Neighbors,

Bayshore Gardens Park and Recreation District is responsible for maintaining the standards of appearance, safety, and values of our neighborhood for the residents that live within the District. The Board must plan for future repairs, replacements, and expenses that may arise from managing the District. This mission is made possible through the annual assessment.

In the past few years, the Board has completed projects that were long overdue. The funds were saved for several years for the Board to complete these projects. These projects include remodeling the following:

- Replaced fishing dock
- Boat ramp
- Dredged the marina
- Replaced all piers
- Updated the hall
- Adding a restroom dedicated to the screen room

The reality is that our District infrastructure is aging, and we need to make the necessary investments to maintain the amenities if we are to continue to provide the level of services and benefits residents currently enjoy. The District is facing:

Continued on Page 2

Neighbors, Continued from Page 1

- ADA Pool Bathrooms – law requires us to start a new ADA project 2 years after completion of last project until everything has been brought up to today ADA requirements (estimate was over \$300,000 three years ago)
- Update Security System
- Aging basketball court with is used every day by many (several ridges to trip over) - approximately \$70,000
- Plumbing under our 60-year-old pool may break at any time costing us over \$300,000 to repair
- Insurance cost and taxes are increasing exponentially
- Cost of living increases our salaries and cost of materials have increased to maintain the District

We have a lot of our space that is underutilized and with your ideas we can make these areas useful to our residents and their guests. Come to the Board Meetings or call (941-755-1912) or email (office@bayshoregardens.org) the office and express your ideas for our future. You are always welcome at the BOT meetings as well as all committee meetings. We welcome your participation.

We encourage you to come to the budget hearing and exercise your right to vote!

*Sincerely,
Board of Trustees

NOTICE

Dear Bayshore Gardens Property Owner,

Re: Annual Assessment

This Notice is provided pursuant to section 197.3632, Florida Statutes, and provides you with information about the Bayshore Gardens Park & Recreation District ("District"), its assessments and upcoming annual meeting. The District is an independent special taxing district of local government located in Manatee County, Florida, which provides park and recreational amenities within its District boundaries.

Upcoming Public Hearing

The District will hold a public hearing for residents to vote on the proposed Budget on Tuesday, June 14, 2022, at 7 p.m. in the Recreation Hall located at 6919 26th Street West, Manatee County, Florida. The purpose of the annual meeting will be to consider the adoption of the District's budgets and levy of annual assessments. All owners who reside within the District and whose names are recorded on the deed are eligible to vote in person. (Please bring photo I.D.)

The District imposes a special assessment ("Assessment") on your property on an annual basis, the purpose of which is to fund the District's general operating budget. Each improved residential parcel within the District constitutes a unit for purposes of the Assessment, and each unit is assigned an equal share of the total Assessment. The District is required by Florida law to notify each owner by mail of an intended increase in the Assessment amount over prior years. The District has proposed a per unit increase of \$20.00 over prior year assessments, for a total proposed Assessment of \$397.00 per unit. The increase has become necessary due to expenses associated with obligations needed to fund the operation of the District and contribute to reserve accounts of the District infrastructure. The District's budget is adopted each year after consideration by the Board and after a public hearing. The District collects the Assessment on the Manatee County Tax Bill. All benefited lands within the District pay the Assessment.

By operation of law, the District's assessments each year constitute a lien against your property located within the District just as do each year's property taxes. It is important to pay your assessments since failure to do so will cause a tax certificate to be issued against the property which may result in loss of title.

You have the right to appear at this public hearing and express any objections, suggestions, or comments you may have. You may also file written objections within twenty days of the date of this Notice at the office of the District, 6919 26th Street West, Bradenton, Florida 34207, Attention: Board of Trustees. If anyone chooses to appeal any decision of the Board with respect to any matter considered at the public hearing, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is based.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations at this hearing because of a disability or physical impairment should contact the District Manager at least five (5) days prior to the date of the hearing.

I hope this information is helpful. If you have any questions, please do not hesitate to contact the District Office at 941-755-1912. We look forward to your continued support of the District.

