Board of Trustees Meeting

Wednesday June 28, 2021 @ 7:00 PM

Preliminaries - Meeting was called to order at 7:01 p.m. by Chairman Morris Raymer. Roll call was taken, and a quorum was established. The Pledge of Allegiance was conducted.

Trustees Attending – Morris Raymer, Steve Watkins, Barbara Greenberg, Melanie Woodruff, Terry Zimmerly, Barbara Susdorf, Dan Rawlinson, and Belle Baxter.

Also Attending - Gia Cruz, District Office Manager.

Approval of Minutes - M. Raymer called for the approval of the minutes for the Board of Trustees meeting from June 23, 2021. D. Rawlinson made a motion to accept, B. Baxter seconded. **Motion Passed Unanimously.** M. Raymer called for approval of the minutes from the July 14, 2021, Trustees Work Session. D. Rawlinson made the motion to accept, B. Susdorf seconded. **Motion Passed, Unanimously.** M. Raymer announced the addition of Brian Murphy to the Recreation Committee.

Treasurer's Report - T. Zimmerly presented the monthly reports. **B. Susdorf made a motion to accept the treasurer's report.** M. Woodruff seconded. **Motion Passed, Unanimously.**

District Office Manager's Report - Manatee County Supervisor of Elections advised they need the hall for a School Board Election November 2, 2021 which will conflict with scheduled committee meetings. Let the office know what changes are to be made. Easement survey for Marina electrical is complete, Duncan will be doing prep for FPL to do the hook-up. An inspection will be required before Duncan can do their part. Cedar Hammock Fire has requested to use our pool and marina in August for their water training. In addition, they wish to provide training for our lifeguards on one day. A calendar was presented

with the dates. T. Zimmerly made a Motion to accept the Cedar Hammock training as presented. S. Watkins seconded. **Motion Passed, Unanimously.** The ice machine is requiring extensive repairs due to its age. Recommended two cleanings a year at a cost of \$435.00 each time or replace the upper portion of the machine for \$2936.00. This price includes installation. T. Zimmerly made a **motion to purchase a new ice maker upper unit and include an added sanitizer for a total cost of \$3,300.00.** B. Baxter seconded. **Motion Passed, Unanimously.** Mauldin & Jenkins (Audit) engagement letters were provided for review by the board members. 12 - 4 pool swim at own risk no lifeguards provided. M. Woodruff made a **motion to adopt a pool schedule effective Aug 9, 2021 of 8-12 for lap swimming, 12-4 no lifeguards provided, swim at your own risk and 4-7 lifeguards provided.** B. Baxter seconded. **Motion Passed, Unanimously.** B. Baxter requested that a cost schedule for Mauldin & Jenkins be included in the letter of engagement.

Recreation Committee - B. Baxter reported the next committee meeting will be Tuesday August 3, 2021 at 8:00p.m. Thank you for adding Brian Murphy to the Recreation Committee. The drop-in Volleyball Night is continuing to progress. People that are attending seem to be generally happy with this activity. B. Baxter made a **motion to let the swim team exclusively use the pool for awards ceremony August 14, 2021, 4 p.m. to 7 p.m. and an expenditure of \$50.00 dollars for hotdogs.** M. Woodruff seconded. **Motion passed with S. Watkins voting no.** B. Baxter made a **motion to permit the Recreation Committee to host a "Back to School Party" on August 6, 2021, 4 p.m. to 7 p.m. approving an expenditure of \$70.00 dollars for hotdogs, chips, and drinks.** T. Zimmerly seconded. **Motion Passed, Unanimously.**

