,500 installed). There was much discussion from board members and citizens that getting the acoustics fixed is a priority. It would take about 6 to 8 weeks for the order to delivery. A motion was made by Morris that the board spend up to \$6,000 to buy the panels directly and have Bayshore maintenance hang them. The colors of the panels will be similar to the wall colors. Terry seconded the motion. – **Passed unanimously.**

• **Vertical Fabric Blinds** - Gia did research on blinds from Home Depot and Blinds to Go. Costs from each were presented for review. Blinds to

Continued on Page 3

Board of Trustee Meeting Minutes - Continued from Page 2

Go were the cheapest and easiest to install. It was decided to go with a neutral color and have them open in the middle. A cost \$301.17 would be for each set of blinds with all the parts. Gia said we need 4 sets to cover the hall and the board room. Barbara Greenberg believes that no more motions be made about expenditures for the hall as she is still waiting for a full accounting of current expenditures be presented. Terry clarified we have \$40,900 in the hall right funds and we will have an additional \$20,000 next month. The blinds, chairs, bathrooms, and acoustics can be completed for less than \$60,000. Morris made a motion that up to \$1,500 be spent to buy 4 sets of blinds. Motion was seconded by Melanie. There was a call for a vote. 8 – Yes and 1 – No by - Barbara Greenberg – **Motion Passed**

• **Old Awnings** - Discussion was held regarding disposal of the old awnings. Morris said he had found a buyer for the awnings but didn't know how to set a price. Several of the people brought up that since this was property of the Bayshore District, that everyone should have a shot at buying them and not just sell them to one person. It was decided that Gia would place a notification in the Banner about public sale of the old awnings at \$50 each for large ones and \$10 each for small ones, noting they would be available for purchase on October 1st. Mr. Raymer made a motion regarding the advertisement of the sale of the awnings, Lorna Pierce seconded the motion, call for a vote and the motion. – **Passed unanimously**

10. Hall Renovation - Terry met with the contractor and he is willing to finish the two bathrooms, one will be the women's and the porch area. The estimated cost to the District is \$45,000 to continue with the current contractor. If we try to engage another contractor, we would have to buy the current contractor out of his agreement at about 30% of its value. A motion was made by Terry to spend \$45,000 to allow the current contractor to extend the permit and finish the women's hall bathroom and porch bathroom, Morris seconded, a vote was called and the motion – **Passed unanimously**

11. Marina Asphalt - Terry reported the contractor has finished the job but due to the rain, when they

were half done when they realized they needed more asphalt. Gia told them to go ahead and finish it rather than stopping in the middle. The additional asphalt costs \$245. Terry Zimmerly made a motion to pay \$245 for the additional asphalt, motion was seconded by Morris Raymer, call for a vote the motion – **Passed unanimously**

12. Boat Slips - Terry stated that a non-resident has requested to pay 6 months on his lease and then pay the other half after that. The marina is full and we should not lose anything by letting them pay 6 months at a time. Melanie says this changes the rules for just a few people and it should be brought up to the committee. Morris asked if this could be a temporary fix due to the corona virus since a lot of people are having financial issues. Gia said only one person asking for this exception and only for this year. The person asking for the exception is a non-resident and that does not seem fair to the residents. Melanie said all slip rentals used to be for 6 months for everyone. Any change to slip agreements should be sent back to committee to discussion. It was agreed that this should be sent back to committee for any potential change to the policy/procedure.

13. Boat Ramp - Morris suggested we sell boat ramp fobs to non-residents, 30 at first, for a couple hundred dollars. This could be an increase in revenue of \$6,000. High traffic time would likely be only on the holiday weekends. Morris pointed out that the ramp is a high-quality ramp and that the stress factor is almost a non-factor. It was recommended that this idea be sent back to the committee for discussion.

