Sunday, May 14th is Mother's Day!

The modern holiday of Mother's Day was first celebrated in 1908, when Anna Jarvis held a memorial for her mother at St Andrew's Methodist Church in Grafton, West Virginia. In 1914, Woodrow Wilson signed a proclamation designating Mother's Day, held on the second Sunday in May, as a national holiday to honor mothers.

Minute With The Manager: Summer is fast approaching and the water is getting warmer. We are looking for lifeguards. You must be 16 years old and have a lifeguard certificate. Call the office at 941-755-1912 for information. Also needed are sales reps for the Banner. There is a 25% commission paid on Banner ads sold that have been paid for. Call 941-755-1912. The office renovations are almost complete and we should be back in there by the time this paper is printed. Also just a reminder to homeowners and tenants with waivers, there is a fee of \$3.50 per person for your guests. You can also buy a pass for \$20.00 for 10 visits. This can be purchased from the lifeguards. For those of you that want to get out on the water but don't have a boat, invest in a kayak and paddle your way around the bay. You can store the kayak in our fenced in area for \$8.00 per month for 12 months. Don't forget May 14th is Mothers Day. Fix her dinner or do something nice, I am sure she will appreciate whatever you do for her. *Joanne Manse, Manager*

BAYSHORE GARDENS PARK AND RECREATION DISTRICT BOARD OF TRUSTEES

BOARD OF TRUSTEES MINUTES OF MEETING April 18, 2017

The regular meeting of the Board of Trustees of Bayshore Gardens Park and Recreation District was called to order by Chairman Maynard Boyce at 7:00 PM and was followed by the Pledge of Allegiance. Notice of the meeting was posted in the April Bayshore Banner.

Roll: Dan Rawlinson, Steve Watkins, Holly Clouse, Terry Zimmerly, Debbie Korell, Maynard Boyce, Richard Nelson, Jonna Koellhoffer and Jim Couey.

A quorum was established.

Present: Joanne Manse, Don Gassie, John Woodruff, Marie Young and Stuart Smith

Steve made a motion to approve the March minutes. Terry seconded. **Motion passed.**

Holly made a motion to approve the March Financials. Terry seconded. **Motion Passed**

Maynard presented Stuart Smith who is representing the Sierra Club and Suncoast Florida Preserve to address the issue with our bay front. Stuart presented a map that shows the possible development along Long Bar Pointe. In Mr. Stuart's opinion, if this development is approved it will destroy our wetlands and the estuary in the area. There will be a meeting at the County Commission Chambers on May 4th 2017 at 9:00 am. If you can't attend the meeting you can write a letter to the County Commissioner.

BGNA: Dan Rawlinson
Dan stated the pancake breakfast is finished until October. There will be no more potluck dinner meetings. Friday, June 16th from 5 pm. to 7 pm. will be a spaghetti dinner and from 7 pm to 9 pm will be a folk singing group. The cost for members will be \$8.00 for adults and \$5.00 for children under 12. Non member price will be \$10.00 for adults and \$7.00 for children under 7. **Next meeting will be Thursday May 11, 2017 at 7:00 pm.**

CRIME WATCH: Steve Watkins
Steve reported the Attic Sale was a success over-

all. The next Attic Sale will be October 28, 2017. Steve stated that Joe Gordon who is with Crime Watch at Trailer Estates, attended the meeting. There was an issue with someone drinking on the ball field. We need to have two signs posted no alcohol on the ball field. There will be no meeting in May. **Next meeting is June 13, 2017 at 7:00 pm.**

RESTORE BAYSHORE: Holly Clouse for Suzanna Young

Holly reported there was no meeting in March but it is very important they keep in touch with the Public Works Department. **Next meeting will be May 8, 2017 at 6:30 pm.**

MANAGER'S REPORT: Joanne Manse

Joanne reported a lifeguard wants to start a web page advertising the swim lessons. It was agreed that whatever is going to be put on the web site needs to be approved by the office first. The office is nearing completion and the move back should be in the next week. The office might have to be closed for a day until the phone and internet can be reconnected. We still have several boat and trailer spaces that have not been paid for yet. There will be a boat auction on June 12th at 10:00 am at the office.