Board of Trustees Meeting Minutes - Continued from Page 2

Marina Committee - M. Raymer ask for motions to be made for slip increases. T. Zimmerly made a **motion to increase slip fees for Non-residents to \$9.00 per foot per month.** M. Woodruff seconded. **Motion Passed, Unanimously.** Public comment from (Jenny Smetters) was received against the overall development and justification of the marina increases. B. Baxter made a **motion to increase slip fees for Non-Resident Homeowners to \$6.50 per foot per month.** M. Woodruff seconded. Public comments were received. Non-resident Homeowner Mark Bertenthal objects to the Non-Resident Homeowner designation and not being able to vote for the district budget. Tung Nguyen objects to losing his marina privileges due to being a Non-Resident Homeowner. John Woodruff suggested that the Board establish a date when the Non-Resident Homeowner rate would cease to be applied leaving only Resident or Non-Resident rates. **Motion Passed with B. Greenberg voting no.** T. Zimmerly made a **motion to increase slip fees for Residents to \$4.00 per foot per month.** M. Woodruff seconded. **Motion Passed, Unanimously.**

Policy and Procedures - The next Policy and Procedures Committee meeting will be August 3, 2021 at 7p.m. M. Woodruff made a **motion to approve Marina Work Area Contract (1005 WAC)** T. Zimmerly seconded. **Motion Passed, Unanimously.** M. Woodruff made a **motion to approve the Work Area Request Form (1005FR).** S. Watkins seconded. **Motion Passed, Unanimously.**

Personnel and Salaries - T. Zimmerly reported that her committee finalized safety procedures for employees and discussed time sheets. They also requested that Board members submit jobs that are currently being performed or should be being performed by district personnel. Send lists to Gia. T. Zimmerly made a **motion to raise Randy's pay rate to \$17.80 per hour a \$0.30 per hour increase.** B. Baxter seconded. Discussion:

D. Rawlinson suggested that pay raised should be a function of the district office and not the Board. Public Comment Adam Hange inquired about the process/justification for determining employee raises. T. Zimmerly responded that it was a combination of Employee Annual Review, Cost of living, and job performance level. **Motion Passed, Unanimously.** T. Zimmerly made a **motion, based on his review, and cost of living, to raise Austin's pay rate to 14.80 per hour a raise of \$0.30 per hour.** B. Susdorf seconded. **Motion Passed, Unanimously.** B. Susdorf made a **motion to raise Phil's payrate to \$16.25.** T. Zimmerly seconded. Comment: Dan Smith stated that the pay rates are quite reasonable. Sharon Densen spoke in support citing Phil's job performance and reliability. **Motion Passed, Unanimously.**

Additional Items - D. Rawlinson made a **motion to make the charge for a Pool Fob an annual fee of \$20.00.** B. Baxter seconded. Comments- Mary Lou Smith feels that the residents already pay for use of the pool through the assessment. Sharon Densen echoed this opinion. Suzanna Young feels that a \$10.00 annual fee would be better. Adam Hange supports the charging of fees for facility use to offset expenses since the assessment does not cover the expenses. Tung Nguyen feels that it is unfair not to charge for use of some facilities and not others. Jenny Smetters stated agreement with the need to charge for the use of the facilities since the Board can not raise the assessment to the appropriate level. **Motion Passed** with M. Woodruff and S. Watkins voting no. T. Zimmerly made a **motion to increase the Hall rental rate \$100.00, to be effective immediately.** B. Susdorf seconded. Comments - S. Watkins feels this is appropriate for Non-Residents but not for Residents, Mary Lou Smith feels that the Board has no authority to raise funds outside of the assessment. Suzanna Young

Continued on Page 4

Board of Trustees Meeting Minutes - Continued from Page 3

Young feels that the assessment should be raised to realistic levels. B. Greenberg feels that the raise for Non-Residents is fine but for Residents should only be a token amount. **Motion Passed** with Barbara Greenberg, S. Watkins, and B. Baxter voting no.