14. Malfeasance of Trustee - Dan made a motion to have a special hearing regarding the potential charges of Malfeasance of Trustee Steve Watkins and to have that meeting in the next two weeks. The motion was seconded by Melanie. Discussion

CERT - (Community Emergency Response Team)

VOLUNTEERS ALWAYS WELCOME AND NEEDED

MISSION STATEMENT

The CERT Team is committed to providing leadership and service to the community we serve in the event of a disaster or other emergency. We will strive to provide training and support to our community; and emergency response to aid our families, neighborhoods, and public safety professionals.

We are historically through the worst part of the Hurricane season. Our neighboring states have not been as fortunate as we have so far. What we have seen on our TV screens could be here. This could be our community and our volunteers assisting their neighbors with a well-trained volunteer force. You can be a part of this group of your neighbors with a few hours of training and a meeting once a month. Manatee County provides the training free of charge and issues the certification. We are a part of the Manatee County CERT program that is administered by Emergency Management. The Covid-19 pandemic has halted the training for right now, but you can meet with the CERT members and learn how you can participate should we have an emergency.

Our Team has recently assisted in the licensing of two more HAM radio operators. We offer the Ham classes to anyone who wishes the training and licensing. You can help in a disaster even without the CERT certification as long as you work with a Certified CERT member. We are all thinking that our

cell phone is all we need to get help; however, the facts do not support that belief. The cell towers go down, the 911 service is overloaded, and we are left without any way to get help.

CERT has capability of communicating with Emergency Management to get the help we may need. The help includes, police, fire, power company and medical help. We are also able to request the assistance of the Red Cross ERV, the vehicle that brings meals to a community. All of the services are dispatched by Manatee County Emergency Management. We can get the message thru and get help. CERTs are formed by people who wish to be better prepared for the hazards that threaten their communities, and the programs require a partnership between community members and local government emergency management and response agencies. FEMA supports CERT programs by conducting or sponsoring train-the-trainer (TTT) sessions for members of the fire, medical, and emergency management community. The objectives of the TTT are to prepare attendees to promote this training in their community; conduct TTTs at their location; conduct training sessions for neighborhood, business and industry, and government groups; and organize teams with which first responders can interface following a major disaster. To reach a Bayshore CERT member, email originaltr@cs.com. For more CERT information visit <https://www.ready.gov/cert> Official website of the Department of Homeland Security

Plant Clinic Now Open at Manatee County Extension Office

Every Tuesday and Thursday morning from 9 am to 12 pm., Master Gardener Volunteers will be present in our Plant Clinic at Extension. You are welcome to phone (941-722-4524) or drop by in person (1303 17th St. W., Palmetto.). We do require masks and social distancing if you come in person!

WOODCHOPPERS CLUB

Our next meeting is in the Shop on Saturday, December 12th at 10:00 am. Please mark your calendars.

We had a regularly scheduled meeting on Saturday, October 10th with five members present. The belt sander switch was secured to the unit. All tools were checked and worked.

As always, if there is any problem with a tool, please notify an officer and leave a note/tag on the tool. Club Officers' numbers are listed on the front window. Use safety equipment when using any power tool. Shop users are required to sign-in at the door and clean up after using the Shop.

Memberships are available at the Recreation Center Office during regular business hours and also following the Meetings. Dues are still only \$20, expiring January 8th, 2021. Dues are not prorated throughout the year. Members must be adult residents of the Bayshore Gardens District.

Remember our next scheduled Meeting is December 12th at 10 am in the shop. Stay safe.

Gwen Norris

Homeowners Association

We are looking for the perfect chocolate malt!! Vanilla ice cream, chocolate malt, whip cream and a cherry. A reward will be giving to the person who can provide a recipe. NOTE... We have not had much luck lately.

Dan Rawlinson 941-755-9388

Bayshore's Garden Club

Our Bayshore's Garden Club will meet on THURSDAY, NOVEMBER 5. We will meet at the Recreation Center at 11 am for a trip to the Sweet Bay Nursery, 10824 Kerry Road in Parish to see their variety of Native Plants.

Please wear your mask and we will attempt social distancing as much as possible.

