# IT'S A BEAUTIFUL THING!

The volunteers of our past. Where have they gone? Who can replace them? You can!

A small donation of time 3 to 4 hours now and then, will help us produce the available programs for the residents, young and old, of Bayshore Gardens. You may learn politics, the difference in the HOA and the Board of Trustees, learn a new card game or BUNCO. Can you play dominos? Join the yacht club families, pot lucks, water information or help crew a boat to the finish line.

You do not need to have a boat to belong. The holiday season is almost upon us, your energy may cause a child to remember a special time, or a veteran may smile on a stormy night remembering your kindness.

Volunteering help folks to smile. It will give you a warm fuzzy feeling.  
It's a beautiful thing!

*Dan Rawlinson, 1st Vice Chairman*

## "Flare" From The Chair

### Exciting! Exciting! Exciting!

Bayshore Gardens Park and Recreation District now has a "Planning for the Future" Committee. This committee will meet regularly to plan Bayshore's future use of common areas (pool, rec hall, park, ball field, marina, etc.). The group will generate ideas and do research as to the feasibility of the ideas, and then make presentations to the Board of Trustees to move the ideas forward from dreams to reality. We all pay an assessment for the use and upkeep of our wonderful common areas. Community input is invaluable for this new committee process to meet the needs of ALL residents of the district. New members can be added to the committee at any time. There is no maximum number of committee members. The only qualifications for being appointed to the committee are that you reside in Bayshore Gardens (renter or owner), and that you have a desire to give input into the future of Bayshore Gardens.

Are some of our facilities outdated? Should we hire a recreation director to plan and implement activities for various age groups?? Are some of the areas not being fully utilized? Should funds be spent differently? Would you like a kiddie water playground? Should we make a fitness trail with stations for various exercises? Should there be a dog park? Should there be planned teen activities? What ideas would you add to the above list? If you start rattling them off, you belong on this committee. We need representation of all age groups. Just let Jodie know at the District office if you would like to join the committee. All you need to bring is your enthusiasm for improving our already wonderful community!!! If you have ideas and don't wish to be on a committee, please provide your ideas to the District office. ALL IDEAS ARE IMPORTANT TO US.

*Your Leader, Sharon Denson  
Chairman, Board of Trustees*

The Tempus quote is \$13,382.51 for 2 vehicle gates at the marina, center pier walk through gate, and the Pool gate. Clubs are urged to provide the info at earliest convenience. The jazzercise classes have been held in the rec hall for about ten years and there is no contract on file. Jodie said she has been blocked in her designated parking spot by vehicles and asked that the adjacent parking spot be changed to an 'emergency vehicle parking only'. Sharon moved to purchase a sign not to exceed \$200. Don seconded, **MOTION PASSED.**

### OLD BUSINESS

Item 12. Appointment Future Planning Committee. Sharon appointed Suzanna as Chairman to the Committee and Holly Crouse and Debbie Korell as members. The committee will plan for future years of the District. Sharon stated that the Committee's Agenda must be submitted for the website at least 8 days in advance of a meeting. Available posted Committee Meeting dates are the first Wednesday or fourth Tuesday of each month.

Item 13. Auditor Selection Committee Report. Belle Baxter, Chairman of the Committee thanked the group for the opportunity to serve the community and the committee members for their work. She stated five proposals were received from the advertisement and three were selected for consideration of the Board: Mauldin Jenkins first, Braxton & Holway second, and Grau & Associates final. Jim seconded, **MOTION PASSED.** Sharon thanked Belle for all of her hard work on this Committee.

After a five minute break, the meeting continued with a discussion on distribution the many copies of the Legislative Bill created for our Special Taxing District.

The community is urged to pick some up at the District office. There will be copies available at the Labor Day Event

Items 14. Through 16. Marina Contracts 1005C, 1005MRR, 1005P, 1019A(WS#4); Revised 1005A Marina Work Area (WS#7); Revised 1005SBA Small Boat Area contract (WS#4) Sharon stated the marina contracts go out at the first of the month. They will be emailed and placed on the web. The slip renters can send in contracts and can pay by check or call-in with a credit card. Visa, Master Card and Discover are now accepted.

