Certified Lifeguards

The pool season is quickly approaching, and we are looking for residents of the District that are already certified or interested in becoming a certified lifeguard. You must at least 15 years of age and available to work evenings and weekends. Please contact the District Office at 941-755-1912 for more information.

WALK-IN VOLLEYBALL RESUMES ON THURSDAY MARCH 17

FYI FROM THE BOARD

Bayshore Gardens Board of Trustees meetings are rarely boring.

There are lots of factors involved. As an Independent Special District created by the Legislature the Board is bound to comply with State, and County Statutes as well as District Charter and By Laws.

According to the Charter, the nine-member Board is charged with maintaining the buildings and grounds which include the launch ramp, the marina, the basketball court and former shuffleboard court, the pool, the picnic area, the beach, the small boat area and the community hall and back porch as well as the required support staff and materials.

The current assessment of \$377 per household (when multiplied by 1390 homes) is \$524,030.00,

which to some is A LOT of money, while to others, it's seen as an investment in their homes' values. Quite frankly, it's barely enough to keep the District going. Fortunately we have a great treasurer who makes sure there's no fluff in District spending.

Previous Boards may have made what they thought at the time was a good decision to not spend too much money on repairs in the District but in 2020, & 2022 the Board, and residents, are learning these decisions are impacting the community in today's dollars.

There are three types of meetings every month open to the public – committee meetings, workshops and formal Board meetings. Check the calendar on the website or in the Banner. If you want to be heard, plan on attending one.

Belle Baxter

Bayshore Gardens Park & Recreation District Board of Trustees Meeting Wednesday; January 26, 2022 @ 7:00 PM

Preliminaries - Roll call was taken, and a quorum was established. The Pledge of Allegiance was conducted. Meeting was called to order at 7:04 p.m. by First Chair Dan Rawlinson.

Trustees Attending - Barbara Greenberg, Barbara Susdorf, Dan Rawlinson Belle Baxter, & Kyle Weatherly. Chairman Morris Raymer attended via Face Time.
Absent Trustee(s) - Melanie Woodruff and Terry Zimmerly

Also Attending - Gia Cruz, District Office Manager.

D. Rawlinson made a **motion to cure the January 12th Emergency Meeting. Motion Passed, Unanimously.**

Board Candidate for Vacant Seat 02 - Jeanne Murphy presented her credentials. B. Baxter made a **motion to add Jeanne Murphy to the vacant seat #2 on the Bayshore Gardens Park & Recreation District Board. K. Weatherly Seconded and also added and endorsement of Mrs. Murphy. Motion Passed, Unanimously.**

Approval of Minutes - K. Weatherly made a **motion to approve the minutes from the December 8th Work Session. B. Baxter Seconded. Motion Passed, Unanimously.** K. Weatherly made a **motion to approve the minutes from the December 15th Board Meeting. B. Baxter Seconded. Motion Passed, Unanimously.** K. Weatherly made a **motion to approve the minutes from the January 3rd Organizational Meeting. B. Susdorf Seconded. Motion Passed, Unanimously.** K. Weatherly made a **motion to approve the minutes from the January 12th Work Session. B. Baxter Seconded. Motion Passed, Unanimously.**
K. Weatherly made a **motion to approve the minutes from the January 12th Emergency**

Meeting. B. Baxter Seconded. Motion Passed, Unanimously.

Treasurer's Report - The report was attached to the agenda; however, the treasurer was not in attendance at this meeting.

District Office Manager's Report - G. Cruz reported there is a leak in the south marina that is covered under warranty with Duncan. The office received a letter from our current porta potty supplier indicated that the \$291.25 per unit will be increased in February. Gia investigated options and found Portable Sanitation of Tampa who can also provide an ADA compliant unit at \$185 per unit. K. Weatherly a **motion was made to change our porta potty supplier company or stay with the current company if they will match the price. S. Susdorf Seconded. Motion Passed, Unanimously.** Gia reported a suspicious silver Chevy Caprice has been entering the marina disguised as a police officer. She reported the car and tag to the Manatee County Sheriff's office, and they provided her with a case number. Gia advised of the upcoming committee meetings for February. The Marina Committee will meet Tuesday the 1st at 7pm. The Recreation Committee will meet Wednesday the 2nd at 6:30pm. The Long-Term Planning Committee will meet Wednesday the 2nd at 7pm.