BUDGET & FINANCE: Terry Zimmerly
Terry stated the budget was printed in the Banner and asked if anyone have any questions about it. Friday April 28, 2017 will be the budget meeting at 7:00 pm. **Next meeting will be May 10th, 2017 at 5:30 pm.**

WEB/BANNER: Dan Rawlinson

Dan stated overall the Banner delivery went well for the first time. Holly stated she wanted to talk about a motion that was made in June 2014 during the Web/Banner meeting. The motion was for board/office communication transparency. Additionally a mailing list of non trustees wanting to receive the above information will be maintained and will receive the same information the trustee receive at the same time.. Holly made a motion to rescind this motion for the following reason: Information from our attorney basically says this is over kill and we need to follow the rules of the sunshine law and at this point there are

no perimeters. Debbie seconded. **Motion passed.** Joanne reported Mr. Dye stated that a trustee may sell Banner ads and receive commissions up to \$500 per year. **Next meeting is May 10th, 2017, at 5:30 pm.**

MARINA: Debbie Korell for Richard Nelson
Debbie stated she is still waiting to hear from Mark Kincaid. **Next meeting will be May 10th, at 2017 at 5:30 pm.**

HOUSE & GROUNDS: Holly Clouse

Holly stated we need to figure out how to install the TV on the niche in the hall. Holly reported Simone will be very happy to hold training on Robert's Rules, the Sunshine Law and how to hold an effective meeting. Joanne stated she has a new update on the mangrove and invasive species trimming. Suncoast Environmental was here today, Ron's Tree's are coming out Monday and Island Tree will call for an appointment. Richard made a motion not to put a changing table in the new ADA bathroom. Holly seconded. **Motion passed. Next meeting will be May 10th 2017, at 5:30 pm.**

PERSONNEL & SALARY: Dan Rawlinson

Dan stated that policies have been altered and changes not made in the employee handbook. A motion was passed in 2014 that the manager can not directly hire and fire someone without the approval of the board. This will be taken back to the committee for discussion and changes. **Next meeting will be May 10th at 6:00 pm.**

OLD BUSINESS: No old business

NEW BUSINESS: Maynard reminded the board the Budget Meeting will be Friday April 28th, 2017.

Next meeting is May 16, 2017 at 7:00 pm.

Holly made a motion to adjourn. Jim seconded. Meeting adjourned at 8:45 pm.

Respectfully submitted

DOCKMASTER'S REPORT

Dockmaster John Woodruff 941-720-3738

Here we are at the first of May, a full third of 2017 already written in the books and I am sorry to say that I have nothing new to report on the Marina rehab. Regarding the marina project, the pursuit of permits is ongoing and we did receive word that questions about the permits have been answered satisfactorily and now it is a waiting game as they work their way through the system. The questions from the engineers for clarification about the work to be done have been answered also. We should be receiving contracts that are ready to go out for bid shortly but not before the permits are approved. As soon as I know some details on the start dates I will put them out in this report and notify slip holders. We are trying to organize a group and tactics toward motivating the responsible agencies, county and state, to dredge the Bayshore Gardens Trailer Estates Channel. This channel is part of the storm water runoff system for the county and part of the inland navigation system maintained by the

state established West Coast Inland Navigation District. (WCIND) As this effort becomes more organized we will reach out to let you know how you can help. Speaking of community action, as noted elsewhere in this paper there will be a County Commission Meeting May 4th at 9:00 am.. The item once again under consideration is the development of Long Bar Pointe. (Aqua by the Bay). I am sure that the commissioners are anxious to hear the public comments on this project. Most of those I talk to feel this version is a 1.01 of the original with little improvement for environmental protection concerns and some points are left open so eventually we could end up with something very close to the originally denied proposal.

Due to a computer failure, my Marina Slip Waiting and Trailer Space Waiting lists were lost. I am attempting to restore this but if you were on either of these lists please call me.

Reminders – It is past time for slip and trailer space renewals. Although most have already taken care of this there are still a few outstanding. If you do not intend to renew please notify the Office. Please provide all the required paperwork, completed contract, proof of insurance and current registration.

Improvements, Repairs and Projects Completed – Several planks were reattached or replaced on the finger piers and fish dock.

Marina Occupation as of 04/20/2017 Occupied – slips - 96, Vacant – small to medium size slips - 28, large -1, Total – 125, Trailer Spaces – available 0. Waiting lists for slips and trailer spaces – Large slips -?, Small/Medium slips - 0, Trailer spaces–?

If you have questions, concerns, or suggestions call me. Thanks to those that have already called.

Crime Watch Meeting Minutes

Date: Tuesday, 11 April 2017

Place: Bayshore Gardens Recreation Center.

Attendance: Steve Watkins, Dan Rawlinson, Don Gassie, Jim Couey, Wally Kedroff, Ross Mathis, Larry Rawlinson and Lee Korniluk.

Special Guests: Joe Gordon from Trailer Estates Crime Watch and Deputy Donald Olmsted from MSO Crime Prevention.