Sincerely,

Board of Trustees

Bayshore Gardens Park & Recreation District

Board of Trustees Meeting

Wednesday, April 27, 2022 @ 7:00 PM

Preliminaries - Roll call was taken, and a quorum was established. Meeting was called to order at 7:04 PM by Chairman Morris Raymer. The Pledge of Allegiance was conducted.

Trustees Attending - Jeanne Murphy, Barbara Greenberg, Barbara Susdorf, Terry Zimmerly, Melanie Woodruff, Morris Raymer, Dan Rawlinson, Belle Baxter

Also Attending - Gia Cruz, District Office Manager.

Approval of Minutes - D. Rawlinson made a **motion to approve the minutes from the March 23rd Board Meeting. B. Susdorf seconded. Motion Passed, Unanimously.** D. Rawlinson made a **motion to approve the minutes from the April 13th Work Session. J. Murphy seconded. Motion Passed, Unanimously.**

Treasurer's Report - There will be a special meeting to approve the budget. M. Woodruff made a **motion to approve the Treasurer's Report. B. Susdorf seconded. Motion Passed, Unanimously.**

T. Zimmerly made a **motion to rescind her previous resolution from March 23rd Board Meeting. M. Woodruff seconded. Motion Passed, Unanimously.**

T. Zimmerly stated she is going to hold off on presenting the Resolution 2022-01 at this time.

Committee Reports

Marina - Canoes & kayaks are being abandoned on District property. It is assumed they are stolen property. M. Raymer & G. Cruz are investigating their disposition. As the Sheriff's Department doesn't want them would the District be able to sell them?

· There are new signs for overflow parking on the north side of the marina.

- There are new signs for unauthorized vehicles on the property.
- Duncan is expected to be on site during the first week of May to complete the electrical work.

M. Raymer welcomed Manatee County Representative Makayla Lindecamp.

Recreation - J. Murphy reported an increase in the number of volleyball players of assorted ages. The swim team is disbanded for this season. J. Sparrow was asked to help with other activities.

Policy & Procedures - M. Woodruff reported after review by her committee there was no reason to go back to Blakely & Walter to discuss previously sent information - the Associate did what she was asked to do.

· M. Woodruff made a **motion to properly cure the Emergency Meeting of January 12, 2022, where the leak detection report for the pool was discussed. B. Susdorf seconded. Motion Passed, Unanimously.**

· Marina Boat Slip Agreement - 1005C is going back to Committee.

District Office Manager's Report - New signs will advise "No unauthorized vehicles" on District grounds. When there were no signs posted the Sheriff's Department could not do anything to people riding around the picnic grounds & ball field on motor bikes, etc.

· Randy finished hanging the door to sealed off part of the old men's bathroom to prevent non staff from using the new mop closet.

· *Committee Meetings for May are:*

- Policy & Procedure - Tuesday May 3rd at 7pm in the Recreation Hall
- Budget & Finance and Marina - Wednesday, May 4th 7pm in the Recreation Hall
- Recreation - Thursday, May 5th at 5:30pm at the picnic table by the volleyball net.

· The new vanity for the men's room has arrived. The old sink will be saved for the ADA restroom in the marina.

Secretary

HOA & Neighborhood Watch

The Saturday morning breakfasts are a big hit, all thanks to our new VP Jeanne (A.K.A. Genie). Our next meeting will be held on Thursday June 9th at 7 PM in the Recreation Hall. This meeting will not only be a potluck, but we will have a program call "Ask a Nurse."

What happened, I did not see anyone's survey that was in last month's Banner.

Neighborhood Watch wants to remind everyone to look out for your neighbors if you see something, say something! For emergencies call Manatee County Sheriff Office at 941-747-3011 Ext: 2260 or call Dan Rawlinson, who is available anytime at 941-755-9388

Board of Trustee Vacancy

The Board of Trustees has a vacancy for a Board Trustee. If you are motivated and want to make a difference in your community, please forward a letter of intent and a resume to office@bayshoregardens.org or feel free to stop in the office and introduce yourself.

Woodchoppers Club

We had our regularly scheduled meeting on Saturday, May 14 in the shop. 6 members attended.