Committee Reports

Policy & Procedure - Gia spoke with Melanie and she stated that since the policies were discussed at the Work Session. If the Board is fine with them, and we have a quorum they can be voted on tonight. Dan asked if anyone wanted to make a motion, and no-one responded. Dan said they can be brought back up at the February Board Meeting.

Recreation - B. Belle advised that she did not have a meeting last month as no members attended. She did report that they are anticipating started volleyball again on March 17th which is the first

Continued on Page 3

Board of Trustees Meeting Minutes - Continued from Page 2

Thursday after the time changes. Belle also updated regarding the Banner deliveries. She went the 57th street post office and spoke to the supervisor. They were pretty shocked of the number of people not receiving the Banner or receiving it late. This time Belle and Dan are going to take part of the delivery to the post office on Tallevast and the other part to the post office on 57th Street and see what happens.

House & Grounds - K. Weatherly stated he and Gia called pool companies across the state and only received a response from Xecutive Pools. The response from everyone we spoke with either did not want to work on a pool our size, did not have the time, staff or material to take on the job.

The price from Xecutive Pools includes the replumbing and piping, resurfacing the pool, all new tiles, removing the upper deck and replacing it with brick pavers and a well-point system to anchor pool in ground. This will bring the pool current with today's code enforcement as we are currently grandfathered in because it is so old. There is no way to work around the issues that Xecutive Pools found; it is all or nothing and the prices will increase the more we put it off. With all of the patch jobs and repairs to the pool we will have already paid for the scope of work. Gia verified with Terry that we have the money available at this time. Xecutive Pools could start the repair in 6 to 8 weeks and the scope of work will take approximately 2 to 3 months to complete. The only thing not reflected in the estimate is the pump system. The pumps are shot, and we are manually adding in the chemicals. The estimated cost to repair the pump system is about \$3000.

B. Baxter questioned the electrical and requested making sure the electrical is upgraded to be able to add exterior lighting for nighttime swimming down the road.

K. Weatherly made a motion to do all the necessary pool repairs listed in the proposal and the issues with the pump for \$350,000. No Second. B. Greenberg stated we would need to put the pool project out for a bid and asked if we have in writing the different companies stating they are unable to do the scope of work.

Resident Comments - Adam Hange said for the amount of money that we are going to spend on this repair it would be beneficial for the District to do the R.F.P. process that way we have the documentation if anyone ever questions us, we sent this out to bid and only one company responded. Other discussion from the audience and interaction with Trustees had to do with legalities and policies as to how the search was conducted and bids were made. The takeaway is redoing the pool or close it for the season.

D. Rawlinson welcomed guest Simone Peterson from Manatee County to the meeting.

B. Baxter suggested adjoining current meeting to allow K. Weatherly and G. Cruz to confirm phone calls and get an R.F.P. together and get advice from Scott Rudacille, District Attorney.

B. Baxter made a **motion for the meeting to be adjourned. S. Susdorf seconded. Motion Passed, Unanimously.** Meeting adjourned at 8:10 p.m.

Respectfully submitted
Anita Belle Baxter
Acting Secretary

Bayshore Gardens Homeowners Association

Your Homeowners Association and Neighborhood Watch will be hosting a breakfast on Saturday March 12th from 9am to 11am in the Recreation Center. The Breakfast is free to Homeowners Association members. To become a member, it's only \$10 a year per household. If you are not a member you can still attend for only \$5.00. I also need three volunteers to help with the Breakfast. Please contact Dan at 941-755-9388 for more information.

Don't forget to come to your Homeowners Association and Neighborhood Watch meeting/potluck that is held on the second Thursday of every month at 7pm in the Recreation Hall. Bring your opinions, ideas, and a dish to share.

I hope to see you there! Dan - 941-755-9388.

It's a Beautiful Thing

I am looking for a line dancing instructor. You don't have to be licensed, but you must know something about line dancing and have the ability to fog a mirror.

Don't forget to come and check out the Jam Session held on the 1st and 3rd Monday of every month starting at 7pm in the Recreation Hall. Also, the HOA starting hosting dance lessons on the 2nd and 4th Monday of the month starting at 7pm also in the recreation hall. For more information, please contact Dan at 941-755-9388.

It's a Beautiful Thing!!