Call to Order: 6:40 pm by Steve Watkins.

Before the regular meeting started, everyone enjoyed a delicious Louisiana gumbo meal put together by Don Gassie and crew. Then, Joe Gordon was introduced to the members.

Everyone made suggestions on several topics, including how the Trailer Estates Crime Watch could improve their membership. Deputy Olmsted discussed the importance of calling 9-1-1 for reporting suspicious activity.

Minutes: Wally made a motion to approve the

March minutes. Jim seconded, motion passed.

Treasurer Report: Wally gave the financial report for March. Gas cards were issued.

Old Business: Still working on getting children at play signs installed on 26th St. near the Rec Center.

New Business: The Banner delivery went well for our first month. Members were active in the neighborhood driving around delivering the papers.

Announcements: Next meeting will be Tuesday, June 13th at 7:00 pm. No meeting is scheduled for May.

Meeting Adjournment: Jim made a motion to adjourn, Wally seconded. Meeting adjourned at 8:05 pm.

*Respectfully submitted,
Steve Watkins*

Garden Club

The May meeting will be Monday, May 1st at 1 pm in the Bayshore Gardens Recreation Center. Our own Marie Young will present a workshop about Moringa and will be our hostess for the afternoon.

There were 13 members present at the April meeting. Business discussed:

- A possible future program/workshop for the Bayshore Gardens community of how to plant tomatoes in Earth Buckets. Additional research and discussion is required before this project can be scheduled.

- Newspaper Pots - workshop April 22, 1:30-2:30, Library on 26th St W.

- Bug spray for Plants except Succulents
1 Tablespoon Vegetable Oil
1 Tablespoon Dawn Dishwashing Liquid
1 Quart Water

The April meeting was a workshop on Spring Cuttings presented by Lee Korniluk. Lee brought small pots and cuttings from her yard of a rose bush, hibiscus, bougainvillea, and a snow bush.

In the small pots she had put leaves in the bottom and dirt on top. It was also mentioned that a coffee filter could be used instead of leaves to keep the dirt in the pot. Lee then emphasized that in her experience with cuttings that they need partners so she puts at least 2 and sometimes 3 cuttings in the same pot.

She then used her finger to poke 2-3 holes in the dirt for the cuttings. The cuttings need to have any blooms removed and be cut below the stem node. Lee then encouraged everyone to take a pot and pick a pair of cuttings to plant to take home for their garden. The most popular cutting was from the rose bush which is an old variety that Lee started from a cutting many years ago.

Thanks to Lee for sharing her vast experience and expertise with Spring Cuttings and to Matilde Renovalez for being our hostess with fresh fruit, coffee cake, and other goodies.

Planting by the moon

Just as the moon influences the tides, it also has a gravitational effect on the moisture within the earth, and the moisture within plants themselves.

From the day the moon is 'new' to the day it is 'full,' plant annual flowers and vegetables that bear crops *above* ground.

From the day after it is 'full' to the day before it is 'new' again, plant flowering bulbs, biennial and perennial flowers, and vegetables that bear crops *below* ground. - Brenda Weaver

Public Works Responds to Questions on Columbia Sidewalk Placement

In the past month inquiries have been made and questions raised about the safety of sidewalks being placed on the west side of Columbia. One of the questions was: If safety is a factor, is it wise to have more pedestrians cross at least 9 intersections when there is only one intersection on the East side. The routine complaint on Columbia is about speeding. The worry is that in coming off Columbia, a (speeding) driver may not see a pedestrian in time —which is very possible now — but in the future, more people of course, will be using the side with sidewalksand intersections.

After an email to Mr. Russo from Suzanna Young, the following is his response.

"Yes, west side is the plan for this segment for the following reasons:

- 1) It's what was requested by the schools.*
- 2) Looking at the map below the west side will collect more students / people than the east side.*
- 3) West side street crossings will be at stops signs.*
- 4) East side sidewalk would require all the folks on the west side to cross the street at 9 places without stop sign protection.*

The west side would actually provide safer crossings with ramps to stand in while waiting to cross each street vs. crossing Columbia street to get from west to east side of road.

All the 9 side streets have stop signs. There are no stop signs on Columbia. This is the very essence of

why the west side is a better place to be. The pedestrians would be crossing at a stop sign vs. no stop sign and this is usually considered a preferred scenario.

Does this answer your questions?