1005P Marina Policy: Sharon stated a word has been added to the last sentence as requested.

1005C Marina Vessel Contract: Terry represents the Marina committee who had had concerns on the year-long contract for nonresidents and impact on a resident's need for a slip. Sharon said the yearlong contract is normal and if the resident need a slip, we can move a nonresident boat to another slip to accommodate. To Sharon's knowledge no one said it has been a problem. Suzanna stated the resident may have to wait a year to get a slip. Sharon stated that she does not want to go back to a six month lease for nonresidents. She wants to go forward. Don asked what would happen if a snowbird could not come down to move a boat if a resident takes over. Terry said elimination of the \$500 deposit for resident/renters may create District losses. Sharon states that if the contract is enforced we can get rid of the boat. The reason some abandoned boats were/are in the marina so long is because the District was not pursuing the removal. Suzanna asked that rates be listed in the contract, but was deferred to be listed in the office.

1005SBA Marina Small Boat Area. Terry noted the words 'all notices to Lessee shall be considered delivered when sent USPS certified mail'. Sharon said that no one in the county requires a deposit and if there is an example of one, she asked to see it.

1005SBA, Small Boat Area Contact: There was discussion about the late fee. The late fee is an incentive.

1005MRR Marina Rules and Regulations: Terry and Suzanna asked that "No live aboard" should be added.

1005MRR Marina Rules and Regulations: "No recreational swimming" was defined in #15. "No skate board was taken out (#17). The 18" into the canal reference was previously replaced. #3 reference to dock lines will remain.

1005A Marina Work Area Agreement. The \$10 fee for nonresident boat slip is changed (from \$20).

1005MRR Marina Rules and Regulations: Line #6 ID stickers for vessel added. Currently decals are placed on the vehicle. Decals placed on the vessels would identify current slip holders

1005SBC: Marine Small Boat Area Contract: Line #96 annual rate with \$100 penalty? No change. There is a 30-day grace period.

1019A Gate Key Card Acceptance and Gated Parking Agreement. Terry suggested taking the first sentence out. It was removed.

1005MRR Marina Rules and Regulations: Steve asked the word 'sticker' be change to 'decals' in line #6. The vessel and trailer will have a decal.

# Restore Bayshore Reports

Our first fall meeting was Monday, August 13 at 6:30 pm. Suzanna Young called meeting to order 7:00 pm. Absent were V.P and Secretary.

\* Why not Explore uniform yard light placement (allow different styles). More charming with as much light. It works in newer communities.

After a summer break, we are cranking up for a renewed mission.

**NEW SUGGESTIONS:**

- \* Make more appeals to the County for a 4-way stop signs on Columbia at Harvard/Stanford intersection. School bus stop is here. It is a hazardous area for kids especially. (This was discussed at length when we had workshops for sidewalks in 2014-15)
- \* Develop a brochure on Bayshore for distribution to real estate offices, hotels, etc. Suzanna will look into.
- \* It was agreed to develop a section for business card size ads in Banner for (only) residents with services--mowing, pressure washing, etc.

As you know, the sidewalk projects are seeing completion. Harvard, Tulane, and Florida Blvd. are still in line. Major work has to be done on Florida before sidewalks.

Official crosswalks are showing up on Columbia and Dartmouth.

**Discussion began on ideas for future projects.** The first project has presented itself; a demand light at 26th Street and Florida Blvd. intersection. Accidents are happening there in increasing frequency. A CROSSWALK here is a must! This is a tricky intersection for pedestrians, especially for our kids to cross! We will need to make more appeals to the county. Suzanna will contact the appropriate county department for accident reports.

Jean Corbin will start developing a list and ask about getting special Banner rates.