Several members continue working on the vacuum system in the Shop. We discussed method of connecting the table saw to the system, yet not causing a trip hazard. We need a few parts to finish hose connections to each tool on the east side. All metal equipment stands are assembled.

We are seeking input on how long personal projects should be allowed to be stored in the Shop. There is a proposed By-law change that limits the time to one week (outside their locker). Anyone with an opinion on the issue can email it (newgnor@aol.com) and it will be shared with the group in July.

Thanks to Harold Donaldson the miter saw stand is on wheels. A team assembled two metal equipment stands. Steve Watkins has volunteered to clean the metal table tops and we need a donation of paste wax to apply. Steve has volunteered to assemble a wood storage rack on wheels. We approve the purchase of the six wheels at the meeting.

A Maintenance Program for items was discussed. It will include the AC units (filters), Air cleaner (filters), Table saw (sawdust removal), Shop vacuum (emptying) and other things.

We are looking for a professional blade sharpener for saw blades.

Remember: Members should call an Officer if they have problems working any equipment. Instruction on a piece of equipment can be set by appointment. Officers' phone numbers are on the front window.

If there is any problem with a tool, please notify an officer and leave a note/tag on the tool. Tags are in the metal cabinet along the north wall. Club Officers' phone numbers are listed on the front window. Use safety equipment when using any power tool. Shop users are required to Sign-in at the door and clean up after using the Shop. 2022 Memberships are available at the Recreation Center Office during their regular hours.

Our next scheduled Meeting is on October 8th in the Shop at 10 AM. Please keep an eye out for Work Shop notifications in the Banner and by post card.

It's a Beautiful Thing

The coming months June through November will bring two seasons; the rainy season and hurricane season. Make sure you are prepared for anything. On a lighter note, the next few months will bring more grass cutting, weeding, barbecuing on the grill, and all the fun things of summer.

We are still doing line dancing lessons at the recreation hall on the second and fourth Mondays of the month starting at 6:30pm.

The cost is just \$4.00 a person or \$7.00 for couples. Yeah, that's a real value for sure. Everyone is welcome to come and join.

Folks, I need your help with what activities you like or don't like because I'm only guessing... And we all know what that means. Please call me with any ideas or if you are able to volunteer.

It's a Beautiful Thing!! - Dan Rawlinson is available anytime at 941-755-9388

GARDEN CLUB

BG Garden Club Minutes for May 2, 2022

This gathering was a field trip to Mable Ringling's Rose Garden ((5401 Bay Shore Rd, Sarasota, FL 34243). This adventure was arranged by Gwen Norris. According to their website the best month to see the rose garden is in May. Seven were in attendance. We gathered at the Recreation Hall parking area at 1:00 and left in three cars for the garden. Entrance was free this day for the garden.

No monthly Club reports were given at this time.

The late spring heat lowered our enthusiasm, but the breezes were wonderful under the various trees along our long path to the garden. Some of us enjoyed the comfort in the air conditioning upstairs of the gift shop in their Coffee and Tea room.

Almost all the rose bushes had blossoms. There were a variety of smells to enjoy. This garden was originally completed in 1913. It is laid out in an Italian inspired wagon wheel design. There was an assortment of classical statuettes depicting courting couples (acquired in Europe), not forgetting the central gazebo and several benches to take advantage of.

Mable Ringling's Rose Garden had been designated an "Accredited Public Rose Garden" by the American Rose Society. There are only two other rose gardens in Florida with this award.

Next month, June 6, 2022, we will meet at 1:00 at Anna Maria Oyster Bar Landside for our semiannual "Dutch Treat" lunch (6906 14th St W, Bradenton, FL 34207). Please Let us know if you plan to attend and we will save a seat.

Gwen Norris

Be Prepared!

Preparing for a Hurricane from the CDC

Make a Plan.

Hurricane season starts on June 1 in the Atlantic and the Caribbean. It ends on November 30.

Before hurricane season each year, make sure you and your family are prepared by planning ahead.