Scuttlebutt from the Bridge May 2017

Over 125 boating enthusiasts gathered at the Recreation Center on April 8th, 2017 to celebrate the Bayshore Gardens Yacht Club's 60th Anniversary. Since the club was started in 1957 the theme for the night was the 50's. The hall was exciting to look at decorated in 50's style, and savvy attendees put on some bobby socks and poodle skirts to dress in that era. All enjoyed playing a rowdy game of 50's trivia. Many won amusing prizes for their 50's trivia knowledge, clever costumes, and door prizes throughout the night. The food was deliciously catered by the local Popi's Restaurant

along with club members culinary creations for additional side dishes. Thankfully the the club was able to get the outstanding band Taylor and Taylor for awesome entertainment, and to dance the night away in style! Thank you to all who made this spectacular evening possible!

Article by Robin Adley, our secretary

We cannot forget all the hard work that goes on behind these functions; Terry Zimmerly was in charge of decorations and adding to the meal that Popi's provided, she had lots of help from Winnie Denny Smith, Bill and Becky Wyatt, Steve Watkins, Robin Adley, John Dickman, Jim Couey and of course, Dan Rawlinson.

The April race had a slow start as you can see from the pictures but on the second half the wind picked up and they had a great finish. Bob Gargiulo and his crew did a good job scoring and setting up the flags. The after race party was at our place with leftovers from the dance and plenty to drink.

At The Bar: Some Florida Humor

Four old retired men are walking down a street in Yuma, Arizona. They turn a corner and see a sign that says, "Old Timers Bar - ALL drinks 10 cents."

They look at each other and then go in, thinking this is too good to be true. The old bartender says in a voice that carries across the room, "Come on in and let me pour one for you! What'll it be, gentlemen?"

There's a fully stocked bar, so each of the men orders a martini. In no time the bartender serves up four iced martinis shaken, not stirred, and says, "That'll be 10 cents each, please."

The four guys stare at the bartender for a moment, then at each other. They can't believe their good luck. They pay the 40 cents, finish their martinis, and order another round. Again, four excellent martinis are produced, with the bartender again saying, "That's 40 cents, please."

They pay the 40 cents, but their curiosity gets the bet-

ter of them. They've each had two martinis and haven't even spent a dollar yet. Finally one of them says, "How can you afford to serve martinis as good as these for a dime apiece?"

The bartender says, "I'm a retired tailor from Phoenix and I always wanted to own a bar. Last year I hit the Lottery Jackpot for \$125 million and decided to open this place. Every drink costs a dime. Wine, liquor, beer it's all the same." "Wow! That's some story!" one of the men says.

As the four of them sip at their martinis, they can't help noticing seven other people at the end of the bar who don't have any drinks in front of them and haven't ordered anything the whole time they've been there. Nodding at the seven at the end of the bar, one of the men asks the bartender, "What's with them?"

The bartender says, "They're retired people from Florida. They're waiting for Happy Hour when the drinks are half-price." - Submitted by J. Grimm

Bus operators needed at Manatee County Area Transit

Manatee County Area Transit (MCAT) is hiring full-time bus operators to provide high quality public transportation services throughout the County.

Last year MCAT officials brought the driver shortage situation to the attention of County Commissioners who responded by funding two new Handy Bus drivers. But several vacant positions mean MCAT needs new drivers to maintain existing service levels.

Qualified applicants for bus operator positions must possess a Class "B" Commercial Driver's License (CDL) or a Class "B" CDL permit with passenger endorsement by the effective date of employment and must pass a Department of Transportation physical.

Each bus operator is cross-trained to work the full array of bus services offered by MCAT, and every operator undergoes a comprehensive six-week training program which includes classroom instruction and supervised driving time on MCAT routes.

Transit Division Manager, William P. Steele said

joining the MCAT team is an opportunity to join one of the best transit divisions in the state.

"MCAT's team of bus operators are the critical frontline employees that consistently deliver high quality public transportation services to the residents and visitors of Manatee County," said Transit Division Manager William P. Steele. "Over the last two years, three deserving MCAT bus operators were recognized as the very best in Florida. The dedicated service, competency, and commitment to the community of MCAT bus operators are clearly reflected in these recent awards and recognition."

Steele added that Manatee County Government is a great place to work and offers an excellent benefits package including Florida Retirement System (FRS) contributions, paid holidays and vacation leave, and a flexible Health Benefits program.

Energy assistance available for low-income seniors

Manatee County is accepting applications for the Emergency Home Energy Assistance for the Elderly grant which offers financial help to residents ages 60 and older who have an economic hardship.