Dan Rawlinson is available anytime at 941-755-9388

Neighborhood Watch

Neighbors helping neighbors, look after your three neighbors: across the street from you, on the left and the right and if you see something, say something!

For emergencies call Manatee County Sheriff Office at 941-747-3011 Ext: 2260. Or if you have comments or complaints call Dan 941-755-9388.

Woodchoppers Club

2022 Memberships are available at the Recreation Center Office during their regular hours and immediately after our 10 am March 12th meeting in the shop.

We have prioritized our ongoing projects. Finishing the vacuum system on the east side of the shop is first, then assembling the two new tool stands (with wheels) is second.

Removing unused, unneeded items was discussed at our January meeting. The shop will not have food items, i.e., coffee machine and condiments, microwave. Also, to be removed are the unused books.

Remember: Members should call an officer if they have problems working any equipment. Instruction on a piece of equipment can be set by appointment. Officers' phone numbers are on the front window.

If there is any problem with a tool, please notify an officer and leave a note/tag on the tool. Tags are in the metal cabinet along the north wall. Club Officers' phone numbers are listed on the front window. Use safety equipment when using any power tool. Shop users are required to sign-in at the door and clean up after using the shop.

We will see you at our March 12th Meeting in the shop at 10 am.

Woodchoppers Club 2022 Officers:

President - Harold Donaldson
Vice President - David Wellborn
Treasurer - David Wellborn
Secretary - Gwen Norris

Recreation Committee Meetings

Bayshore Gardens Park & Recreation District
Recreation Committee Meeting Notices For 2022
Located at Bayshore Gardens Park & Recreation District: 6919 26th St W; Bradenton, FL 34207

1st Wednesday of the month at 6:30 pm in Recreation Hall

March 2nd, November 2nd & December 7th

1st Thursday of the month at 5:30 pm at Picnic Table by Volleyball Net

April 7th, May 5th, June 2nd, July 7th, August 4th, September 1st & October 6th

Jam Sessions

The Jam Session meets on the 1st and 3rd Monday from 7pm to 9pm in the Recreation Hall. All are welcome to join or just come and be a part of the peanut gallery. We have 10 to 12 members at all times.

Game Night

Game night started back up in February. We hope you will join us the 2nd Tuesday of each month at 7 pm in the Recreation Hall. .

GARDEN CLUB

BG Garden Club Minutes for January 7, 2022

The Meeting was called to order by Gwen Norris, President. The nine in attendance saluted the flag.

Secretary Report - The Secretary position is still open. Gwen will write this meeting's minutes. With no volunteers for 'Secretary' at this time, the Secretary position will be addressed later. The January minutes were accepted as written.

Treasurer Report - Marie Young said there were no changes from the January Meeting. Treasurer's Report was accepted. More memberships were accepted.

Roster - Joyce Fisher distributed the latest Roster to attendees.

New Business:

March 7th Meeting - Joyce reported Terry Zimmerly told her that we will not have a designated guide, but can roam Burnett's Nursery (4808 18 St East, Bradenton) next Month - Monday, March 7. Host- Terry; Refreshments- Winnie Denny-Smith. We will meet at the Hall at 1:00 and carpool to the nursery.

Sunshine - Judy Drake will send cards to Terry Zimmerly and to Matilda Renovalez.

Thought of the day - Judy Drake "There's no right way to do a wrong thing".

Happy wishes go to those with Birthdays this month.

Christmas lunch has been changed to Monday, December 12 at Anna Maria Oyster Bar Landside.

Nomination Committee was formed. Members: Evelyn Bailey, Winnie Denny-Smith, Marlene Durgin, and Marie Young. The Committee will meet in November for nominations with 'acceptance' in December.

Refreshments- We thank Evelyn Bailey for bringing some fine refreshments. Gwen introduced Marlene Durgin, who has a presentation on Monarch Butterflies and milkweeds. Marlene has been raising Monarchs for years. Of interest: the Monarch Butterfly lays eggs on the milkweed plant. Every butterfly has their specific host plant to lay eggs. Always purchase your milkweeds where they do not use poisons to treat the plants, or the Monarchs may be deformed. Monarchs have four stages in life: egg, larvae (caterpillar), pupa (chrysalis), and adult butterfly. In the larva stage they start out very small and grow long and plump. Their life cycle can be six weeks long. Monarchs fly south to avoid prolonged cold spells. Florida Monarchs aren't known to migrate to South America. Migrating Monarchs can live longer than Florida's. The male Monarch have two noticeable black dots on their back wings. Marlene brought two sizes of butterfly cages, information brochures, photos, and some milkweed plants for demonstration and show. We thanked Marlene for a very informative presentation.