- Write down emergency phone numbers and keep them on the refrigerator or near every phone in your house. Program them into your cell phone too.
- Prepare an emergency supply kit.
- Locate the nearest shelter and different routes you can take to get there from your home. If shelter locations in your area have not been identified, learn how to find them in the event of a storm.
- Pet owners: Pre-identify shelters, a pet-friendly hotel, or an out-of-town friend or relative where you can take your pets in an evacuation. Local animal shelters may be able to offer advice on what to do with your pets if you are asked to evacuate your home.

Gather emergency supplies.

During and after a hurricane, you may need supplies to keep your family safe and healthy. Remember that a hurricane could cut off your power and water supply. You also may not be able to drive because of damage to your car. Roads may be flooded or blocked.

That's why it's best to be prepared—stock up on everything you might need now. Be sure to prepare the following:

- An emergency food and water supply.
- An emergency medicine supply.
- Emergency power sources such as flashlights (don't forget extra batteries).
- Safety and personal items.
- Important documents, including medical documents, wills, passports, and personal identification.

- A fire extinguisher. Make sure your family knows where to find it and how to use it! Read the National Fire Protection Association's tips for using fire extinguishers.

Know the difference between a hurricane "watch" and "warning."

Listen for National Weather Service alerts on TV or radio or check for them online. There are two kinds of alerts:

- A hurricane watch means hurricane conditions (sustained winds of 74 miles per hour [mph] or higher) are possible in a stated area. Experts announce hurricane watches 48 hours before they expect tropical-storm-force winds (sustained winds of 39 to 73 mph) to start.
- A hurricane warning is more serious. It means hurricane-force winds are expected in a stated area. Experts issue these warnings 36 hours before tropical-storm-force winds are expected in the area to give people enough time to prepare for the storm.

For more information about hurricane watches and warnings, check out the National Weather Service's Hurricane Center. If you hear that there is a hurricane watch or warning in your area, you can take steps to get ready.

Get your car ready.

Make sure your car is ready before the storm hits.

- Fill your car's gas tank.
- Move cars and trucks into your garage or under cover.
- Always keep an emergency kit in your car.
- Visit [Ready.gov](https://www.ready.gov) for information on how to prepare your car and what to include in your kit.

If you don't own a car, consider making plans with friends or family or call authorities to get a ride if you need to evacuate.

Get your family and pets ready.

- Go over your emergency plan with your family.

Continued on Page 12

Be Prepared, Continued from Page 11

- Keep checking for updates about the storm. Watch TV, listen to the radio, or check online.
- Call the hospital, public health department, or the police about special needs. If you or a loved one is older or disabled and won't be able to leave quickly, get advice on what to do.
- Put pets and farm animals in a safe place. Read more about pet safety during an emergency.

Get your home ready.

- Clear your yard. Make sure there's nothing that could blow around during the storm and damage your home. Move bikes, lawn furniture, grills, propane tanks, and building material inside or under shelter.
- Cover up windows and doors. Use storm shutters or nail pieces of plywood to the outside window frames to protect your windows. This can help keep you safe from pieces of shattered glass.
- Be ready to turn off your power. If you see flooding, downed power lines, or you have to leave your home, switch your power off.
- Fill clean water containers with drinking water. You'll want to do this in case you lose your water supply during the storm. You can also fill up your sinks and bathtubs with water for washing.
- Check your carbon monoxide (CO) detector's battery to prevent CO poisoning

Be ready to evacuate or stay at home.

Always listen to authorities regarding whether you should evacuate or stay at home.

If a hurricane is coming, you may hear an order from authorities to evacuate (leave your home). Never ignore an order to evacuate. Even sturdy, well-built houses may not hold up against a hurricane. Staying home to protect your property is not worth risking your health and safety.

You may hear an order to stay at home. If driving conditions are dangerous, staying at home might be safer than leaving.

If you need to evacuate:

- Grab your emergency supply kit and only take what you really need with you (cell phone, chargers, medicines, identification like a passport or license, and cash).
- Unplug your appliances. If you have time, turn off the gas, electricity, and water.
- Follow the roads that emergency workers recommend even if there's traffic. Other routes might be blocked or flooded. Never drive through flooded areas—cars and other vehicles can be swept away or may stall in just 6 inches of moving water.
- Contact your local emergency management office and ask if they offer accommodations for owners and their pets.