Tracie Adams, Manatee's Human Services Manager, says Manatee County may approve up to \$600 in state grant assistance for a household twice a year. Assistance is available to a household once during the cooling season, April 1 through Sept. 30, and again during the heating season, Oct. 1 to March 31. Manatee County will have about \$4,100 per month to distribute to needy customers from April 1, 2017 through March 31, 2018. There is still approximately \$7,600 of funding available now through March 31 from the current grant year. The program is available to Florida Power & Light and Peace River Electric Cooperative customers. "These are crisis benefits—you're in jeopardy of having your power turned off or need it turned back on," Adams said. "Recipients must have a final notice, past due amount or have their power disconnected in order to get the financial assistance."

To be eligible for assistance, applicants must:

- * Be part of a household with at least one person age 60 or older in the home;
- * Have a documented heating or cooling emergency (a past due amount on your bill; a final notice of disconnection has been issued, a deposit due or your electric has been turned off);
- * Earn a gross household annual income equal to or less than 150 percent of the federal poverty guidelines. That means a one-person household could have an income of \$17,820 or less to be eligible. A two-person home must show an income of less than \$24,030. These amounts are subject to change based on the Federal Poverty Guidelines.

You can call the Manatee County Community Services Department at (941) 749-3030 for more information or to make an appointment for assistance.

In Memoriam

In Loving Memory Of Joanne Dick

Joanne Dick was one of the founders of the South County Library, Guardian Angels of S.W Florida and Refugee Inc. She was also an elder in the Presbyterian Church and President of the Manatee County Heart Association.

Joanne and Ed were high school sweethearts and attended the University of Miami. Joanne was married to Ed Dick for 64 years and they have eight children. They lived in Bayshore Gardens for many years.

Joanne Dick made a difference in so many lives. Her children say she was the most compassionate, Christian and caring person they know. Her legacy will follow in them.

Social Media Marketing 101 Workshop

Presented by the Manatee County Public Library

Tuesday, May 23 at 11 am - 12 pm

Manatee County Public Library
1301 Barcarrota Blvd, Bradenton, Florida 34205

In this interaction workshop, you'll learn how to use the right social media channels such as Facebook, Twitter and LinkedIn to reach your target audience, build brand awareness, and develop a social media strategy that will produce results. To facilitate the posting process, learn how to use automation tools. If you are going to blog or tweet, what should your message to your followers be? How often should you do it? Should your business have a Facebook page? Bring your laptops.

This workshop will be led by Stacey Banks-Houston, MBA, Women's Business Centre Program Director and author of Passion Plan: Journaling Your Business From Passion to Position to Profit, and will take place from 11 am to Noon at Downtown Central Library (along Riverwalk), located at 1301 Barcarrota Blvd., Bradenton 34205.

To register for this FREE workshop, go to womensebusinesscentre.org/my-calendar/ and click the workshop name in the calendar graphic.

12 Weird and Fun Facts About Sports

1. In 1963, major league baseball pitcher Gaylord Perry remarked, "They'll put a man on the moon before I hit a home run." On July 20, 1969, an hour after Neil Armstrong set foot on the surface of the moon, Perry hit his first, and only, home run while playing for the San Francisco Giants.
2. Retired basketball sensation Michael Jordan makes more money from Nike each year than all the Nike factory workers in Malaysia combined.
3. The Olympic flag's colors are always red, black, blue, green, and yellow rings on a field of white. This is because at least one of those colors appears on the flag of every nation on the planet.
4. The average lifespan of a major league baseball: 7 pitches.
5. Dueling is legal in Paraguay as long as both parties are registered blood donors.
6. All major league baseball umpires must wear black underwear while on the job in case their pants split.
7. In 1920, Babe Ruth out-homered every American League team.
8. Babe Ruth wore a cabbage leaf under his cap to keep his head cool. He changed it every two innings.
9. Every year 56,000,000 people attend major league baseball games.
10. In 18th century England, gambling dens employed someone whose job was to swallow the dice if there was a police raid.
11. A Costa Rican worker who makes baseballs earns about \$2,750 annually. The average American pro baseball player earns \$2,377,000 per year.
12. There are 336 dimples on a regulation golf ball.

Did You Know?

People who fix the lights at the top of airplane radio towers usually have to climb them in the middle of the night. If a light burns out on the tower, late- night hours are the most cost-effective time for a station to power down, which protects the climbers from exposure to dangerous radio frequencies as they ascend upwards of 200 feet in the dark.

'Petrichor' is the soothing, earthy, and wonderfully pleasant smell of rain falling on dry ground. The term is derived from the ancient Greek words 'petra,' which means 'stone,' and 'ichor,' which is the fluid that flows in the veins of the gods.

Herbs as a Ground Cover?