Joyce Fisher

Board of Trustee Meeting Minutes - *Continued from Page 3*

was held regarding when to hold the hearing and that it needed to occur before the next Board meeting. It would be open to the public and the only topic would be the charge of malfeasance. The procedure for holding a special hearing on the allegations were discussed. September 30th would be the date for the hearing. It was determined that the Board's attorney needs to be present. Gia was asked to contact Scott, the Board attorney to determine if he could be available for the hearing. It was also noted that Steve was entitled to have his own attorney present at the hearing. A motion for the hearing on the malfeasance, pending the attorneys' availability, be set for September 30 was made by Dan and seconded by Melanie. There was a call for a vote. 8 – Yes and 1 – No by - Steve Watkins – **Motion Passed**

15. Adjournment - A motion was made to adjourn the meeting at 8:34 pm by Dan Rawlinson and seconded by Morris Raymer, call for a vote motion. – **Passed unanimously**

Community News

Bayshore Gardens Community Church will be holding a business and crafts expo from 9 am until 2 pm on Saturday December 5. The Church is located at 6228 26th Street. For more information contact Ginger at 941-345-7420 or belltower3@verizon.net.

Public Hearing - US 41 (SR 45) from 63rd Avenue West to 53rd Avenue West Manatee County, Florida

Financial Project Identification (FPID) No: 444049-1

The Florida Department of Transportation (FDOT) District One will hold a Public Hearing for proposed improvements to US 41 (SR 45) from 63rd Avenue West to 53rd Avenue West on November 17, 2020. The meeting will begin with an open house at 5:30 pm, followed by a formal public hearing at 6 pm.

This segment of US41 is a seven-lane undivided roadway with a design and posted speed of 45 miles per hour. Left turns from US 41 are currently accommodated by a continuous two-way turn lane. To enhance traffic flow and reduce crash rates, the project will convert the continuous turn lane into a raised 11-foot-wide median with directional openings. The proposed project design will add traffic separators, mill and resurface the roadway, replace signal loops and apply new pavement markings. This project will also facilitate future corridor enhancements, which include adding mid-block pedestrian crossings. A map showing the project and hearing location is provided below.

The public hearing is being held to present information and obtain public input. The Department is offering two ways for the community to participate in the hearing. Interested persons may join the Virtual Public Hearing (VPH) from a computer, tablet, or cell phone; or they may participate in person at Bayshore Gardens Community Clubhouse at 6919 26th St. West, Bradenton, Florida 34207. All participants will be a part of the same live hearing. A VPH is a free live presentation over the internet. If you wish to participate in the VPH online, from a computer, tablet or mobile device, registration is required in advance by going to: <https://attendee.gotowebinar.com/register/9158311045794455054>. Once registered, participants will receive a confirmation email containing information about joining the VPH

online. Please note that GoToWebinar does not currently support Internet Explorer so a different browser should be used for registering/attending. Remote participants who are unable to view or hear the webinar on a computer can listen to the meeting by calling: 1-631-992-3221 and entering access code 612-330-514.

For those who choose to participate in person, the Department requests advance registration to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be asked to wear masks and follow local safety guidelines. Attendees who are not feeling well should not attend the in-person meeting. To register for the in-person option, please contact FDOT Project Manager, Amy E. Blair P.E, at Amy.Blair@dot.state.fl.us or call (863) 608-3369.

Attendees will be able to enter the virtual online meeting or physical meeting room at 5:30 pm. A formal narrated PowerPoint presentation will begin promptly at 6 pm followed by a formal public comment period. If joining online, please provide adequate log-in time to view the presentation in its entirety. The presentation recording will be available on the project website, hosted within www.SWFLroads.com, on November 19, 2020.

Draft design plans will also be available for review from October 27, 2020 to November 18, 2020 on

Manatee Matters with Commissioner Misty Servia

Gwendolyn Brown - A Local Hero

I suspect we can all agree that the foundation of a community is largely equal to the education of their youth. Gwendolyn Brown understood that. She was a home-grown girl, graduated from Palmetto's Lincoln Memorial High School in 1969 and went on to earn her doctorate degree. A very well-educated woman. She was known for her work with Head Start and believed that our kids needed their eyes opened to possibilities before kindergarten so that their minds would be prepared to learn.