If you need to stay home:

- Keep your emergency supply kit in a place you can easily access.
- Listen to the radio or TV for updates on the hurricane.
- Stay inside. Even if it looks calm, don't go outside. Wait until you hear or see an official message that the hurricane is over. Sometimes, weather gets calm in the middle of a storm but then quickly gets bad again.
- Stay away from windows—you could get hurt by pieces of broken glass or flying debris during a storm. Stay in a room with no windows, or go inside a closet.
- Be ready to leave. If emergency authorities order you to leave or if your home is damaged, you may need to go to a shelter or a neighbor's house.

MANATEE MATTERS WITH COMMISSIONER MISTY SERVIA

Mental Health Awareness Month

May is “Mental Health Awareness Month,” and as it comes to a close, I wanted to write about the importance of mental health for our community.

Our daughter is a mental health counselor, and I enjoy the way her mind works to help others who are struggling. But, even before her career started, I enjoyed reading about life skills and coping mechanisms to deal with everyday life.

As a county commissioner, I feel that I have a ring-side seat to both good and bad examples of mental health. Here are some nuggets that I hold close:

Nurture good relationships. Relationships are the foundation of our world. Nothing is more important than our family and friends, so put them at the top of your priority list, and work to grow your network and deepen the relationships. Human connection is important and building a strong support system of good people helps us to be solid and happy, no matter the struggle of the moment.

Helping others. They say that altruism is hardwired into the human brain, and we get a shot of dopamine when we give willingly of our time or resources. Maybe that's it, but it also gives purpose to our lives. When we come across people who are struggling with sadness or depression, suggest that they get out and find a way to help someone else. There is always someone who needs help and pitching in to help them through a struggle has a magical way of helping ourselves at the same time. It's like a BOGO sale!

Self-Awareness: This is one of my favorites, and we all have blind spots in this category. When we know who we are and can see ourselves as others see us, we have the ability to build stronger

relationships, communicate more effectively, and relate to others. Seeking feed-back and having empathy for others broadens our capacity to process information and make better decisions. And good self-awareness gives us the vision to be more effective leaders and less likely to lean on white lies and twisted perceptions to reach conclusions.

Practice Gratitude. I first learned the power of gratitude in 2003 when my Mother was dying of cancer. Everything seemed so hard, and I decided to journal about each day to help process the pain but end each writing with the five things I was grateful for. They were small things in a world of pain, but it taught me that focusing on the good things shifts your whole perception of the world. It made me stronger in the face of chaos and sadness, realizing that there is always something to be grateful for.

Take a walk. I can't remember one time after a walk that I was upset that I took the time to do it. It helps me to process the moments of the day, boost energy, and even sleep better. The best walks are through one of our preserves, where I will skip the headphones and take in the sounds of nature and the beauty of silence. But even a short walk through the neighborhood allows me to catch up on a book on audible and put aside the daily demands and pressures.

Finally, seek help from a Professional. There is no shame in asking for help from a professional. In honor of Mental Health Awareness Month, let's all work together to remove the stigma of mental health challenges and silence the shame by acknowledging that life is hard and it's okay to reach out for help during those hard moments.

Misty Servia is a Manatee County Commissioner representing District 4 and can be reached via email at misty.servia@mymanatee.org

Spheres Bubble Show - Expand the Universe Tour

June 26, 2022 @ 1:00 pm - 2:00 pm

June 26, 2022 @ 3:30 pm - 4:30 pm

502 Third Avenue W Bradenton, FL 34205, Downtown Bradenton

Spheres Bubble Show is one of the most unique and amazing visual displays that you will ever see! If you like Cirque Du Soleil and Blue Man Group, you will love Spheres! The show's creator, bubble phenom Blaise Ryndes from Season 13 of America's Got Talent, describes the show as a comedic fusion of art, science, and magic! This is truly a show for all ages! Kids love the gigantic formations of bubbles and foam wafting over the audience, while adults appreciate the beauty and complexity of the unbelievable bubble sculptures. Fog, high-energy music and lasers enhance these incredible effects!