By Nancy Porter, Master Gardener 2014

To some of us, planting space is at a premium. So, if we have the choice of planting things for the eyes to feast upon, why not consider something that will answer not one, not two, but three desires? Beauty to behold, aroma to enjoy, AND tastiness to our meals.

We have the opportunity to plant herbs as ground

German Chamomile (*Matricaria chamomilla*) Has a delightful scent and provides a delicious and soothing tea. Chamomile is rather aggressive; install barriers to keep it from overtaking your entire garden. Boggy soil is a no-no; well-drained soil is best. Plant it where it will get sun in winter and shade in summer.

Chervil (*Anthriscus cerefolium*) Sometimes referred to as French parsley, is a member of the carrot family (who knew?) and, as expected, is often used in French dishes. Chervil enjoys cool conditions, so plant it in the cooler months. Adding sphagnum peat moss will help provide the moist conditions it needs to thrive. Shade is necessary, as it will struggle in sun. Harvest leaves before the weather gets too hot.

Horehound (*Marrubium vulgare*) A perennial herb with hairy oval leaves. Since it is a weed in much of the United States, it should do great here! Well-drained soil and sun are needed, and it should be spaced about 12 – 18 inches apart. Trim plants regularly to keep them bushy. Horehound is used to make candy. It is thought to alleviate throat tickles and coughing.

Lemon Balm (*Melissa officinalis*) As the name implies, it is a lemon-scented perennial herb that belongs to the mint family. This herb can be used as a back drop to your garden, as it grows a bit higher (2 feet) and in clumps. It enjoys well-drained soil and lots of sunlight. Plants are started from seeds or cuttings. It might be 2 years before a well-sized clump is formed.

Marjoram (*Origanum majorana*), Is also called sweet marjoram. It is a perennial that grows upright. For your ground cover, pot

covers to beautify our surroundings and create beautiful deliciousness in the kitchen.

Most herbs will grow in conditions of soil and sunlight that are similar to vegetable gardening. Take into consideration pH testing and preparation of soil, in addition to fertilizing and watering.

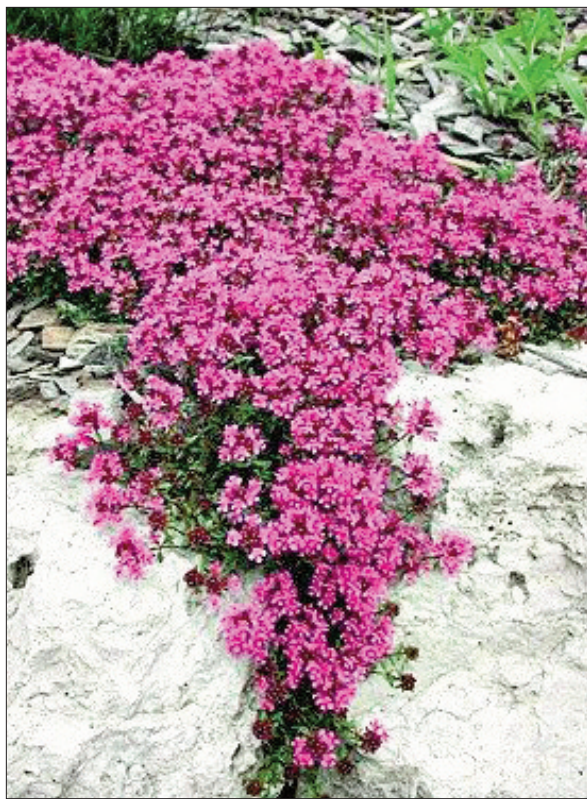

marjoram (*O. onites*) would be better, as it runs along the ground. Plants can be started early in the spring from seeds, cuttings or clump divisions. It is attractive enough to use as a border for a flower garden. It is drought tolerant and can take sandy soil and lots of sunlight

Mint (*Mentha* spp.) There are many forms of mint that can quickly spread throughout the landscape. Above and below-ground barriers need to be erected to keep it from taking over. Shady, moist conditions are best. Two of the most popular mints are spearmint (*Mentha spicata*) and peppermint (*M. piperita*). They have pointed leaves with slightly notched margins. The flowers are small, whitish, bluish, or violet.

Oregano (*Origanum vulgare*) Another herb of the mint family, is also called wild marjoram. Oregano is fairly drought tolerant; it needs full sun, and well-drained soil. It loves to be used! Pinching it back helps to obtain a lower and bushier posture.