Meeting adjourned 7:50 pm. **Join us at our next meeting Monday, Sept. 10, at 6:30**

Suzanna Young, President  
 Phone: 251-5727;  
 Email [atyounghnelson@icloud.com](mailto:atyounghnelson@icloud.com)

**Other suggestions:**

- \* The Speed Table Survey project which got stalled for lack of volunteers.
- \* New ideas on Speed Calming and what might be possible.
- \* Continue to pursue stop signs mid-way on 26th Street. Crosswalks.
- \*Research the city of Largo's street upgrades with round-a-bouts, islands and speed tables — which actually beautified those neighborhoods.
- \* In 2007-08 we used to have successful seminars by Master Gardeners on Florida-friendly yards. Could expand into food gardens.
- \* Keep up Yard of Month Banner article.
- \*Consider Bayshore Gdns expanding it's assessment area in memberships through a lottery method and ask the District to consider it. Expanded membership could show County our park being utilized by citizens who really want to utilize the park plus bring in more revenue. No one felt that should go forward.
- \*Historical designations on an individual basis to those residents who were open to the idea.
- \* Street lights. We need to look at this closely, it is an expensive and lifetime infrastructure expense.

## Tentative Schedule for Force Main and Sidewalk on 34th Street and Florida Blvd.

- 8/6/18-12/31/18:** Force Main work on 34stW from 60avW to Florida Blvd.
- 1/1/19-3/1/19:** Force main work on Florida Blvd from 34st W to Renaissance Drive (ROAD WILL BE CLOSED TO THRU TRAFFIC)
- 3/1/19-5/1/19:** Force main work on Florida Blvd from Auburn Avenue to Georgia Ave (ROAD WILL BE CLOSED TO THRU TRAFFIC)
- 5/1/19-7/1/19:** Force main work on Florida Blvd Georgia Ave to 26th Ave (ROAD WILL BE CLOSED TO THRU TRAFFIC)
- 7/1/19-9/1/19:** Force main work on Florida Blvd from 26th Ave to American Way (Road will remain open to traffic)
- 9/1/19-11/1/19:** Force main work on American Way from Florida Blvd to Bay Drive (Road will remain open to traffic)

## It's Hot Out!

Don't Leave Your Pet in the Car!

A car can overheat **even** when the window has been left cracked an inch or two.

Young, overweight or elderly animals, or those with short muzzles or thick or dark-colored coats are **most at risk** for overheating.

Shady spots offer **little** protection on hot days, and move with the sun.

**90°**

Even if the temperature outside is only 70°, the inside of your car may be as much as 20 degrees hotter!

**102°**

On an 85° day, it only takes ten minutes for the inside of your car to reach 102°.

**120°**

Within just 30 minutes, the car's interior can climb from 85° to a scorching 120°.

Many states and local governments have laws that prohibit leaving an animal unattended in a motor vehicle under dangerous conditions, which includes hot days. Your car could be damaged or you could be charged with a crime.

If you see an animal trapped in a car on a hot day, try to locate the owner or call 911! Stay by the car until assistance arrives.

## Candidate Debate, Sponsored by the Bayshore Gardens HOA

On August 9th, the HOA sponsored a candidate debate. Over 80 people came to listen and foster questions, more than could be answered in the allotted time. A special thank you goes to Holly Clouse and Deborah Korell. As moderators, they maintained control and fielded questions to the 10

candidates present. Available positions are: State Representative, School Board, County Commissioner, and a Judgeship. We hope to sponsor a second candidate debate. The delicious baked ziti, salad and garlic knots were donated by Scarpino's Family Restaurant located in the

Bayshore Gardens Shopping Center, 6152 Bayshore Gardens Parkway 14th Street West. We thank all for the food, fellowship and information.

# League of Women Voters of Manatee County

13 Constitutional Amendments are added to the Ballot. It is Important to Understand them before you VOTE!

**Understanding the Ballot Amendments in the General Election.** In addition to candidates for office, the **November ballot** will include 13 Florida Constitutional Amendments. Some were placed on the ballot by the Florida Legislature, some by the Constitutional Revision Commission, and some by petition of citizen's organizations.

**Some of them are grouped**—they contain more than one change. A yes vote will pass all of the separate provisions in those amendments.

In order to pass, amendments require a supermajority vote of 60%. Given its importance and potential for voter confusion, we are covering the **amendments in a number of talks.** All of the talks will include a Powerpoint that provides the text and explanation of amendments, what it will change, what happens if you vote yes, and what happens if you vote no. There will be an additional program on Amendment 4.

## Schedule for Amendment Talks:

**Monday, September 10: Hot Topic: Understanding the Amendments.** Slide presentation and discussion. Bradenton Woman's Club, 1705 Manatee Ave. W, from 12 noon to 1:00 pm. A buffet luncheon will be available at 11:30 am (\$5 donation requested for the lunch).