We adjourned at 2:20PM.

FUN FACTS ABOUT ... SPRING

The first day of spring is called the vernal equinox. The term vernal is Latin for "spring" and equinox is Latin for "equal night." The fall and spring equinoxes are the only two times during the year when the sun rises due east and sets due west. On the first day of spring, a person at the North Pole would see the sun skimming across the horizon, beginning six months of uninterrupted daylight. A person at the South Pole would see the sun skimming across the horizon, signaling the start of six months of darkness

CODE ENFORCEMENT

(a) Commercial vehicles.

(1) Commercial vehicles may be parked on any property in compliance with the Land Development Code appurtenant to a structure on the premises, or when engaged in active on-site construction, transportation or other temporary service for the premises where they are parked.

(2) Commercial vehicles shall not be parked on any residential lot, or in/on any right-of-way, except as provided below:

a. On properties with a bona fide farm operation on land classified as agricultural land pursuant to Section 193.461, Florida Statutes;

b. Two (2) commercial vehicles per premises may be parked on residential property, when such vehicles are used by residents of the premises and are parked off-street in a garage, carport or driveway, provided that neither vehicle exceeds fifteen thousand (15,000) pounds of gross vehicle weight (GVW) and nine (9) feet in height. The height shall be measured from the ground to the highest point of the vehicle or any object being carried. The height limitation shall not apply to commercial vehicles less than one ton rated capacity.

c. One of the two (2) commercial vehicles may be a tow truck, provided that the towing company is on an approved law enforcement response list and the vehicle is not capable of towing semi-tractor trailers.

(3) Additional limitations on commercial vehicles are set forth in the Land Development Code under the Whitfield Residential Overlay District and Restricted Vehicle Overlay District.

(b) Restricted vehicles.

(1) Restricted vehicles may be parked on property with an occupied single-family residence or duplex when such vehicles are unoccupied and stored in a garage, carport, structure or building or at an approved off-street vehicle storage area in compliance with the requirements of the Land Development Code.

(2) Restricted vehicles may be parked in the side yard and rear yard of property with an occupied single-family residence or duplex, provided that

the restricted vehicle does not extend more than five (5) feet past the front of the structure and that the restricted vehicle is owned by the property owner or tenant.

(3) In residential districts, restricted vehicles may be parked in a front yard (excluding primary front facade of home/principal frontage) of a secondary front yard of a corner lot and shall be set back ten (10) feet from the property line and substantially screened from view with a minimum of a six-foot fence or full hedge.

(4) Restricted vehicles may be parked on a paved driveway of a front yard:

a. On property located within (i) the general agricultural district (A), (ii) the agricultural suburban district (A-1), or (iii) the residential

Continued on Page 7

Code Enforcement, Continued from Page 6

single-family district with a maximum density of one dwelling per acre (RSF-1) as described in the Land Development Code; or

b. When permitted for vehicle sales in compliance with the Land Development Code and approved plans.

(5) Restricted vehicles shall not be parked or located in any utility or drainage easement, visibility triangle, right-of-way, fire lane, walkway, exit way, drive aisle, maneuvering area or landscape area.

(6) A restricted vehicle may be parked in a driveway if the owner or occupant of the property is physically disabled requiring the use of such equipment as the principle motor vehicle for general purpose transportation and a disabled parking permit is displayed in the restricted vehicle in compliance with Section 320.0848, Florida Statutes.

(7) A restricted vehicle may be parked in a driveway temporarily for the purpose of cleaning, loading and unloading materials in preparation for a trip or after returning from a trip, provided that such parking shall not exceed two (2) occurrences in any thirty-day period. Each occurrence shall not exceed three (3) days.

(8) No service facility, such as water, sewer or electrical connections shall be attached to a restricted vehicle, except that a temporary electrical extension may be connected to the restricted vehicle for battery charging and at the time when ordinary repairs or maintenance is being performed on the restricted vehicle.

(9) Additional limitations on restricted vehicles are set forth in the Land Development Code under the Whitfield Residential Overlay District and Restricted Vehicle Overlay District.