Parsley (*Petroselinum crispum*) Parsley is a great success in our gardens. This biennial has a 2-year life cycle and is best planted in the fall or late winter. Parsley grows best in extremely rich and moist but well-drained soil. It flourishes in full sunlight, but will also grow in partial shade. Seeds are sown about ¼” deep, or set seedlings about 6” apart. Parsley is also a butterfly caterpillar favorite. Creeping

Rosemary (*Rosmarinus officianlis*)

Keep in mind a little goes a long way when planting herbs for culinary purposes. These low-growing herbs, mostly perennial, can provide us with a delightfully pretty, aromatic, and tasty garden.

'Prostratus'), Is an excellent ground cover if grown in full sun. It is drought tolerant and evergreen. It can be propagated though cuttings or division of established plants.

Thyme (*Thymus vulgaris* L.) Is low-growing and bushy and can be planted as a ground cover in mounds. It thrives in well-drained soil with full sun. You can keep it as close as 2” in height.

Stretching Helps Ease Spinal Stenosis Pain

DEAR DR. ROACH: My wife suffered from spinal stenosis. She had a cortisone shot, which helped for 90 days. She had regular physical therapy meetings. She was in constant pain, but insisted on playing tennis (against her doctor's wishes).

Then, we happened to vacation for a month in Florida, and one of the offered activities was a “stretch” workout. She insisted that she wanted to try it. After the very first time she thought she felt a little better. She went to several more sessions, and finally asked the trainer what she could buy to keep it up at home.

The trainer suggested a stretching DVD. It takes about an hour to complete it, and she now does it three times a week. She plays hard tennis five days a week, hasn't complained about pain since 2010, and hasn't needed any physical therapy, either. I continue to be amazed.

Certainly this kind of therapy can't hurt anyone, since you do it only to your personal comfort levels. Perhaps you might mention this type of therapy in your column sometime. It worked miracles for us at virtually no cost. — R.M.

ANSWER: Spinal stenosis is caused by pressure on the nerves at the level of the spinal column. Physical therapy is one effective treatment, and one I always recommend prior to considering surgery. I thank you for taking the time to point out that gentle stretching can help, probably by opening up the spaces in between the vertebrae to allow the nerve more room.

The booklet on back problems gives an outline of some causes of and treatments for the more-common back maladies. Readers can order a copy by writing: Dr. Roach — No. 303W, 628 Virginia Drive, Orlando, FL 32803. Enclose a check or money order for \$4.75 U.S./\$6 Canada with the recipient's printed name and address. Please allow four weeks for delivery.

DEAR DR. ROACH: We recently lost a dear relative to cholangiocarcinoma. He had served in the Navy in Vietnam. The probable cause of his cancer was from a parasite, a river fluke, which is common to that region. The diagnosis came way too late to save his life. How can veterans be tested or diagnosed early enough for a possible successful cure? Are there any current tests available? — J.A.E.

ANSWER: I am sorry to hear about your relative. Cholangiocarcinoma is cancer of the bile duct, a rare cancer. Liver flukes are a risk factor, and so is a condition called primary sclerosing cholangitis, a condition associated with ulcerative colitis. The cancer is rare but highly lethal, because by the time symptoms show up, the cancer usually is advanced.

Also because of its rarity, screening for the cancer in a general population won't be effective. However, for people at high risk, such as those with PSC or a history of liver parasites, at least one study has shown that screening with a blood test (CA 19-9, CEA) or by endoscopy can be effective. It would be reasonable to speak with the expert taking care of this problem, usually a gastroenterologist, about screening.

Dr. Roach regrets that he is unable to answer individual letters, but will incorporate them in the column whenever possible. Readers may email questions to ToYourGoodHealth@med.cornell.edu. To view and order health pamphlets, visit www.rbmamall.com, or write to Good Health, 628 Virginia Drive, Orlando, FL 32803.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

GO FIGURE!

by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

Stone Crab Claw Recipes

Marinated Stone Crab Claws

2 1/2 lbs frozen Florida stone crab claws
 1/2 cup butter, softened
 1 teaspoon curry powder
 1/3 cup orange marmalade
 1/4 cup lime juice
 1/4 cup soy sauce
 1 clove Florida garlic, minced
 1/2 teaspoon ginger

Crack and remove outer shell from the claws, leaving meat attached to the movable pincer that is on one side of the claw. Cream together margarine and curry powder. Spread curry butter over both sides of frozen stone crab claws; arrange on broiling pan. In the meantime, combine remaining ingredients, mixing well. Cook, stirring constantly, until clear and thickened; keep warm. Place broiler pan with the crab claws about 3-inches from heat source and broil 6-8 minutes, turning once, or until hot. Serve with hot marmalade dip.