**Monday, October 1: Understanding the**

**Amendments,** Manatee County Central Library, 1301 Bacarotta Blvd. W, Bradenton, auditorium, 6:00 pm to end of discussion.

**Monday, October 8: Hot Topic: Amendment 4: Restoring the right to vote.** Bradenton Woman's Club, 1705 Manatee Ave. W, from 12 noon to 1:00 pm. A buffet luncheon will be available at 11:30 am (\$5 donation requested for the lunch). (more details below)

**Thursday, October 11: Understanding the Amendments,** Lakewood Ranch YMCA, 5100 Lakewood Ranch Blvd, 6:00 pm to end of discussion.

**Thursday, October 18: Understanding the Amendments,** Freedom Village Community Center, 2:30 pm.

**Second Chances: Restoring the Right to Vote:** Presentations and discussion on Monday, October 8. In Florida, the right to vote is denied to anyone who has EVER committed a felony, unless granted clemency. Over 1.6 million Floridians have had a felony conviction— 1.3 million no longer in custody or supervision. Application for clemency is expensive, extremely long and arbitrary. The court has ruled Florida's former felon lifetime voting ban must change.

On the November ballot, Florida Constitutional

**Amendment 4** would restore voting rights to all ex-felons who have completed all elements of their sentence (except for murderers and felony sex offenders, who will still have a life-time ban, unless granted clemency). How would it work? What happens if it passes? Get all the facts at this program.

**Bradenton Woman's Club,** 1705 Manatee Ave. W, from 12 noon to 1:00 pm. A buffet luncheon will be available at 11:30 am (\$5 donation requested for the lunch).

**Wednesday, Oct. 17: Voting Smart— Researching Candidates and Issues.** Do you feel overwhelmed by the information (and misinformation) you receive about candidates and issues? Learn how to cut through the campaign bluster, and find the facts. Speakers and discussion on this issue. Lakewood Ranch Town Hall, 8175 Lakewood Ranch Blvd. 7:00 to 8:30 pm (6:30 to 7:00 - social time).

**Tuesday, Nov. 6: General Election. Don't forget to vote!** But don't wait for election day. Given the length of the ballot, we encourage voters to use vote by mail or early voting.

SAFETY TIPS

..... from the  
**JUSTICE NETWORK**

**AVOIDING DANGER.....** Many crime victims are the result of being in the wrong place at the wrong time. But there are ways you can avoid being in a dangerous situation. Know the way out should the need arise. Thinking ahead could save your life. Also, avoid isolated areas. If no one is around, no one can help. Finally, your intuition and senses are your best line of defense. If something doesn't feel right avoid it. **BE AWARE, AND BE SAFE.**

**Board of Trustees Meeting Minutes,  
Continued from Page 3**

Dan made a motion to accept the discussed documents as amended 1005A (WS#7) Marina Work Area Agreement; 1005C Marina Vessel Contract; 1005MRR Marina Rules And Regulations; 1005P Marina Policy; 1005SBA Small Boat Area Contact; 1019A(WS#4) Gate key Card Acceptance and Gated Parking Agreement. Steve seconded, **MOTION PASSED** with the following vote results: 5 Yeas – Jim, Dan, Sharon, Steve, and Barbara; 3 Nays – Suzanna, Terry, and Don.

Item 17. 1017P Banner Policy. Our publishers (Kim) bill for the August Banner was high due to the straggling ad submittals and blurry graphics. Advertising and ad creation is not free for the clubs. The deadline for submittal is the 15th of the month unless space is reserved or other arrangements are made. Terry said that the Yacht Club meets the third Thursday of the month and the deadline has been extended for them. Steve stated some low resolution DPI photos were not usable and Kim had to work on them more than once and that nothing should be submitted to the publisher directly. Don asked about individual articles. The issues are tabled until the September 5th Committee Meeting. Steve stated all submittals must be sent to office@bayshoregardens.org. If they are submitted to Kim directly, she had been directed to send them back to the office.