10) Boats may be parked on property located in the Cortez Fishing Village Overlay District. Boats may be parked in the front yard and side yard of residential property in such district in compliance with the following requirements:

a. Non-commercial boats, such as pleasure boats, may be stored in side yards when the boat is owned by the resident of the premises, but only if the lot size or building configuration makes storage in the rear yard physically impossible.

b. Commercial fishing boats owned by the property owner may be stored in the side yard or rear yard.

c. Historical or commercial or non-commercial fishing boats titled in the name of a nonprofit organization may be stored on property owned by such organization for a period not to exceed three (3) years.

d. Commercial fishing boats and commercial fishing equipment may be stored on vacant lots adjacent to residential structures which are under the same ownership, provided such storage is located at least fifteen (15) feet from the front property line.

(11) This section shall not apply to properties with a bona fide farm operation as set forth in Section 823.14(6), Florida Statutes.

(c) Inoperable vehicles.

(1) Except as otherwise provided in the Land Development Code, no inoperable vehicle shall be parked, kept or stored on any property in a state of major disassembly, disrepair, or in the process of being stripped or dismantled.

(2) No inoperable vehicle, including motor vehicle frame, vehicle body or parts shall be parked or stored on any property, public land, right-of-way or easement, except when parked or stored in a completely enclosed garage, structure or building.

(3) A maximum of three (3) vehicles commonly referred to as street rods or antiques may be parked or stored on agricultural property where the existing farm operation is adjacent to an established homestead or business on March 15, 1982, provided such vehicles are not visible from the street or are screened from view from the street. The provisions of this section shall not apply to agricultural vehicles on agricultural property.

MANATEE MATTERS WITH COMMISSIONER MISTY SERVIA

NAME THAT PARK!

South County is about to see construction begin on a new park, in District 4, and I thought it would be fun to ask our residents to choose a name. (I love a contest!)

I recently recorded a video for “Manatee on the Move” where I joked that we might want to understand a little more about the park before we start throwing out names like, “Parky McParkface” or “Park side of the Moon”, so here’s the scoop: This new park will be located north of Kinnan Elementary, just North of Tallevast road, on the west side of Prospect Road. This will be Manatee County’s first designated dog park in District 4 with separate fenced-in areas for both our large and small, 4-legged friends, offering a safe space for off-leash exercise and socialization, and allowing you to build a dog-friendly network with your neighbors.

Shade structures will provide a break from the Florida sun and doggy water fountains will keep your pup well-hydrated. And your dog won’t be the only one blowing off some steam - will now have a place to work on our “Put Away” shot on one of two new Pickleball courts that will feature slip-resistant surfaces. Pickleball is one of the fastest growing, easy to learn and low-impact sports in the nation, and I’m really excited that we will soon have courts in south county. Why is Pickelball so highly contagious? Because practically anyone can play from beginners to seasoned tennis players. And, it’s a very social sport where you can hold a conversation with your friends while playing. If you tried to get on a pickleball court lately, you understand that we can’t build these courts fast enough.

After pickleball, residents can cool down by taking a self-guided trip on our new fitness trail. This trail

will be over a half-mile long and will be an excellent way to build stamina and add variation to your workout or take a scenic and leisurely stroll in the evening after dinner.

Preserving natural wetlands was an important part of the scope of this project, as was the addition of public restrooms and the creation of an open amenity lawn area for a variety of activities. (I can imagine kids throwing a Frisbee or playing a great game of catch here!)

So now the fun part. Manatee County will be accepting suggestions for the name of our new park. If you have a name in mind, please make your suggestion at mymanatee.org/namethatpark. We will take suggestions for the month of March, and each person is allowed to submit up to 3 different names. The top suggestions will be selected by District 4’s own Citizens Coalition on Growth. This is the group that I started shortly after being elected to represent District 4 in 2018. After they short-list the names, I will bring them to an upcoming board of county commissioners meeting where we will officially choose the name of our park.

The winner will be presented with a proclamation, officially naming the new park, and have their name written into the pages of Manatee County History.

The newest park in Manatee County could have your name all over it! Visit mymanatee.org/namethatpark for rules and to make your submission today.

Misty Servia is a Manatee County Commissioner who represents District 4 and can be reached at misty.servia@mymanatee.org.