S. Watkins expressed concern about not being able to contact the Dockmaster. Both numbers will be posted at the Marina. Adam Hange has had no issues with communicating with the Dockmasters. S. Watkins expressed concern with the use of CommTow parking decals because they were not approved by the Board of Trustees. It was explained that these stickers had been purchased at a cost of \$0.15 each as opposed to \$3.00 each for the previous Bayshore Stickers. The stickers have been in use since October 2020 and the numbers are in our system. Further concern was voiced about advertising for an outside interest. S. Watkins raised various issues about the stickers and signs in the parking lots. Consensus was that he should bring these items to the House and Grounds Committee. B. Greenberg made a **motion for Board approval to run a test with and without kids of two items for the sprinkle garden**. S. Watkins seconded. Discussion ensued. T. Zimmerly noted that if you let preschoolers run anywhere in the pool area it will be unsafe and that this will create mud. M. Woodruff echoed this opinion. Jeanette Sparrow asked if B. Greenberg was going to be present .

every day to monitor these tests so that it will not impact the lifeguard and attendant duties. B. Greenberg said that she would be present during the testing. Suzanna Young asked to consider maybe an alternate site. Jeanette Sparrow restated that it's a bad idea. Mary Lou Smith stated that toddlers would not be unsupervised because of the parents watching them. **Motion Failed with S. Watkins, B. Greenberg, and D. Rawlinson voting yes and M. Woodruff, T. Zimmerly, B. Susdorf, M. Raymer and B. Baxter voting no**. B. Greenberg questioned the Board's understanding of the districts insurance policies. It was decided to form a committee to review these and report to the Board. M. Woodruff made a **motion to form an Insurance Information Committee**. B. Baxter seconded. **Motion Passed, Unanimously**.

M. Raymer recognized and thanked Simone Peterson for her attendance at the meeting. Dan Smith stated that we need to work toward selling the voters on raising the assessment. Gia announced the upcoming schedule of the various committee meetings.

B. Susdorf made a motion for the **meeting to be adjourned**. S. Watkins seconded. Meeting adjourned at 9:25p.m.

Bunco is Back!

Bayshore Gardens H.O.A.

Your Bayshore Gardens Homeowners Association has been working to bring neighbors together in our effort to make Bayshore Gardens a strong community. We had plans for several functions to close out 2021 after the corona virus hit us over a year ago and things started to look better – BUT it did not get better when the delta virus hit us again. Right now we have decided to CANCEL all plans, with the hope we can go on a month to month plan as things, hopefully, improve. So many have decided not to be vaccinated and many also refuse to wear masks that we feel canceling group functions is the only safe way to proceed

Our Homeowners Association does not have rules and restrictions and high monthly-required charges that many other communities have. Our residents can choose to pay only \$10.00 a year for their families to enjoy our activities. Right now, out of almost 1400 homes we have a membership of 28 families which is very disappointing!! When you have a neighborhood situation, we can get help from Manatee County for many of the problems that can arise. We work with the Bayshore Gardens Park and Recreation District that provides the 14 acres of recreation including our junior Olympic pool, recreation center, marina, ball field, launch ramp and picnic area. Together we have so much more than all the other communities around. Please check the Bayshore Gardens website for last minute notices of activities we feel we can safely offer.

Questions – please call HOA President Dan at 755-9388 or HOA VP Joyce at 756-9255

From the Code Enforcement Guide

Continuing series in the Citizen's Code Enforcement Guide. This month, Agricultural Animals. Up to four hens (female) are allowed in residential areas throughout Manatee County. Roosters are not allowed. Hens must be kept in a chicken coop or poultry house which measures at least four-square feet per hen, in other words, if you have four hens, the enclosure must measure 16 square feet. Other farm animals such as cows, horses and goats are not allowed in residential areas.

Interestingly this information was not found on the County web site. It is however in the Citizen's Code Enforcement Guide available in the office while supplies last.

It's a Beautiful Thing

The Delta Variant of Covid 19 has proven to be as deadly & communicable as predicted. Lots more people are getting sick this time around. Remember to wear your masks and practice social distancing.

There is still a vacancy on the Board of Trustees. In addition there will be an election in December for four seats. There will be more information in next month's Banner or you can call the Supervisor of Elections office for more information – 941-741-3823.