Mango Marinated Stone Crab Claws

3 pounds medium Florida stone crab claws
 2 cups ripe mango, cut into 1/2 inch cubes
 3 tablespoons cilantro, finely chopped
 2 jalapeño peppers, seeded and minced
 4 tablespoons lime juice
 1 tablespoon light brown sugar
 Florida salad greens

Crack claws and remove shell and movable pincer, leaving the meat attached to the remaining pincer. Place in a single layer in a shallow dish. To make salsa marinade, combine mango, cilantro, peppers, lime juice and sugar in a mixing bowl. Taste for seasoning, adding more lime juice and/or brown sugar as needed. Spoon the salsa mixture over the meaty part of crab claws. Cover and marinate in refrigerator at least 2 hours. Serve claws on a bed of salad greens with mango salsa as an appetizer.

Stone Crab Claws with Cilantro Butter & Old Bay Seasoning

8 stone crab claws (fresh or frozen)
 1 tbsp Old Bay seasoning
 2 tbsp unsalted butter
 a handful fresh cilantro, chopped
 2 bay leaves; 1 garlic clove, peeled
 garlic powder; ice cubes
 Fill a large and high pan with water and add 2 tsp of Old Bay, peeled garlic clove and bay leaves. Season with pepper and salt. Place pan over high heat and bring water to a good boil. Add claws. Turn heat lower and boil claws: 10 minutes if fresh, 5 minutes to thaw if frozen. In the meantime prepare an ice bath: fill a large bowl with water and add 2 handfuls of ice cubes. Place this in fridge. Once crab is boiled, take pan off the heat and remove claws using a slotted spoon, and transfer to ice bath. Leave crab claws in ice water for 5 minutes, then drain them. Open claws up to make it easier to eat. Gently tap the claw with the back of a knife blade, turning the claw until it cracks open. Do the same with the crab knuckles. Add unsalted butter to a wok or large non-stick pan and place it over medium heat. Season with a pepper, salt, garlic powder and Old Bay. Add cilantro. Stir well and add cracked crab claws. Don't stir crab but let it warm through for about 7-8 minutes. Drizzle with cilantro butter from time to time. Divide the crab over 2 deep plates and drizzle with the remaining butter sauce. Serve hot.

Claws with Spicy Golden Mustard Sauce

3 pounds medium Florida stone crab claws
 2 tbsp dry mustard, 1 1/2 cups mayonnaise
 1 tablespoons Worcestershire sauce
 1 tablespoons half and half
 Crack claws; remove shell and movable pincer leaving meat attached to the remaining pincer. Set aside. Combine mustard, mayo and Worcestershire sauce; blend slowly for 3 minutes. Add small amounts of half and half until mixture has a creamy consistency. Serve claws with mustard sauce on the side.

Stone Crab Claws Miami

3 pounds Florida stone crab claws
 1/4 cup olive oil
 1/4 cup extra-dry vermouth
 2 tablespoons Florida lemon juice
 1 tsp salt; 1/2 tsp white pepper
 Crack claws, remove shell and movable pincer, leaving the meat attached to the remaining pincer. Heat olive oil in a skillet over medium heat. Add claws and cook for 3-4 minutes until heated through, turning claws frequently. Turn heat to high; add vermouth, lemon juice, salt and pepper to pan. Cook 1 minute more, spooning vermouth sauce over claws. Serve claws hot or cold.

Honey Citrus Florida Stone Crab Claws with Hearts of Palm Salad

3 lbs medium Florida stone crab claws, cooked and chilled
 1/2 cup sugar; 1/2 cup rice wine vinegar
 1/4 cup honey
 1/2 cup orange or tangerine juice
 8 hearts of palm, fresh or canned
 1/4 cup red onions, thinly sliced
 1/4 cup roasted red peppers, thinly sliced
 1/4 cup roasted yellow peppers thinly sliced
 2 medium oranges, peeled and segmented
 1/4 cup fresh tarragon leaves
 2 cups fresh spinach, finely chopped
 1/2 cup extra virgin olive oil
 1/4 cup rice wine vinegar
 2 tbsp fresh parsley, finely chopped
 Crack claws; remove shell and movable pincer, leaving the meat attached to the remaining pincer. Set aside. In a small saucepan, combine sugar, vinegar, and honey with orange juice. Bring to a boil and cook until thickened to syrup. Cool and set aside. Slice hearts of palm into thin strips. In a bowl, combine the hearts, onions, peppers, orange segments, tarragon and spinach. Dress salad with olive oil and vinegar; toss until moistened. Serve salad in center of plate with stone crab claws arranged around the edge. Drizzle the honey citrus sauce over all and garnish with chopped parsley.