I was proud this weekend to join my Manatee County Housing Commissioners to honor Gwen with the dedication of a new community building at Pine Village, a local public housing development. The "Gwendolyn Brown Resident Center" will be a central hub where Pine Village residents and other neighbors can meet for classes, meetings, tutoring, and activities that will promote growth amongst a population where few opportunities exist. And if it couldn't be more perfect, this new center is located in District 4, the area I represent on the Manatee County Commission. I am doubly proud of this new facility.

I knew Gwen was pretty special from the day I met her in 1988, at my first planning job out of college with Manatee County. She was running against Ed Chance that year, a guy who solidly held his commission seat and was loved as a good-ole-boy, with whom you did not want to cross. Taking on that race was my first clue that she was one tough lady. She lost that election, but learned along the way that minorities running a county-wide race had little chance of winning and set out to change it. She pushed, along with the NAACP, the League of Women Voters and others to create 5 districts and 2 at-large seats on the county commission which is our current structure. Gwen eventually won a seat in 1994 as the first African-American Manatee County Commissioner. She later became Chairman

of the Commission, another first for African-Americans in Manatee.

Gwen was a policy maker who was cognizant of the needs of our most vulnerable citizens, like those living in public housing, those without jobs, or not enough food. Her fingerprint is throughout her district. Her lobbying efforts resulted in the money needed to build the Bradenton Village development through a Hope VI grant, replacing the blighted Rogers Gardens apartments. She was also key in securing \$250,000 to build the 13th Avenue Community Center, a building that is a vibrant space for low income youth today, and helped to create Lincoln Park where we will soon have a community pool. Those who

Continued on Page 8

A Local Hero by Misty Servia : Continued from Page 7

knew Gwen can imagine her signature huge smile if she were still here to see that future pool unveiled. Gwen is also credited with expanding 17th Street East in Palmetto and secured millions for other infrastructure improvements. Gwen served with a calm and kind demeanor and never got caught up in unnecessary drama - another quality I greatly admired.

Being the first African American commissioner, and a woman, I know that Gwen inspired a generation of young girls in Manatee County by showing them a path to success. I saw it first hand about 20 years ago when I witnessed a young girl

in the board chambers whisper excitedly and point to her hero seated at the dais. I'm sure there were many others like that young lady. Gwen was bold, brave, kind, and always straight-up. Having a building named in her honor, located in one of the most vulnerable neighborhoods in the county, will inspire young people for generations to come. They will hopefully learn to see past their limitations, just as Gwendolyn Brown did, and create a bridge to the future.

Misty Servia is a certified land planner and Manatee County Commissioner who represents District 4. You can reach her at misty.servia@mymanatee.org

Public Hearing - Continued from Page 6

the project website and at the South Manatee Library, 6081 26th Street West, Bradenton, Florida. Library hours are 12 pm to 7 pm Tuesday and Thursday, 9 am to 4 pm Wednesday, Friday and Saturday. The library is closed on Sunday and Monday.

FDOT is sending notices that comply with F.S. 339.155, to all property owners and tenants whose property lies wholly or partially within 300 feet of the center line of the proposed project. This does not mean that their property will be directly affected, nor does it limit participation in the public hearing process to those individuals.