Bayshore Gardens' First Annual Garage Sale is in the planning stage. The group is looking for 100 homes to participate in the sale targeted for the first weekend in November. They will take care of all the publicity, but if you're interested call Dan at 941-755-9388. If you don't call, it can't happen. This event can be fun and profitable and can include social distancing.

It's a beautiful thing.

MANATEE MATTERS WITH COMMISSIONER MISTY SERVIA

Stormwater is not sexy, but....

If you asked a south county resident to tell you the one thing they want their local government to focus on this year, my bet is you'll hear, "flooding".

Take Trailer Estates - an old-Florida neighborhood on beautiful Sarasota Bay, and built in the 1950's when stormwater management wasn't really a thing. Listening to the flooding woes from these residents was a tough one, as there simply aren't many options. Each lot has a tiny drainage swale in the backyard, and over the years residents had either planted or paved over these areas. Despite the challenges, our engineers got to work and started with inlet improvements along roadways. The ditch behind the nearby shopping center will be cleaned out by the end of September, and we are planning to enlarge and add drainage pipes, where we can. There is a 1-2 year plan in motion to improve drainage along Florida Blvd. and this should help the park too.

Bowles Creek and the Pearce Drain are main drains in our area and the County and SWFWMD have been studying them, which is leading to a recipe for relief.

We have already learned that the Sarabay Golf & Country Club installed a mechanism decades ago to "dam up" the water flow so that it could be used for irrigating the golf course. The county, together with the property owner, is in the process of designing and permitting reclaimed water to connect the course to an alternative source and free-up the flow. Construction on this will start next year.

Also in the queue is the installation of a drainage pipeline from 9th Avenue East to the Pittsburg Drain, just south of 57th Ave E. This project will divert some runoff from the overburdened 9th Street drainage system, and again should help the whole area.

Lake Brenden, located north of Magellan Drive between Connecticut Ave and Sabina Road was recently dredged to create more area for capturing runoff. Oh, and I can't believe the stories of people swimming in this "lake" 50-years ago! Please - don't do that today.

But when I think of major flooding, I remember Shadybrook and Centre Lake and am proud of the strong focus that we have given to these areas. Shadybrook residents have taken responsibilities into their own hands by contacting US Congressman Vern Buchanan and suggesting changes to the FEMA rules to allow residents to be more proactive in protecting their homes. As a condominium, they have pooled their money to purchase flood mitigation equipment. Talk about taking personal responsibility!

Before I was elected, I remember the 2017 storm that sent water into some of the homes in Centre Lake. They were hit hard because their subdivision

MANATEE MATTERS Continued from Page 9

was built in the 1980's when FEMA rules were different. The problems were compounded by the limited maintenance on stormwater facilities during the Great Recession. I remember those times - hundreds of county staff laid off and our revenues - tied heavily to property taxes - well, were in the toilet. Today these facilities are maintained as carefully as a collector does an antique Ferrari, but there is still more work to do.

Studying the Gap Creek is next, which runs through many neighborhoods, including Manatee Oaks. Gap Creek is a tributary of the Pearce Drain, so we will soon have some good base-data with completion of the Pearce study, expected at the end of 2021. While this work was focused on flood relief in Centre Lakes, it will provide a foundation of information to understand the flooding issues in Manatee Oaks too.

We will kick-off this study soon, and while it is not a quick fix, we have developed short-term and mid-term plans to support the neighborhoods during this time.

Oh, and I would be remiss if I didn't mention that our Summer interns have mapped our older stormwater systems, including the quality of each of the facilities. This information is golden when trying to understand the big picture of the basins.

Stormwater management is not something that most people even consider, until their property is flooding. It's one of the many things that your county government manages with your tax dollars. It's easy to celebrate the new parks and sidewalks - the things that we can see. Just know that there is a lot of work being done that you don't see too that protects our quality of life here in Manatee County.