Item 18. Disposal of Property - Steve shared a list of items to be disposed or destroyed from Jodie. Steve made a motion that any surplus property with value be advertised. Don seconded the motion. Sharon asked that the floating lane lines be donated to GT Bray. Steve withdrew his motion and Don withdrew his second. Steve made a motion to 1. Anything of value will be listed in the Banner for sale for 30 days. 2. Donate the floating pool lane lines to GT Bray. 3. Disposal of anything else not working. Don seconded the motion. Discussion: the lane lines are bulky and new. Steve said that Joanne was supposed to return them but did not. **MOTION PASSED.**

**NEW BUSINESS**

Item 19. Bills (monthly) approved for payment. Bill's payment to be approved prior to payment. Sharon moved that the supplied list of monthly bills be paid monthly. Don seconded, **MOTION PASSED.**

Item 20. Signage for the Marina. Sharon made a motion to have Sir Speedy make the signs for the marina as quoted. Steve seconded the motion. Discussion: Currently cars are parking where vehicles with trailers should be. Jodie said the signs state the decal parking is behind the marina gate, and if there is no decal they will be towed. Terry said that the Banner says that 'marina signs are coming' prior to the approval at this meeting. The **MOTION FAILED** with the following votes: 4 Yeas – Jim, Sharon, Steve, Barbara; 4 Nays- Suzanna, Terry, Don, and Dan.

Item 21. Loan of District Property 1024C Due to the extended meeting time, this issue had to be tabled and will be discussed at a future meeting.

Item 22. Roof over Back Porch and Recreation Center. Sharon stated the screen room roof is falling apart and needs to be fixed. She reported the roof leak is fixed over the main hall. Jodie called eight roofers to bid on the roofs and one came. Jodie said that it appeared some of the screen room rafters had been pulled down when someone removed decorations. Terry asked if the

porch can be extended before the roof is redone. She said if it was larger we could rent it more. Suzanna said that the redesign is needed in the Future Plans. This issue will be continued in another meeting.

Item 23 Announcements from Clubs and Organizations. None.

Dan made a motion to adjourn. Steve seconded the motion. The meeting was adjourned at 10:24 pm.

# Bayshore Gardens has been ignored by the government long enough!

I was recently asked why I'm running for County Commission District 4. I'm running for office because the state of indecision, failure to lead and inaction in South Manatee County is unacceptable. Bayshore Gardens has been long ignored, and I intend to take action and get results starting immediately with the following:

- Create a plan and timeline to repair our roads.
- Fix the drainage issue once and for all.
- Build new or repair existing sidewalks.
- Replace and install street lights.
- Get to the bottom of the Bayshore High School site concerns about toxicity and a way to fix the problem.
- Ensure growth is managed correctly and does not negatively impact our local residents.
- Demand release of the \$10,000,000 in existing, unused funds slated for District 4 infrastructure.
- Begin researching how we can get parks and recreational facilities for our residents built in South County.
- Guarantee that the voice of the community will be heard and result in action being taken.
- Make this a better place to live, work, and play for every resident.

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

## GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

## School Bus Safety Tips for Motorists

- \* Be alert and watch for children especially near schools, bus stops, school buses and in school parking lots.
- \* Children on bicycles can be unpredictable and can make sudden changes in direction. Be especially careful when children are present in school zones and residential areas.
- \* Pay extra attention to lower speed limits in school zones.
- \* Watch for and obey signals from school crossing guards.
- \* Only drive or park in authorized areas to drop off or pick up children at school.
- \* Motorists are required to stop when approaching a school bus that is stopped with its red lights flashing and STOP arms extended.
- \* All drivers moving in either direction on a two-way street must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- \* On a highway divided by a paved median, all drivers moving in either direction must stop for a school bus displaying a stop signal, and must remain stopped until the road is clear of children AND the school bus stop arm is withdrawn.
- \* The only time traffic approaching an oncoming school bus does not need to stop, is if there is a raised barrier such as a concrete divider or at least five feet of unpaved space separating the lanes of traffic.
- \* On a highway divided by a raised barrier or an unpaved median at least 5 feet wide, drivers moving in the opposite direction do not have to stop for the bus (painted lines or pavement markings are not considered barriers). However, these motorists should slow down and watch for students loading or unloading from the bus.