All interested persons and organizations are invited to give comments to FDOT regarding the US 41 from 63rd Avenue West to 53rd Avenue West project during the public hearing or by submitting written comments to Amy E. Blair P.E., FDOT Project Manager, 801 North Broadway Avenue, Bartow, FL 33830, or to the email address Amy.Blair@dot.state.fl.us. Comments may also be submitted by calling (863) 608-3369 or toll-free at 1-800-292-3368. All comments postmarked on

or before November 27, 2020 will become part of the official public hearing record. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

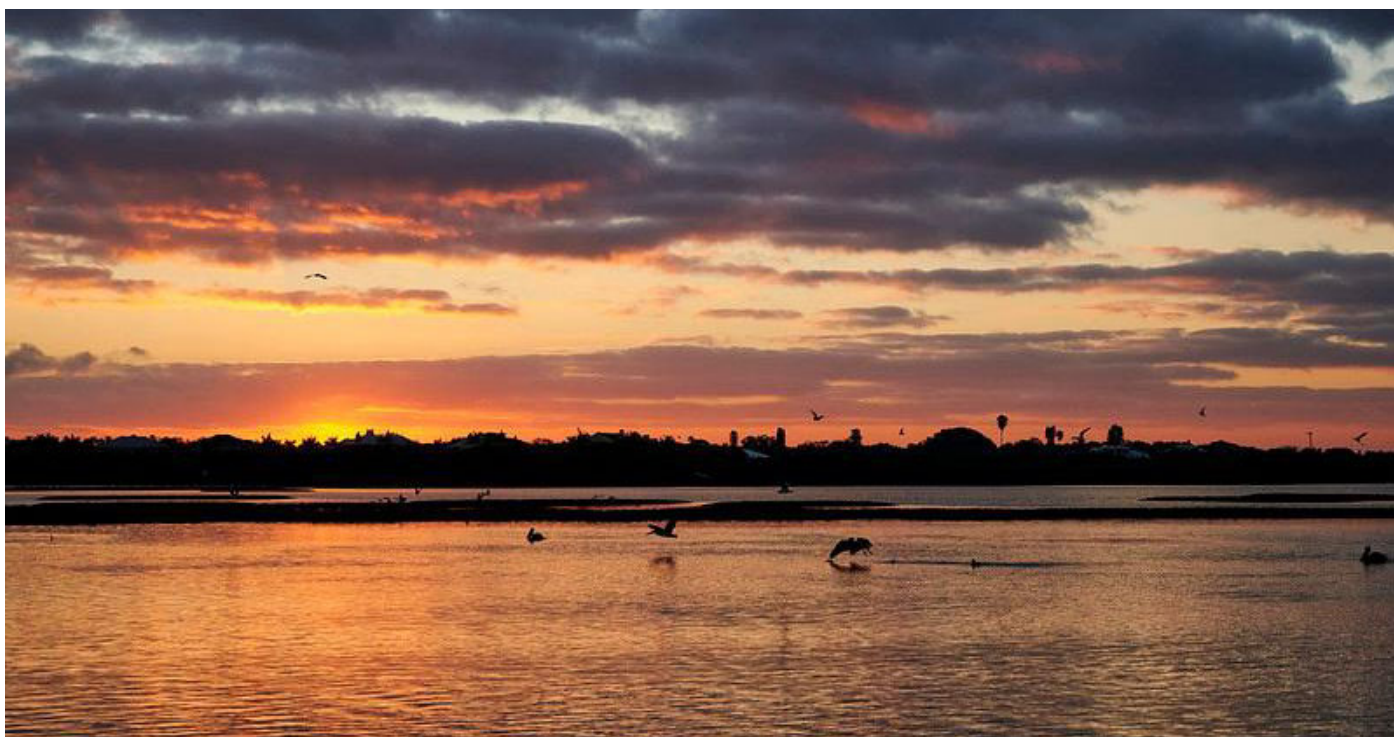

Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Cynthia Sykes, FDOT District One Title VI Coordinator at Cynthia.Sykes@dot.state.fl.us or (863) 519-2287. Persons who require accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Amy E. Blair at (863) 608-3369 or tollfree at 1-800-292-3368 or Amy.Blair@dot.state.fl.us at least seven (7) days prior to the Public Hearing. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).

We encourage you to participate in the US 41 public hearing. If you have any questions or comments about the project, please contact: Amy E. Blair P.E. at Amy.Blair@dot.state.fl.us or call (863) 608-3369 or toll-free at 1-800-292-3368.
